Hoppicking started yesterday in the larger or yards, where there were enough pickers complaint of a secretly of beip was almost general. Only one or two of the larger stowers had a full crew at work. The small yards are fairly well supplied, but on the whole probably not 50 per cent the usual number of pickers have been secured. Requiring from the earlier yards indicate that the crop will come down heavier than spected. Some of the dealers are now flucting on a crop of 115,000 bales, and there assimate even more. The quality of the simples coming in is generally good. No business in the new crop has been put through, aside from that reported at the joint of last week. California advices were of a firmer market in that state, with 18% outs to top pice it california. English cables reported the London mar-ket quict and unchanged and the Emgine-tion of the state at 320,000 to 330, 000 cwt.

Herr Barnhard Baumelster recently cal-ebrated the 60.h anniversary of his joining-the imperial Court Theater of Vienna. This is believed to be a record for any prayer, and as Baumelster is now S4 years old and still plays regularly on the same state, he is believed to hold the double distinction of being the oldest actor in Europe.
