

SENATE UPHOLDS PRESIDENT'S VETO

Commerce Court Retained in New Legislative Bill as House Passes It.

ADJOURNMENT NOW LOOMS

Decisive Victory Scored by Administration in Defeat of Democratic Plans—Leaders Think Executive Will Now Sign.

WASHINGTON, Aug. 22.—For the third time the House yesterday passed a legislative, executive and judicial bill over the veto of President Taft by a vote of 154 to 53, but in the Senate the effort to pass it failed, 34 to 27. As a result, the House amended the measure to provide a continuing appropriation for the Commerce Court until March 4, 1913, passed it and today it lies with the Senate appropriation committee with good prospects that it will pass the Senate.

Adjournment Is Nigh.

The solution of the deadlock between Congress and the whole White House is believed to have been found and as a result adjournment now looms appreciably near.

Taft Is Delighted.

Mr. Taft expressed his delight at the failure of the Democratic plan. No intimation was given at the White House as to whether the new compromise would be acceptable to the President, but Senate and House leaders are confident the measure will be signed.

Tentative Agreement Reached.

A tentative agreement was reached yesterday over the Army appropriation bill but the matter was reopened by the conferees. It is understood an agreement had been made affecting the eligibility of officers to the position of chief of staff, which members of the Senate objected to. A final agreement on the Army bill probably will be reached early today.

CONFERENCE COMMITTEE ON THE POSTOFFICE APPROPRIATION BILL HAD NOT REACHED AN AGREEMENT LAST NIGHT ON ALL POINTS OF DIFFERENCE, BUT IT IS BELIEVED THIS MEASURE AND THE INDIAN APPROPRIATION BILL WILL BE READY FOR FINAL ACTION THURSDAY OR FRIDAY.

CANOE UPSETS; MAN SAVED

Motorboat Occupants Rescue Ed Neppie Exhausted in Midstream.

Ed Neppie, age 19, clerk with the John Deere Plow Company, and who lives at 1163 Belmont street, was rescued when almost exhausted after his light craft had capsized opposite the Windmuth bathhouse, late Wednesday night.

Some of those near the scene thought young woman was in the boat, while the men who effected the rescue, H. L. Green and Leo Shapiro, say Mr. Neppie was the sole occupant.

Green and Shapiro, with a party of friends, had been out for a motorboat ride. They were putting the motorboat, the Busy Bee, owned by Ed Blumenthal, under cover for the night when they heard screams and cries for help.

GRAND JURY GETS CASE

Bay City Attempt to Kill Action Denied—Justice Has Hearing.

TILLAMOOK, Or., Aug. 22.—(Special.)—George H. Root had a hearing today before Justice Stanley on a charge of assault and attempt to kill Dr. J. P. Sharp, a dentist, at Tillamook. The trouble took place at Bay City yesterday, and grew out of an allegation that Sharp had given Root's daughter whiskey at Garibaldi on Saturday night. This Sharp denies.

Yesterday at noon Sharp bought a revolver in this city and with his attorney, S. S. Johnson, went to Bay City in an automobile to see the girl. Mr. Root saw them when they arrived there, and, picking up a gun which was in his office, went out and met them. He had no ammunition. Sharp had given the revolver to Johnson, which Root took from him, when Sharp, fearing that his life was in danger, took to the bushes, when Root fired three shots, Sharp alleging that one of the shots caused his head. They came to town and swore out a complaint against Root.

PORTLAND WOMEN WIN

Misses Campbell, Schaeffer and Fording Are Victors.

EVERETT, Wash., Aug. 22.—(Special.)—The second day of the Western

Washington tennis tournament brought a number of good matches today. The feature being the match between Miss Myrtle Schaeffer, of Portland, and Miss Waterhouse, of Seattle, in the women's singles. Miss Waterhouse won the first set, 6-2, playing in splendid form. Miss Schaeffer picked up in the second set and won 4-2. In the third set Miss Waterhouse started out brilliantly and had Miss Schaeffer 4-0, when the latter took the next three games straight. Miss Waterhouse won the next game, making the score 5-3. Then Miss Schaeffer pulled up the score and won four straight, winning the set and match, 7-5.

