Portland Takes Opening Game From Sacramento, 7 to 5—Two Pitchers Are Driven Off Mound Early—Check Stars for Losers.

By ROSCOE FAWCETT. Walter McCredie outwitted Sacramento yesterday and Portland won the first game of the series, 7 to 5, mainly through the terrific bombardment of Captain Bill Rodgers.

Manager Van Buren's scheme, so the hawkshaws report, was to let the Beavers run themselves in for four innings and then go out and beat them to a pulp.

But, "A. Connan" McCredie, deduced the fell plot. He met fire, and by the time the two clubs finished up on Williams and Koestner, Portland had 11 hits and Sacramento 10.

There was a healthy afternoon's slugfest and the transformation from the game to the pitcher's duel was marked as the changes in a rural drama.

Koestner is Hit Hard. Koestner, as a matter of history, did not last the four innings. The going got so bumpy in the fore part of the inning—with doubles by Miller and Check, a single by Williams and a walk by Koestner—that McCredie motioned him to the storage department before a man had been retired.

His successor allowed only five hits in the six innings, while Fitzgerald was more miserly still. He mounted the rubber in the fifth inning and was touched up for one hit in the remaining four.

But, to make the transfer back to Bill Rodgers! The scrappy captain came up three times in the second inning against Williams, and the least he could do was three doubles. He drove in one of the seven tallies and scored three others himself.

It was quite a healthy afternoon's work and Rodgers is expecting two invitations to dinner this week—one from Koestner, who gets credit for the victory, although driven from the mound, and the other from the astute manager, Walter the first.

McDowell's One-Handed Grab of Hot Limer Cuts Off Run—Portland Loses Chance to Score Through Fine Fielding by Victoria.

At Victoria—Victoria 3, Portland 0. At Spokane—Seattle 2, Spokane 0.

(VICTORIA, B. C., Aug. 20.—(Special.)—Miserable support so handicapped Doty in today's game that he stood no chance, the best Smith, the Bee finger, who held the Colts null.

All three of Victoria's runs were gifts, pure and simple. In the opening session two shots by Speas and an overture to first by McDowell put Victoria two up and in the eighth, with two already down, Meek was struck out, but the third strike filtered through Burch and Rawlings scampered in from third with the Bee's final count. Smith was never in danger.

Only in one inning did Portland get more than one man on base and on that occasion nifty fielding by Rawlings and Keller killed off the two runners. The feature of the game was McDowell's spectacular one-handed grab of Weid's smashing grounder in the sixth, which robbed Victoria of another run. Brooks being on second.

Temporarily, it was called the end of the sixth inning to allow the visitors to catch an early train to Boston. The scores: First game—R. H. E. R. H. E. Wash. 4 7 0 Cleveland 2 10 2 Batteries—Scheg, Johnson and Ainsmith; Gregg, Steen, Mitchell and O'Neil, Carisch.

THOMAS BUNDY ILL

Championship Doubles Delayed at Newport.

CLOTHIER SHOWS FORM

Former Champion Defeats E. P. Larned in Straight Sets in Exhibition Match—McLoughlin Still in Winning Class.

NEWPORT, R. I., Aug. 20.—Of the 169 aspirants for the National lawn tennis championship in singles, who were on the entry list yesterday, only 35 remained in the running when play closed yesterday. Although two scores of matches were played today, there were no unexpected results and the survivors are considered the pick of the American tennis players.

The National championship in doubles was to have been decided today, but Thomas C. Bundy, of Los Angeles, one of the challengers, developed a slight illness last night and the holders, Raymond D. Little and Gustave Touchard, of New York, generously requested a day's delay.

Instead of the doubles event, the committee immediately staged a lively contest in singles. Clothier, of Philadelphia, and Edward P. Larned, of Summit, N. J. Clothier won in straight sets, but every game was hotly contested.

