

HILLES AND FLINN MAY MAKE COMPACT

Taft Men Will Support Keystone Ticket if Roosevelt Electors Retire.

GOOD FAITH IS ASSUMED

Sole Objection to Roosevelt Manager's Pennsylvania State Ticket, Says Republican, Would Thus Be Removed.

NEW YORK, Aug. 28.—Charles D. Hilles, chairman of the Republican National Committee, issued a statement today covering the alleged agreement between Taft representatives and William Flinn, representing Colonel Roosevelt in Pennsylvania. Mr. Hilles said: "We have received a proposition from Mr. Flinn in which he has offered to withdraw the Roosevelt electors from the Republican ticket and substitute Taft electors in their places. The offer was made by Mr. Flinn in Philadelphia last week to Henry G. Wasson, Republican state chairman, and William T. Hilden, president of the Union League Club of Philadelphia." Mr. Hilles said that he was willing to erase the Roosevelt electors' names and replace them with representative Republicans who would vote for President Taft. He said that before any such compact could be made, the names of Roosevelt electors must be obtained from a Washington ticket.

FLINN WILL NOT BE IN HASTE

Pennsylvanian Says Outcome Will Depend on What Penrose Does.

PITTSBURGH, Aug. 28.—"Regardless of what Mr. Hilles or any of his associates think, we don't intend to jeopardize the success of our ticket through any undue haste," said William Flinn today.

"Just what we will do depends in a large measure on the plan of Boies Penrose to put an entirely new ticket in the field in opposition to the Washington ticket and the one regularly nominated by the Republican state convention. "We don't feel that there would be any use in having the Roosevelt electors resign from the Republican ticket if any such thing is attempted by Penrose."

CANAL VIEWS ON STAMPS

Olive for Peace and Palm for Victory Included in Scene.

WASHINGTON, Aug. 28.—A new two-cent stamp in commemoration of the Panama-Pacific exposition in San Francisco in 1915 was approved today by Postmaster-General Hitchcock.

It is about an inch wide and an inch and a quarter long. It bears an engraving representing the Gatun locks of the Panama Canal, showing a steamship emerging from the northern lock and another vessel being raised in the southern lock. In the middle distance is a group of tall palm trees and in the background rise the hills of the isthmus. Across the top are the words "U. S. Postage," and directly below the line, "San Francisco, 1915." In each lower corner is an olive branch, typifying peace; and balancing it on the right is a palm branch, indicative of victory and the tropics. No color has been selected for the stamp. The first issue will be on sale in a few weeks.

THIRD TICKET IS DOWNED

Vote in Clark County Is Decisive Against Lawrence's Plea.

VANCOUVER, Wash., Aug. 28.—(Special.)—Simultaneously with the calling to order of the Roosevelt Progressive county convention in the Courthouse here today peals of thunder resounded, lightning flashed and rain descended in torrents, while the chairman of the meeting, Charles W. Hall, introduced J. C. Lawrence, Roosevelt Progressive candidate for Governor, who argued that a county ticket be placed in the field. No county ticket will be entered in the race, the vote being 22 against and 14 for, a large number not voting. A mass convention will be held September 7 to elect delegates to the state convention at Seattle September 10.

CANADIAN PREMIER, WHO SAYS HE DOES NOT FEAR THREATS OF SUFFRAGETTES.

ROBERT L. BORDEN.

BORDEN IS UNMOVED

Canadian Premier Disregards Suffragettes' Threat.

LONDON, Aug. 28.—The Canadian Premier, Robert L. Borden, when he faced the suffragettes for the first time today, told them emphatically he had no power to introduce a general measure of suffrage for women in the Dominion of Canada and that no threats of employing militant methods would have any influence on him.

BILL NOT TO BE PASSED

Women in London Say on His Answer Depends Whether Militant Tactics Shall Be Used, but He Refuses to Meet Demand.

On Borden's reply, she said, would depend the advice the union would give its Canadian members and also the possibility of a militant agitation in Canada. Borden was very explicit in saying he had no power and no intention of introducing into the Dominion Parliament a measure for the enfranchisement of women. The question of the franchise she said devolved entirely on the nine Provincial Legislatures and the Dominion Parliament had no warrant to pass such legislation.

Militant Agitation Is Threat.

"I should like to say, with all respect, I think the Canadian women are capable of judging for themselves in this matter," said Mr. Borden. "No suggestion of the employment of methods of any kind will have the slightest influence." Borden later in the day received a deputation of members of the Anti-Suffrage League, which congratulated him on holding his ground against the Women's Social and Political Union.