MULTORPORS TAKE LIFE

REPUBLICAN CLUB TO CONDUCT OLD-TIME CAMPAIGN.

Attractive Uniforms, Band and Drill Team Planned—Semi-Weekly Parades on Programme.

At a well-attended and enthusiastic meeting of old members of the Multorpor Club and other Republicans at the Courthouse Wednesday night, arrangements were made for the reorganization of the Multorpor Club as to start an active campaign in the interest of the National Republican platform and the Republican standard-bearers, President Taft and Vice-President Sherman.

The club, which has been seen on the streets of Portland on many occasions in the past, probably will be a much larger and more important organization this year than ever before, the membership at present being more than 100 and the arrangements as made for the club for a much wider campaign.

The club will select headquarters, purchase attractive uniforms, engage a brass band of 20 pieces and prepare a marching band and drill team. The plan is to have at least 200 members and a drill team.

Last night's meeting was presided over by C. M. Idleman and B. S. Pague acted as secretary. A committee which was appointed at a recent meeting of club members to prepare a report on the advisability of reorganizing made a favorable report which was adopted by unanimous vote amid an uproar of cheers and applause. The committee which made the report comprised John Gill, W. G. Steel, George T. Willett and Dr. Emmet Drake. A committee of five was appointed to select membership and to arrange for the organization of a working force at once. Membership will be limited to persons affiliated with the National Republican platform and President Taft and Vice-President Sherman. Membership can be arranged through the following persons named last night: M. L. Bowman, Board of Trade building; and Dr. B. E. Miller, Dekum building.

GIRL'S PICTURE IS CLEW

Police Land Man and Four Women in City Jail.

The photograph of pretty 26-year-old Mildred Monolank on his bureau top was the principal means of landing a man and four women in the City Jail last Wednesday night on three counts with a Federal charge hanging over him in addition.

The picture was the means of starting a police sergeant and Patrolmen Martin and Long on an investigation of Murphy, which disclosed, it is alleged, that he had opium in his possession, was the conductor of a disorderly house, and sold liquor without a license. The original of the picture, Miss Monolank is the basis of the impending Federal charge, one of white slavery.

Later the woman was arrested and held without bail on the advice of Federal authorities. She is thought to have been brought to Portland from Walla Walla.

MRS. BERNSTEIN IS FREE

Jury Deliberates 25 Hours Over Charge of Murder.

CHICAGO, Aug. 22.—Mrs. Florence Bernstein was found not guilty last night of murdering her husband, George Bernstein, last May 4. The jury was out 25 hours.

Upon hearing the verdict, Mrs. Bernstein sighed and rose to return to jail and obtain her belongings.

A few minutes later from the women's section of the jail came cheers and shouts of approval for the verdict. More than a dozen women were confined there awaiting trial on charges similar to those on which Mrs. Bernstein was freed.

Prisoner in Vancouver Will Come.

VANCOUVER, Wash., Aug. 22.—(Special.)—After compelling the Portland Police Department to secure requisition papers, Frederick L. Grosslight wanted in Portland for larceny by bailie, waived extradition. He was taken back to Portland today. Grosslight has been in the City Jail here for several days, having been taken from a train passing through the city from Portland.

ROOSEVELT MAKES DENIAL

Colonel Says Offer of Standard Oil Contribution Was Refused.

WILKESBARRE, Pa., Aug. 22.—An attack on Senator Penrose was made by Colonel Roosevelt last night after he had read the Senator's statement in the Senate. The ex-President quoted in letters and telegrams which he sent to George B. Cortelyou, chairman of the Republican National committee in 1904 to prove that no contribution had been accepted from the Standard Oil Company.

