SECOND EASTERN OREGON DIS-

TRICT SHOW PROMISING.

More Money Available for Premiums and Highest Grade of Attractions Expected at The Dalles.

THE DALLES, Or., Aug. 15.—(Special.)—The annual fair of the Second Eastern Oregon District Agricultural Society, embracing Wasco and Hood River

crops of the present season, more money available for premiums and a

higher grade of attractions, the genera

tractive grounds, are some of the rea-

sons why this year's event is certain

to be a record-breaker.

Previous to last year the fair attractions were divided between the Driv-

ing Park, where the horse races were pulled off, and the business section of the city, where temporary pavilions were erected each year for the various

hibits will be interesting features.

device, darning, aprons, dresses, sweet peas, chickens, ducks and pigs.

boys and girls will compete for prizes on the following: Field corn, sweet corn, popcorn, pumpkins, watermelons,

squashes, potatoes, cabbage, grain selections, bird houses, pieces onliure, mechanical toys, labor

Hop Prices Are Unchanged With Bearish Tone.

WEATHER HAS ITS EFFECTS

Reports From England Indicate Crop Will Not Be as Heavy as at First Supposed - Local Fields Unaffected.

With unfavorable weather conditions in both England and America there is a decided upward tendency in the hop market. Howis firm at the established figures, though, and if any change takes place it will be to advance, especially in the face of late re-

Recent estimates from European hop deal ers place the estimated probable crop of England 5 per cent lower than the esti-

aged hops here. Some growers say the wet weather has been beneficial. It has washed them off, they aver, and will leave them in excellent condition for picking if more favorable weather presents itself in the remaining few weeks previous to the opening of the picking season.

United States Government bonds were unchanged on call.

at the Driving Park, a large commodious structure with an attractive pebble-dash outside appearance, also constructing sheds for the housing of stock, poultry, etc., and for the first time in the history of Agricultural Society all of the fair was seen at the Driving Park last year.

One of the important features of the 1912 event will be the improvement to the grounds. Lawns and trees have the 1912 event will be the improvement of the grounds. Lawns and trees have to the grounds. Lawns and trees have to the grounds. Lawns and trees have to the a string around the convicts suggested a happy plan. This was to the a string around the hand of the convict doing the sawing: the other end was held by a second convict in hiding, where he could watch the movements of the guard.

Even at this early date the livestock sheds are being reserved for exhibits of hogs, cattle, horses, sheep and goats. It is expected that the displays of fruit, vegetables and grain will fill the display building to capacity.

The fair directors are considering was difficult, until one of the convicts suggested a happy plan. This was to the a string around the convicts was to the a string around the convicts were head by a second convict in hiding, where he could watch the movements of the guard.

The gratings were practically sawed through the convicts were prepared to escape and were awaiting the starting of the Commercial Club. An entire of the convicts were prepared to the convicts were prepared to the other end was held by a second convict in hiding, where he could watch the movements of the guard.

The gratings were practically sawed through the convicts were prepared to escape and were awaiting the starting off the Co-W. R. & N. Baker express attention from the flume, when they william Stewart and J. M. Schmeltzer, of a ball game, which would attract attention from the flume, when they distinct the convicts were prepared to the convict will be a string around the convicts were sawing:

The fact of the Co-W. R. & N. Baker express attention from the flume, when they distinct the convicts were prepared to the convicts were prepared play building to capacity.

The fair directors are considering booking a first-class one-ring circus as one of the big attractions, which will include strong vaudeville turns. The men had also written a farewell the fishermen have completed their racing programme will be larger than ever before attempted and more and faster horses are coming to compete lenient prison policy, and passed sev-

COMPLAINT CAUSE GONE with meshes and are an inch to an inch they were distributed here. and a quarter in width. yielded more than 150 grains. SALEM, Or., Aug. 15.—(Special.)— Roy A. Denham, of Weatherby, who several weeks ago complained to the State Railroad Commission that the O-

W. R. & N., was failing properly to caused much comment, W. R. & N., was failing properly to fence its tracks contiguous to his lands, to the acre of hybrid wheat on the 200 fence its tracks contiguous to his lands, has no further reason to complain, according to information received by the Railroad Commission.

It is not because the fencing has been improved, but from the peculiar fact that the Denham ranch, which existed a few weeks ago exists no longer.

Denham still owns the place where the complaints of the stationary, and on the complaints of the stationary and on the complaints of the stationary of the stationary and on the complaints of the stationary of the stationary. That said ordinance No. 183 of the stationary of the stat
