The homecoming of the Colts for the final two weeks' stand of the Northwestern League season on the Yaughn-street grounds was observed in most fitting fashlon yesterday afternoon by Vancouver. Bob Brown's champions, bulwarked by the sensational pitching of "Lefty" Gervais, the lad sold to the Boaton Nationals for \$1800, opened the series with a 3-0 victory over Nick Williams' second divisioners.

rvals twirled one of the best games of the season before an undemonstra-tive and diminutive opening-day crowd. He held the Colts to four hits, and durhe held the Colds to four hits, and dur-ing his nine innings of incumbency al-lowed not a Colt to reach third base, only three to reach second, and but six to reach first. Only 31 men faced him during the muddy affray.

Champs Bunch Hits. Had "Pat" Eastley been equal to the task of sprinkling the eight Vancouver hits over as many innings he might forced the 1911 champs into an extra-inning tussel. However, his arm proved weaker than his determination, and the bunching of three hits, a walk, a balk and a double steal gave the Canucks three tallies and the game.

The sixth inning opened, as had three of the previous ones, with the first Vancouverite up reaching first. But, unlike the former occasions, when tight work had staved off defeat, the RALLY BY SENATORS NIPPED third, and then the fourth an also reached that point of vant-

age.

Bennett was walked. Then Goodman bunfed to Eastley and beat the throw. Eastley walked to his station, but decided to throw to first in an effort to eatch Goodman. Williams had hiked toward the batter's box prepared for a sacrifice bunt, and no one was at the bag to recolve the ball. The resultant balk advanced the runners.

Kippert's Work Effective. Frisk, who had fanned twice before, singled to left, scoring Bennett. Kippert then doubled to left center, scoring Goodman. Frisk pulling up at third. Brinker grounded out to McDowell, Frisk being held at third. Scharnweber hit to Coltrin, who pegged Frisk out at the plate. "Scharney" and Kippert then pulled off a double steal, Harris making a low toss to second which went through McDowell. Sepulveda ended the inning by popping out to Coltrin. Frisk, who had fanned twice before

## Notes of the Game.

Notes of the Game.

The batteries for today will be Schmutz or Willis for Vancouver and Bloomfield or Dely for Fortland.

Eastley had a hard time setting the first man up in the spuning inning. James hit to Williams, Nick tessing the ball to the pitcher. "Pair slipped in the mud and just secovered his equilibrium to time to fall over the bag in advance of the runner.

Speas was called out on a close decision at second. He attampted to stead in the fourth and to the crowd he was safe by a fair margin.

Eastley walked five men during the same but barring that fatal sixth inning he pitched soed ball.

Features were few. Cralkshank made a presty stop and peg to first. Frisk caught Coltrin's fly with one hand but shed caught Coltrin's fly with one hand but shed caught Coltrin's fly with one hand but shed caught they fly and managed to get one hand on the ball. However, he was not in position to hold it and Frank speeded to second.

Toots Agnew the new Colt pitcher, it and to the content of the coltrin of the first service.

Housman, the Cult infielder, has returned to his home at Succraments. He became Ill at Scattle and was sent home until 1912 training season.

MISSOULA WILL WIN PENNANT Union Association Race Decided Week Before Season Ends

MISSOULA, Mont., Sept. 3 .- Missoula last in the 1911 race for the pennant in the Union Association, will win the pennant this year with the other clubs finishing in the following order: Salt Lake, Great Falls, Ogden, Butte and Helena. The season will end next Sunday, but the result practically was settled today, when Ogden defeated Salt

Lake.

The Missoula club acquired a commanding lead early in the season and never experienced a serious slump. The club went through the season without a single change in its lineup, with the exception of its pitching staff.

Two pitchers, Zarloch and Bush, carried the team through the greater part of the race. Both of these players have been sold to American League teams, Zamloch going to Detroit and Bush to Philadelphia.

Eastley was the first Colt to hit safely, the pitcher sending a long fly to center-fleid fence for two sacks in the third inning. However, two men were gona at the time and the clouting effort was in vain. Cruikshank opened the fifth by walking, and went to second on Harris' sacrifice, but he died at that station. In the eighth Harris singled sharpity over center, and Brown sent a relief pitcher gut to warm up. However, the next three men were out in lig time, and a ninthinning Colt rally fizzled dismally.

Manager Rates Vancouver's
Pennant Chances High.

While the schedule calls for only six games this week, one double-header and probably two will be played, the games being postponed from the last Vancouver series in the north. Brown is willing to play one double-header, while the second is not yet settled upon. Brown and Waikins are trying to switch the Tacoma-Vancouver, instead of at Tacoma and Seattle. If this is consummated it will be necessary to start a Sunday double-header here about 1:30 o'clock, with a time allowance for the second game, in order that the Canucks may reach Vancouver in time to open on Monday.

Mutnomah Anglers Transplant in Fertile Waters Many Young Fish. One million and a half bass minnows

One million and a haif bass minnows have been saved from death and transplanted to fertile waters by the crew of men sent out by the Multnomah Anglers' Club. This is the estimate furnished by a prominent official. Countless thousands have been caught marooned in shallow ponds in the Columbia Slough region by the receding of the high water and these are being scooped out and liberated in Oswego Lake and in the river at the rate of 20,000 to 30,000 per day.