"Mr. Penrose and his allies and the entire crowd of crooked politicians and crooked financiers who are trying to make these attacks upon me," said Colonel Roosevelt, "have made them, and are making them not only knowing they are false, but because they are. At this time represent, are the only forces the crooked politicians and the crooked financiers of the country have ready to fear."

Pretty Mothers

Health is the foundation of all good looks. The wise woman realizes this and takes precautions to preserve her health and strength through the period of child-bearing. She remains a pretty mother by avoiding as far as possible the suffering and dangers of such occasions. This every woman may do through the use of Mother's Friend. This is a medicine for external application and so penetrating in its nature as to thoroughly lubricate every muscle, nerve and tendon involved during the period before baby comes. It aids nature by expanding the skin and tissues, relieves tenderness and soreness, and perfectly prepares the system for natural and safe motherhood.

BRADFIELD REGULATOR CO., Atlanta, Ga.

money should be returned at once. He wrote that "in view of the open and pronounced opposition of the Standard Oil Company to the establishment of a bureau of corporations, one of the most important accomplishments of my administration, I do not feel willing to accept its aid. I request therefore that the contributions be returned without further delay."

VAN VALKENBURG HAS REPLY

Penrose Said to Be Trying to Forestall Exposure as Briber.

PHILADELPHIA, Aug. 22.—E. A. Van Valkenburg, editor of the Philadelphia North American, who is with Colonel Roosevelt in Wilkesbarre, Pa., tonight, in response to a question of mine, he said he had at that time made this statement and his memory and mine agreed entirely as to the circumstances of the occurrence. If any contribution was received it was against my explicit and reiterated directions as set forth in these letters in response to which, as I have said, Mr. Cortelyou informed me that my directions would be complied with and no contributions accepted from the Standard Oil people.

"I tried unsuccessfully to force the Schuylkill County cases to an early trial. Before the politicians saw fit to give me a trial, their tool who swore out the warrants against me was sent to Sing Sing for five years for perjury. He was a detective by the name of Gray who had been arrested and conviction grew out of the celebrated Shady divorce case in New York City. Gibson was a vital witness in the Schuylkill County case against me. The loss of their chief witness left the politicians no alternative than to nolle-pross the case, which they did at the next session of court."

"The accusation that I paid \$1 or consented to have \$1 paid or had knowledge that \$1 was paid in the settlement of the costs of the case is untrue."

COMMON RATES DISCUSSED

Portland Men Talk Bar and Harbor Improvements at Astoria Also.

ASTORIA, Or., Aug. 22.—(Special.)—Common point rates and bar and harbor improvements were discussed tonight by members of the party from Portland.

Mr. Teal declared emphatically that Astoria was entitled to common point rates. He said, however, that the entire Columbia River basin was entitled to the privileges and Astoria merely an incident.

He scored the rate making policies of railroads as having for their basis a fallacy and an immoral principle in that they deny communities the rights to natural advantages entitle them to. Portland, he said, had nothing to fear by the common point privileges.

All business brought into the Columbia River would benefit Portland and every effort, at least, should be made to keep the business along the Columbia.

"You can't get away from trading with us and what harm can come to Portland if instead of 15,000 people do business with it, it has a city of 100,000."

Jackson argued for "open field, fair light and no quarter."

Major Melndoe explaining why the dredge was taken off the bar, said that experiments had shown that the river deposited the sediment faster than it could be taken away. When a fixed channel is had through north jetty, he would recommend putting it back.

HILLES CRIES PERJURY

SCHEME OF ROOSEVELT TALK IS DENOUNCED.

Effort to Capture Republican Organization in California Denominated as Dishonorable.

WASHINGTON, Aug. 22.—After a conference with Senator Works, of California, regarding the political situation in that state, Charles D. Hilles, chairman of the Republican National committee issued the following statement:

"Governor Johnson and his crowd are going to try to capture the title and emblem of the Republican party of California and has left the Republican party. Governor Johnson and his followers, under the election law passed this year, will make oath of their intention to support the Republican ticket, while as a matter of fact their intention is to vote for the candidates of another party. This is downright perjury.
