Appropriate Exercises Mark Dedication of New Park at Opening of Fair.

AWARDS VALUED AT \$3000

Exhibits of Agricultural and Dairy Products Are Exceptionally Good. Prize-Winning Stock of Various Strains Are Shown.

GEARHART, Or., Sept. 12.—(Special.) Clatsop County's second annual agricultural fair is now in full swing at the recently-acquired grounds in Gear, hart Park and will continue until Sat-The weather conditions for the opening day were ideal a large crowd of spectators was in attendance and the exhibits are among the finest ever shown in the northwest section of

the state.

The fair was opened this morning with appropriate exercises for dedication of the grounds, including short talks by President Rees and other members of the fair board, after which the people were given an opportunity to visit the exhibits and the judges immediately began their work of awarding prizes. All of yesterday large forces of men and women were busily engaged in arranging the expension. his in the country and the Lower Columbia River district.

bia River district.

The exhibit of livestock is an espe cially fine one, including cattle, horses, sheep and hogs of all the fancy breeds. Among the animals on exhibit are several which have taken prizes at various other fairs on the coast.

Prizes Valued at \$3000. An excellent premium list has been prepared and a total of approximately \$2000 is to be awarded in prizes. These

\$2000 is to be awarded in prizes. Incestinctude a number of special purses, as well as cups offered by private individuals, firms and corporations. There will be a paper chase on the beach, Saturday, in which several members of the Portland Hunt Club will participate and it is also expected that some of the local riders will take part. The course local riders will take part. local riders will take part. The course will be three miles in length and will be obstructed with a few hurdles about three feet in height. The prize will be a cup, given by the Gearhart Hotel management.

Clackamas County Fixes September 26 as Date for Celebration.

OREGON CITY, Or., Sept. 12.—(Special.)—One of the big drawing features of this year at the Clackamas County Fair will be German day, September 25, when an excellent programme will be in charge of Gustave Schnoerr and O.E. Freyering, During the Asy, the O. E. Freystag. During the day the Hubbard band of 20 pieces will furnish music. Many of the German societies of the state will be in attendance. There will be races and baseball and other entertainments, and a

ball and other entertainments, and a monstrous barbecue and potato bake from 12 to 2:30 oclock.

The races will be among the features, as well as the programme furnished by the German societies. There will be a fast trot, pacing and a mile run, and the Ciackamas County horses will be on for mixed races, this being free-for-all. This will be exclusive for Clackamas County horses, and track clackamas County horses and the clackamas county horses are under arrest to place the men who resisted arrest, H. Z. Strand, City Marshal and salconman of Harney City, 18 miles from Burins, was shot and killed there yesterday. James Bucklin, Otto Lowell and Burbank Clay are under arrest as a result.

In the battle, which occurred when clack county horses, and track clackamas county horses, as well as the programme furnished by the county have a county horse.

DIETZ FINDS NEW ABODE

Son of Cameron Dam Defender Nov Resides at Wedderburn, Or.

WEDDERBURN, Or., Sept. 12 .- (Spe cial.)—Clarence Dietz, son of John Dietz, of the famous Cameron dam Wisconsin, is new living in burn and employed at the mil Wedderburn and employed at the mill of the Wedderburn Trading Company of the Wedderburn Trading Company, Some of the local people doubted visions of the vagrancy law passed by whether the Mr. Dietz here was the only surviving son of the Dietz family in that long-drawn-out battle with the lumber company and authorities in Wisconsin, but Mr. Dietz puts in evidence developed the wisconsin, but Mr. Dietz puts in evidence developed the sentenced. The evidence developed the sentenced ankle, three fingers with bullet marks a breastbone which has been shot in splinters and four upper teeth missing. He also has about a half-dozen other marks on his body ficer.

where bullets struck him which, to-gether with fils interesting narratives of the battles there during the nine years from 1961 to 1916, should con-vince the most skeptical that he was

in those fights.

Clarence Dietz is not yet 29 years old, but he is prematurely gray and looks to be past forty. He was scarcely eighteen when the trouble first began there, and he says the worry made an old man of him before his boyhood days were over. He has not lost his ability to shoot yet, as he can kill a digger squirrel with a revolver at a distance of 75 to 100 yards at nearly every shot. His steel gray eye would indigate a cool nerve in presence of indicate a cool nerve in presence of danger. He is of a friendly disposition and does not hesitate to talk about the family fight to hold the Cameron dam in any or all of its details. Mr. Dietz

Southern Pacific President Talks to Passenger Men at Seattle.

PUBLIC'S CONFIDENCE NEED

Traffic Officials in Annual Convention Hear Reports and Attend Banquet-Ticket Reform Is Recommended.

SEATTLE, Sept. 19 .- The address of William Sproule, president of the Southern Pacific Company, on the relation of the general public and the rall-ways was the principal event at to-day's session of the 57th annual convention of the American Association of Passenger and Ticket Agents, the con-vention devoting the rest of its time to the consideration of technical reports and communications from other as-sociations. Tonight the visiting rall-way men were entertained at an elaborway men were entertained at an elaborate banquet. The convention will conclude its business tomorrow with the election of officers and the selection of the place of the next meeting. It has already been decided to hold the 1915 convention at San Francisco.

W. F. VanBuren, auditor of passenger accounts of the Chicago & Northwestern Railway, urged the adoption of simpler forms of through tickets from the east to the west as

tickets from the east to the west as more convenient for the railroads and the passengers. A resolution favoring this suggestion was adopted.

Baggage Regulation Wanted. E. B. Carson, general passenger agent of the Southern Pacific, read a paper on the problems confronting the bag-gage department and urged the standardization of the regulations covering the free transportation of bag-

E. L. Bevington, secretary of the Transcontinental Passenger Associa-tion, read a paper of the "See America first" movement advocating organiza-tion to promote the movement as the only way results could be accomplished. Sproule, in his address, spoke for more friendly relations between the

general public and the railways.

"In the broad sphere of management as related to the general public," he said. "we are entering upon a new era.

"Under the present system of governmental control, the relations of the OFFICER FIGHTS TO END
