

# KILBANE IS WINNER

O'Keefe Outpointed in Ten-Round Bout at New York.

## KILBANE UPON AGGRESSIVE

Although Opponent Draws First Blood, He Leads in Fighting From Start to Finish of the Engagement.

NEW YORK, Sept. 19.—Johnny Kilbane, of Cleveland, champion featherweight pugilist, outpointed Eddie O'Keefe, of Philadelphia, in their ten-round bout at Madison Square Garden tonight.

Kilbane weighed in at 125½ pounds; O'Keefe at 121½. In the opening round O'Keefe, with a left jab, started Kilbane's mouth bleeding, but Kilbane was nearly always on the aggressive, landing left jabs to the face and left and right hooks to the head, and occasionally sending in a right half-uppercut to the body. At long range he was always better than the Philadelphian.

O'Keefe got to Kilbane's body several times and reached the face with his left, but Kilbane's clever blocking saved him from many licks to the face.

### WOLGAST READY FOR FIGHTS

Little Champion Willing to Defend His Title Thanksgiving Day.

LOS ANGELES, Cal., Sept. 19.—Ad Wolgast, champion lightweight, is willing to meet anyone in his division on Thanksgiving day, according to a message Manager McCarey, of the Vernon Club, received from Tom Jones, Wolgast's manager, today. Jones said he would prefer holding the match in Los Angeles.

McCarey at once started to find an opponent for the champion. Mandot, Ritchie and Rivers are mentioned, but McCarey made no formal announcement. It was understood that of the three fighters mentioned, Rivers was most favored.

### AUTOS PUT TRACK IN SHAPE

Milwaukee Car Owners Driver Over Race Course and Dry It Up.

MILWAUKEE, Wis., Sept. 19.—Community co-operation won over adverse weather conditions at the Wauwatosa race course today and put an apparently hopeless roadway into fit condition for running tomorrow's preliminaries in the Vanderbilt cup automobile race programme.

W. R. New of the Milwaukee Automobile Dealers' Association proposed that every person in town who owned a machine drive around the eight-mile course.

By 1 o'clock there were 500 cars speeding around and around the course. By 2 o'clock this number had increased to 500. Before sunset a throng of Milwaukee's several thousand automobiles were entered in the drying up marathon.

### DIRIGIBLE GOES OVER SEAS

Zeppelin Hansa Travels From Hamburg to Copenhagen.

HAMBURG, Sept. 19.—The Zeppelin dirigible balloon Hansa made an over-sea voyage to Denmark and Sweden today, visiting the Danish capital and Malmö, a Swedish naval port. The voyage occupied 13 hours, which included a landing at Copenhagen for luncheon.

The fastest train between Hamburg and Copenhagen runs the distance in nine hours. German military experts point out that the air voyage was far more difficult than a flight from Cologne to London.

### Willamette Football Schedule Out.

WILLAMETTE UNIVERSITY, Salem, Or., Sept. 19.—(Special.)—The Willamette University football schedule will be as follows: Alumni game will open the season; Willamette vs. University of Oregon, at Eugene, October 12; Willamette vs. Chemawa Indians, at Salem, October 19; Willamette vs. Whitworth College, at Salem, November 21; Willamette vs. Vancouver Soldiers, at Salem, November 5; Willamette vs. University of Puget Sound, Tacoma, November 16; Willamette vs. University of Montana, Salem, Thanksgiving day.

Games will be arranged with Pacific University at Mount Angel College, but the dates are not set. For the first time in years Willamette will not meet the Oregon Agricultural College. This is due to the attitude of Dolan, of the "Aggies," who refuses to consider a game with Willamette. It is believed here that this is due to the near defeat that Dolan's team received by the Methodists last year.

### Amateur Athletics.

The Oregon Soccer Football Association will be re-organized at a meeting to be announced shortly. All teams wishing to become members of the association should communicate at once with J. A. Adleman, 66 Sixth street.

There are spaces in the schedule for two more teams and any teams wishing to join the organization in an endeavor to land the handsome trophy should send their managers to the meeting Saturday night.

The Timms-Cress baseball team will play Estacada at Estacada Sunday, for the second time this season. The Portlanders met them in the first game played by the Timms-Cress team in 1912. The painters took that game.

### Baseball Injuries Fatal.

CLARKSTON, Wash., Sept. 19.—Ernest Rasmberg is dead at his home here following injuries received last Sunday in a ball game at Lewiston, Idaho. Rasmberg in sliding to a base collided with another player. One of his legs was broken and he suffered an injury to his spine which resulted in a blood clot at the base of the brain.

