HOTEL CHECKER VICTIM

MAN SAID TO HAVE BEEN MISTAKEN FOR JOE MARTIN.

W. W. Kofeldt Becomes Conscious With Chloroform Towel Over Face and Men in Room.

Attempt to murder him by the use of chloroform, under the mistaken impression that he was another man, was reported to the police by W. W. Kofeldt, a checker at the Multnomah Hotel. John Martin, an organizer for the Bootmakers' Union, is believed to have been the intended victim of two unknown men whom the detective is seeking. Martin says that his life has been threatened frequently.

Kofeldt told Deputy District Attorney Hennessey yesterday that he retired to his room at the Stratton rooming house, 52 1/2 Third street, about 4 o'clock Tuesday evening, and dropped asleep. Later, how much later he does not know, he was awakened by a feeling of suffocation, and found a towel, soaked with chloroform, pressed over his face. He became conscious of two men being in the room, and grappled with them.

COUNCIL TO TAKE HAND

VICE COMMISSION WILL BE QUERIED AS TO PLANS.

If Members Have No Remedy for Conditions Further Usefulness Is Questioned.

Has the Portland Vice Commission further excuse for existence? This is the question which will be propounded to the members of that body soon for at the next meeting of the City Council Mayor Rushlight will be asked to appoint a committee of three to meet with the vice commissioners and inquire into their future plans, etc., which would be an excuse for further investigation.

WITNESS SHERIFF'S GUEST

Effort Being Made to Find Agency Responsible for Departures.

Alleged efforts to interfere with the conviction of Sam Krasner, charged with extortion, by prevailing upon the witnesses to leave the city, were blocked in Municipal Court yesterday when Max Wagman, one of the two men who are alleged to have paid Krasner \$40 as protection from police interference, was turned over to the Sheriff's office. Wagman will be placed under heavy bond.

FLOWER SHOW PLANNED

INTEREST TO BE REVIVED IN FLORAL CULTURE HERE.

Three or four exhibitions yearly projected by society, with first next November. Opening with a chrysanthemum show early in November the Portland Floral Society plans to give new life to floral culture in Portland with three or four comprehensive flower displays each year.

YOUTH RECEIVES PAROLE

Eddie White Pleads Guilty to Having Shot T. W. Malloy.

Without notifying Deputy Sheriff Bulger, who made the arrest and handled the case throughout, Deputy District Attorney Page, Monday, recommended to Judge Morrow that Eddie White, a youthful offender, be allowed to plead guilty, be given a light sentence and paroled. This was done. The trial had been set for tomorrow and Bulger had spent a great deal of time and energy hunting and subpoenaing witnesses.

"SYRUP OF FIGS" FOR INDIGESTION, BILIOUSNESS AND CONSTIPATION.

Better Than Castor Oil, Calomel or Cathartics to Cleanse Your Stomach, Liver and 30 Feet of Bowels—Harmless Laxative for Men, Women and Children.

Primitive folks did not need laxatives. They lived outdoors, ate plenty of fruit, and all of their food was coarse. We modern people are different. We exercise too little, eat little fruit, and our food is too fine—too rich. We simply can't have our ten yards of bowels clogged up, liver choked with sour bile and stomach full of foul effete matter and feel well. It means that the food and waste retained in the stomach and thirty feet of bowels ferments—decays. The decay creates poisons, gases and acids, and those poisons are sucked into the blood through the very ducts intended to such in the nutriment. Then we have sick headache, become dull, bilious, tongue coated, nervous, meals don't digest, and we feel miserable all over. So we must make our choice.