The officials of the United States Lawn Tennis Association cabled today the British association that America would not be represented in the final matches for the Davis International cup, now held in New Zealand. Summary: Second round—A. H. Mann, Jr., Yale, won from E. H. Hickman, Los Angeles, 6-4, 6-3, 3-6, 6-3.

T. C. Bundy, Los Angeles, won from R. L. Bages, New York, by default. Baird and McLoughlin, San Francisco, won from F. B. Washburn, New York, 6-0, 5-1, 6-2.

M'INNVILLE TIGERS TAMED. Salem Team Trimmed Them Sunday by Score of 3 to 2.

M'INNVILLE, Or., Aug. 20.—(Special.)—The McMinnville Tigers journeyed to Salem Sunday to wrest the championship from the Capitol City boys, but because of a little hard luck due to Salem's slow grounds were defeated by a score of 3 to 2.

The game was crowded with features. Lefty Hewett, who pitched better ball than Baker, the Salem pitcher, seems to be a hard luck twirler. Hewett struck out 12 men and Baker nine, and each pitcher allowed six hits.

Baker and Courtney each connected with Baker's slants and drove them over the fence, completing the circuit for McMinnville.

Baird, McMinnville's first sacker, received a letter from Manager Dugdale, of Seattle, requesting him to report next spring for a tryout with Seattle. McMinnville fans are of the opinion he will make good.

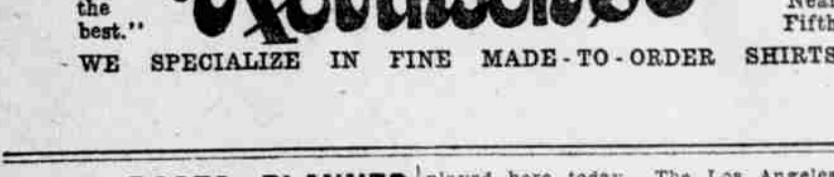

On two different occasions Hewett, with the bases full and no one out, fanned the next three men at bat. It seems odd some manager does not grab this boy Hewett, as he has everything on the ball and would, in a few seasons in fast company, develop into a great pitcher. It is believed, however, that McMinnville has a fast aggregation in the following lineup: Courtney, catcher; Hewett, pitcher; Baird, first base; Bishop, second base; Hogan, shortstop; Manning, third base; Houck, left field; Rogers, center field, and Adams, right field. McMinnville will play Sherwood at that place next Sunday. The batteries in Sunday's game were: Salem, Baker and Baker; McMinnville, Hewett and Courtney.

EXTRA RACES PLANNED

TWO AMATEUR EVENTS SCHEDULED FOR RACE MEETING. Polo Ponies to Compete—Portland Driving Club Members to Enter Horses in Special Contest.

The Portland race meeting of August 26-31 promises to present the most versatile speed programme ever seen in a race meet in the Northwest. In addition to the regular daily schedule of three harness and two running races, two amateur races, bringing the Club to a total of five, will be featured.

Members of the Riverside Driving Club, barred from a matinee last Saturday by inclement weather, plan to make the most of the special trot and pace scheduled by the Portland race management, and entries for the amateur events are large. Cups will be offered to the winners of these events, as well as the polo and Hunt Club honors.

The class A trot, the first amateur race, will be an opening-day feature, with the class A pace falling on Saturday, the last day of the big fall speed carnival. The entries for the two events follow: Class A trot—Jerry Zombro, J. J. Kaddery, Hallie C. D. Howitt; Zometta, Dr. A. G. Smith; Curcena, G. K. Howitt; Sweet Genes, J. M. Howitt; Light, C. W. Flanders; General B. Fred Brooker; Class A pace—Dick Hal, A. Bosch; Silver Maid, C. W. Todd; Jim Hill, G. K. Howitt; Miss Alameda, H. Drennan; Nutwood Pointer, A. Cooley; Chico, Anderson; Sadie T. A. Sebhos; Lightfoot, J. Merrill.