Borden Stands Firm.

"We discussed social and political problems," Mr. Brandeis said, "and naturally the Sherman anti-trust law. We took up the La Follette-Lenroot bill, the Oldfield bill, and others, to amend the Sherman law, but concluded that none of these went far enough. I am a constructive statesman able to solve these problems, and I found him in accord with my view on the trust question. We talked about the defects in the third party platform. It was a talk about the best interests of the workingman."

The party made their headquarters at Maples Station, and it was from there that the hunting and fishing operations were conducted.

company had sold a car of lumber to I. W. Truet, a consumer at Osceola, Ia., according to the testimony of Mr. Elias. Receiver Ultimate End. After it became known that the Western Washington Lumber Company had sold to a consumer its business with retailers rapidly dwindled, said Mr. Elias, until early in 1910 it had entirely disappeared. The company had been doing a quiet business with contractors all along, the witness said, and as soon as it lost its yard customers it openly bid for contractors' trade but was unable to retrieve its lost fortunes, and in March, 1912, went into the hands of a receiver. Much correspondence was introduced between Mr. Elias, Mr. Loeb, and re-

"You may see by reading this speech that I cannot prepare one in advance," said the Governor. "I have got to have an audience and the warmth that comes as I get spoken with a stenographer and talk to him. It is like cruelty to animals."

PENROSE SHOULD BE EXPELLED, SAYS T. R.

Colonel Declares Senator's Own Testimony Is Enough to Disqualify Him.

MAIN FIGHT WITH WILSON

Prediction Made That Progressives Will Beat President in Pennsylvania "Good Deal Worse" Than at Primaries.

OYSTER BAY, N. Y., Aug. 28.—Colonel Roosevelt declared today that Senator Penrose, on his own testimony, should be expelled from the Senate. Colonel Roosevelt had maintained this position, he said, in the letter to Senator Clapp, chairman of the Senate committee investigating campaign contributions, which he is preparing. The Colonel made this statement after he had read from what purported to be an extract from Mr. Penrose's testimony before the Senate committee that he had advised John D. Archbold, of the Standard Oil Company, to make a second donation to the 1904 campaign, lest the company encounter difficulties in certain quarters. "Fight is With Wilson, Says T. R. Colonel Roosevelt said that his opinion this was an offer of protection from the Government in return for a contribution and that it did not differ essentially from the sale of police protection in New York. The real fight in the coming campaign, Colonel Roosevelt said, will be between himself and Governor Wilson. He expressed the belief that supporters of President Taft did not expect to elect him. The Colonel made this statement in discussing the situation in Pennsylvania. "We will beat Mr. Taft in Pennsylvania a good deal worse than we beat him in the primaries," said Colonel Roosevelt, "and personally I am convinced that we shall carry Pennsylvania without difficulty for the Progressive ticket. Here, as everywhere else, the fight is between Wilson and myself. The Taft supporters, as shown by the action of Messrs. Penrose and Archbold, have not the slightest idea of electing Mr. Taft. Moreover, they care little about it."

Penrose Fight Making Capital.

Colonel Roosevelt said his controversy with Senator Penrose was furnishing capital campaign material for him, such as the Lorimer affair gave him in the Spring campaign. The Colonel replied to inquiries as to why William Loeb, Jr., of New York, had kept silent on the matter regarding campaign contributions by saying that he had been reluctant to summon his private secretary into a controversy, but that when Mr. Loeb offered his aid he felt the time had come for him to tell everything he knew about the matter.

GOOD ROADS UP TO PEOPLE

\$3,000,000 Bond Issue in King County to Go on Fall Ballot.

SEATTLE, Wash., Aug. 28.—(Special.)—Following a whirlwind campaign which culminated this morning before the board in a body, the King County Commissioners today adopted unanimously a resolution agreeing to submit the question of a \$3,000,000 bond issue for trunk highway construction in King County to a vote of the people at the coming Fall election. At the conclusion of the session, during which at least a score of heavy property owners and representatives of organizations interested in good roads spoke, Commissioner M. L. Hamilton voiced the sentiment of his associates on the board by saying they stood ready to have the issue submitted to a vote of the people. A vote of the board was taken following a statement by Commissioner David McKenzie that he joined with Hamilton, providing it should be determined at a later meeting what share the city would be given in the money to be expended, and all three of the Commissioners gave their approval to the resolution.
