Women From Forty-Five to Fifty Are Much Benefited by Lydia E. Pinkham's Vegetable Compound.

The "change of life" is a most critical period in a woman's existence, and the anxiety felt by women as it draws near is without reason. When her system is in a deranged condition, she may be predisposed to apoplexy, or congestion of some organ.

Mrs. Estella Gillispie

ONE CASE OUT OF MANY TO PROVE OUR CLAIMS. St. Anne, Ill.—"I was passing through the change of life and I was a perfect wreck from female troubles. I had a displacement and bearing down pains, weak fainting spells, dizziness, then numb and cold feelings.

Lydia E. Pinkham's Vegetable Compound is prepared to meet the needs of women's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system.

MALARIA-BLOOD POVERTY

Malaria is a species of blood poverty known as Anaemia, the circulation becomes so weak and impure that it is unable to supply the system with sufficient nourishment and strength to preserve ordinary health.