### Swimming Record Is Broken.

GLASGOW, Sept. 19.—J. G. Hatfield, the English swimmer, who was one of the competitors in the last Olympic games, broke the world's swimming record tonight at 1000 yards. He covered the distance in 13 minutes 19.1-5 seconds. The previous record of 13 minutes 20.3-5 seconds was made by C. M. Daniels in 1907 at New York.

### Chemawa to Have Eleven.

CHEMAWA, Or., Sept. 19.—(Special.)—From the present indications the Chemawa Indians will have a fast football team this season. Edwin A. Smith, formerly a player on the famous Carlisle Indian team, will coach the team.

### Sporting Sparks

A Nashville editor has addressed letters to 300 editors in the South asking them to bar Jack Johnson's name from the newspapers. He asserts that in marrying the white woman who killed herself, the negro affronted every white woman and "defeated the purpose of the Caucasian race." He asks that no publicity be given the movement because publicity would defeat it.

Four varsity captains have not returned to school at Washington University. Fred Sparger, who was chosen to lead the football team, is in the concrete business with his father; Ira Courtney, captain-elect of the track team, is in the law office of his brother in San Francisco; Karl Staatz, leader of the basketball team, will enter Michigan; and Jack Johnson, star twirler on the ball team, is doing steel construction work in Utah.

Higginbotham's Josh on Happy Hogan recently, when he caused the Vernon boss to tag up to Sacramento from San Francisco with President Baum to protest against his trade to Los Angeles, recalls a joke Hogan's friends played on him up here the week previous. Larry Mosselle, an Eastern baseball man sojourning in the city, rang Hogan up at the Multnomah Hotel one afternoon, informed him it was Dr. — speaking, and that Roy Brashear, a ball player, was in the City Hospital with a broken leg. Hogan hastened to the mecca of the malmed only to discover that he had been victimized.

Irving Higginbotham, Beaver twirler, says Outfielder Patterson, of the Oaks, will have to remedy one batting weakness if he hopes to stick with the St. Louis Americans next year. Higginbotham explains that the drafted .300 batter cannot hit a curve on the outside of the plate, and that as soon as the big leaguers get wise to him they will have him on the hip.

Welcome home, Lena! That's what the Chicago fans will be warbling next Spring, for Russell Blackburn, ex-Chi-

ago American shortstop, has been drafted from Milwaukee by the Chicago Cubs. Blackburn was shunted to Milwaukee only a few weeks ago, going with Catcher Block in exchange for Catcher Schalk. Buck Weaver got his job this year with the Sox. Chance will groom Blackburn to succeed Tucker when the ex-Portlander gets old and feeble.

Charles Babb, boss of the Reading Tri-State League team, is visiting relatives in Portland. Babb will remain two or three weeks.

Chairman Haney, of the state committee, said yesterday that the selection of speakers who would be sent to Oregon by the National committee had not been decided finally. It is reasonably certain that Representative Henry, of Texas, and Senator-elect James, of Kentucky, will be assigned to this state. It is also possible that Governor Marshall, the party's Vice-Presidential nominee, may make a western tour which will include Oregon. But the dates for none of the speakers have been announced.

In their state campaign, the Democrats will have the assistance of the following speakers: Senator Chamberlain, ex-Senator Gearin, C. E. S. Wood,

John H. Stevenson, C. C. McCulloch, of Baker, and Walter M. Pierce, of Union.

### RAZOR SCRATCH IS FATAL

Blood Poison From Cut on Thumb Kills ex-Portland Boy.

LEBANON, Or., Sept. 19.—(Special.)—Blood poison resulting from a slight razor cut on the thumb yesterday caused the death of Roy B. Wiley, age 24, a young business man of this place. The fatal accident occurred about a week ago when Mr. Wiley was shaving. As the cut was apparently insignificant, being hardly through the

skin, little attention was given it. Two days later the thumb began to swell and a physician pronounced it a rapid case of blood poison. The effect soon spread throughout the body.

Mr. Wiley had lived in Lebanon for a number of years, except for about three years, when he was in Portland in the employ of the Laue-Davis Drug Company. For the last three years he had been proprietor of a drug store in

Lebanon. He was a son of Mr. and Mrs. J. M. Wiley. He leaves a young widow, to whom he was married a year ago.
