

### INJUNCTION TO BE ESTEY'S WEAPON

#### Governor West's Special Prosecutor Outlines Plans for Vice Crusade.

Mr. Esterly said that the injunction, followed by charges of contempt of court against those who fall to obey, is the weapon which will be used by H. M. Esterly, Governor West's special prosecutor, in his efforts to remedy vice conditions in the city. This remedy will not be brought into play, however, he announced yesterday, until after owners of property in use for immoral purposes have been given a reasonable opportunity to clean up. Notices are now being mailed to them, Mr. Esterly said.

### KEEP THE CHILDREN'S BOWELS CLEAN NOW

If Tongue Is Coated, Stomach Sour, Breath Fervish, Bowels Clogged, Give "Syrup of Figs."

Children dearly love to take delicious "Syrup of Figs" and nothing else cleans and regulates their tender little stomachs, liver and bowels so promptly and thoroughly.

Children get bilious and constipated just like grown-ups. Then they get sick, the tongue is coated, stomach sour, breath bad; they don't eat or rest well; they become feverish, cross, irritable and don't want to play. Listen, Mothers—for your child's sake don't force the little one to swallow nauseating castor oil, violent calomel or harsh irritants like Cathartic pills. A teaspoonful of Syrup of Figs will have your child smiling and happy again in just a few hours. Syrup of Figs will gently clean, sweeten and regulate the stomach, make the liver active and move on and out of the bowels all the constipated matter, the secretions, the foul, clogged-up waste and poisons, without causing cramps or griping.

With Syrup of Figs you are not dosing or inducing vomit in children. Being composed entirely of luscious figs, senna and aromatics it cannot be harmful. Full directions for children of all ages are given on the wrapper. It is the genuine old reliable. Refuse anything else offered.

"I do not intend that this campaign shall flash in the pan," said the special prosecutor yesterday, in the course of an interview in which he gave a brief outline of his plan. "My idea is to get permanent injunctions against the owners of disorderly houses, joining the lessees and inmates as defendants. Then if these injunctions are disregarded the defendants will be cited for contempt of court and fined or jailed, as may seem just in the wisdom of the court. There will also be the added undesirable publicity."

### PROPERTY OWNERS GIVEN CHANCE

"We have already found out that there are hundreds of places in the city more or less given over to immorality, known or unknown by the actual owners. I believe that in many instances the owners are innocent of intentional wrongdoing, although sharing in the profits of vice. My idea is to get permanent injunctions against the owners of disorderly houses, joining the lessees and inmates as defendants. Then if these injunctions are disregarded the defendants will be cited for contempt of court and fined or jailed, as may seem just in the wisdom of the court. There will also be the added undesirable publicity."

"I am not a candidate for any public office and do not wish my motives to be misunderstood. I am in this thing as a result of a sincere desire to assist in making the city morally better and for this reason I hope and believe that the good citizens of Portland will aid in every way possible.

"I am going to use publicity as a weapon against property owners who never it will help and whenever the public interest will, in my judgment, be best subserved by acting first and talking afterwards. I do not intend to conduct the only hope of lasting benefit from this campaign lies in careful management. The way to get people to doing things is to think and act, and seeing the necessity for change."

### WRONG TARGET IS STRUCK

Young Marksman at Practice Hit Chinaman With Bullet.

On complaint of Ah Tong, a Chinese, who suffered a bullet wound of his scalp, three youths were arrested yesterday at Twenty-third and Commercial streets by Patrolmen Bales and Bewley and are held under \$150 each on a charge of assault with a deadly weapon. The defendants are: P. A. Unverferth, 24; William Hodocier, 22, and George Collins, 18.

The three youths were shooting at a target in the back of a oyster-house, just across from the Hill Hotel, when a stray bullet entered the basement of the hotel and struck the Chinaman just over the eye, inflicting an ugly but not serious wound. The police notified the police station and the officers found the young men still with the weapons in their hands.

### BURGLAR FOUND IN HOME

Chehalis Woman Interrupts Intruder—He Escapes With Valuables.

CHEHALIS, Wash., Sept. 11.—(Special)—One of the boldest daylight robberies ever committed in Chehalis was interrupted and partially accomplished this afternoon at the home of John West, a Chehalis grocer.

As Mrs. West returned home about 4 o'clock, she found a suit case belonging to her maid in the middle of the dining-room floor. After a search of the house a well-dressed young man was discovered in the kitchen. When he saw Mrs. West he left the suit case and ran, but kept two diamond rings and a watch valued at \$200, belonging to Mr. West. The suit case contained a suit of clothes and some stationery.
