### **BULL MOOSE MEN** TO RATIFY TONIGHT

Multnomah County Progressives Will Gather in East Side Library.

#### FUTURE MOVE MAIN TOPIC

Oregon Delegates to Chicago Convention Will Not Return in Time to Attend Gathering Tonight.

Mulinomah County Progressives will ratify the nomination of Roosevelt and Johnson at the East Side Library tonight. A formal programme of addresses has not been prepared, but the plan, according to L. M. Lepper, secreof the state organization, is to have those speak who have not been heard before. Martin Watrous and Ben

Reisland will be two of the speakers. Aside from ratifying the work of the recent Chicago convention, the meeting will decide upon a date for a county convention, when a member of the state central committee, which will meet in Portland, August 27, will be elected, and the problem of placing a third party ticket in the field will be de-

Dr. Coe Advises Caution. Local admirers of Roosevelt had hoped that the Oregon delegates to the Chicago convention would return in time for tonight's rally, but in this they will be disappointed. Dr. H. W. Coe, National committeeman for the new party in this state, will not arrive home before the middle of the week. In a telegram yesterday to Secretary Lep-per. Dr. Coe said be would stop en route for a conference with Senator Dixon and other Bull Moose leaders. Dr. Coe also advised against any further action being taken by the new party in this county until a confer-ence of the leaders could be held.

D. L. Povey, another of the delegates, will pass two weeks in various Eastern cities on business and pleasure before starting for home. Nothing is known as to when Bruce Dennis and R. J. Green, of La Grande, and J. Frank Hughes, of Salem, the other three delegates, expect to arrive.

Washington County Organized. Several prominent members of the sitio new party, including F. W. Mulkey, progressive candidate for United States Senator; Secretary Lepper and W. K. Newell, third party nominee for Presidential elector, went to Forest Grove Saturday night and assisted in the organization of the party in Washington County. Mr. Lepper says the meeting was attended by about 80 electors.

The gathering was called to order by H. J. Goff, of Forest Grove, who was elected a member of the state central committee from Washington County. A. Scott and D. G. Kinzer, both of For-est Grove, acted as chairman and secretary of the meeting, which decided to perfect a county organization by forming a county central committee, with a member from each precinct in the county.

After the business had been transacted, Mr. Mulkey, Mr. Lepper, Mr. Newell and G. S. Allen, Mayor of For-

Out of a dozen buils, possibly two reached the half-mile post. The others were either in the field, through the fence or heading for the barns.