The County Club track, the scene of the six-day meeting, is in excellent trim for fast workouts and yesterday for the course was in constant use by both harness and running horses. Between 40 and 50 of the latter are quartered on the grounds, with others due before the week is over. The aviator billed to appear in daily flights during the race meeting, is back in Portland after a two-day exhibition at Pendleton.

CLARK GOES TO CHICAGO SOX. Mathes, ex-Colt, Is Released by Butte to Boston Americans.

CHICAGO, Aug. 20.—American League releases were announced as follows: To Chicago, by St. Joseph, catcher Des Gossert and pitcher, negotiating the second heat of the half-mile circuit in 1:12 1/2.

"My horse was the only Portland stevedore with a first up to the time I left," exclaimed Mr. Parker enthusiastically, upon his return from the north. "C. W. Flanders drove Helen Mistletoe and expects to place her in the Futurity at Salem."

"Mistletoe led easily in the first heat, but broke coming down the stretch and won only after a tight struggle in 1:17 1/2," the writer had an accident at the start and did not circle the course. The officials allowed this Canadian colt to enter the second heat, however, and the two horses finished almost a dead heat. Mistletoe was perhaps a nose behind, but the Judges gave my horse first money because the other had not gone the first round."

Mr. Parker says C. W. Flanders drew 14th in a list of 17 starters for Cantanara, so it's little to be wondered that the Portland favorite did not capture the purse.

NEW HAMPSHIRE RACES BEGIN. Branham Baughman Takes 2:05 Pace and Wins \$3000 Purse.

SALEM, N. H., Aug. 20.—Showers today made the attendance light at the opening of the grand circuit meeting at Rockingham Park.

"The Hub," for 2:05 paces, valued at \$6000, was the feature. "Long Shot" Cox, the New Hampshire driver, had the winner in Branham Baughman, famous as the biggest money-winner of all the races in 1911. He led all the way in each of the three heats.

Frank Murphy, of Sufield, Conn., won the 2:18 trot with Key Note in a handy way. Sam Wood, the Providence mare, scampered off with the initial heat and the contest from that point was to determine which of the field could drive out the winner.

CHIEF BONNER SENT TO SEALS. Athletics Keep String on Former Northwestern League Hurler.

SAN FRANCISCO, Aug. 20.—"Chief" Bonner, pitcher, who was playing in the Northwestern League when he was drafted for the Philadelphia team of the American League, with which he failed to make good, is reported by Manager William Reid, as having been signed for San Francisco by Manager William Reid.

Although he could not hold up on the Philadelphia team, Manager Connie Mack kept a string on him. Bonner is said to be on his way to San Francisco.

Train Late at Los Angeles. LOS ANGELES, Aug. 20.—No game played here today. The Los Angeles team failed to arrive.

HIGH SCHOOL BOY IN DEMAND. Coast League Managers Try to Sign Walter Walk, of Los Angeles. LOS ANGELES, Aug. 20.—(Special.)—Representatives of various Coast League clubs have been trying to sign Walter Walk, the Downey High School twirler, who won the suburban inter-scholastic championship this season.

Kumor has taken an agent for Walter McCredie in after Walk, but it is doubtful if he will sign until he goes through Occidental College. San Francisco offered Walk a chance to sign last season.

Hogan Releases Stinson. LOS ANGELES, Aug. 20.—(Special.)—One of Happy Hogan's last acts before departing with his team for San Francisco yesterday afternoon was to release outfielder George Stinson. The release was not a surprise either to Stinson or the fans, as it has been known for some time Stinson is not the player he was last season.

Empire McCarthy Faces Opposition. LOS ANGELES, Aug. 20.—(Special.)—"Jack" McCarthy, the umpire, was removed to the Clara Barton Hospital today and it has not been decided how long he will be operated on. Perle Casey, his brother umpire, and a number of ballplayers were at the hospital today to cheer up the umpire.

A Quincy (Mass.) boy persisted in chewing gum in the Holybrook Methodist Church, and the pastor forcibly ejected him. The pastor was tried for assault, but the Judge sided against the gum.
