Tacoma Tennis Tournament Brings Out Large Gallery to See Great Matches-Fottrell Has No Snap Beating Fulton.

TACOMA, Wash., Aug. 6.-Favorites continued to win in today's play of the Pacific Northwest tennis tournament. One of the features of the day's com-petition was the showing made by Nat Emerson, of North Yakima, the present

Emerson, of North Yakima, the present holder of the Thorne cup.

The champion showed that he has lest none of his skill in back court play and his hard, curving service was the bane of his opponents.

Probably the most sensational match of the day was the contest between Ella Fottrell, the young San Franciscan, and T. C. Fulton, who last year defeated J. C. Tyler for the champion ship of Idaho. The contest between these two brought round upon round of applause from the large gallery.

Pretty Match Witnessed.

The first set was the best of three, the final count being 11-9 in favor of the California player. The fact that Fulton won time and again off of Fottrell's service showed that he is a player of no mean caliber. The second set went to Fulton, 6-3, but with the score three-all in the third set, Fulton

score three-all in the third set, Fulton lost two strings in his racquet. From then on Fottrell won almost at will, winning the final set, 6-3.

The match between Emerson and Laiseure attracted a large gallery, which applauded the champion frequently. Emerson captured the first set 6-4, but the second went to Laiseure by the same score.

The North Yakima man came back strong in the final set and won 6-0. Emerson displayed the form which won for him the championship last season and it is generally predicted that he will be in the tournament until the semi-finals at least.

Sutton Girls Victors.

Miss May Sutton had little trouble in defeating Miss Waterhouse, of Portland, in straight sets, although the Portland girl made a much better showing than the 6-2, 6-1 score indicates. Several times the score stood 40-30 or to a deuce, when Miss Sutton would win through a burst of sensational tennis which baffled her less experienced opponent.
