Offerings Better and Bigger Than Ever Before Are Planned for This Second Week.

Wm. F. Read's Dress Goods--Smart New Fall Weaves

THEY'VE been asked for by name for over half a century—the high-grade Dress Goods of William F. Read & Sons. And here in our first floor section is the most interesting and comprehensive showing in the West of smart, new Fall weaves.

Women have but to see them, note the high-grade, flawless quality, the perfection of weaving and the rich new Fall color tones, to appreciate that the most modish of apparel can be fashioned from them. Visit the section today and ask to be shown our Wm. Read

Dress Goods. Just a mention here of some of the new weaves

Read's Allwool Serge

Worthy of special mention is this splendid all-wool Serge, made of fine Australian wool, every yard of it, and many women have agreed that it's equal in appearance and durability to many imported fabrics sold as high as \$2.50 a yard.

Read's all-wool Serge is full 50 inches wide. Complete line of colors to choose from. Our special price, yd. **\$1.50**

Heavy Tailors' Serge

Safe to say there's no better quality Tailors' Serge produced to sell at \$1.75 a yard than this special number of the famous Wm. Read make. Unequaled in its wearing quality and perfection of weaving. Of a heavy, hard finish, especially desirable for tailored suits and coats.

Full 56 inches wide. In all staple colors. Read's Tailor Serge at, yard **\$1.75**

The Wide Wale Serges

Destined for greater popularity than any previous season are the wide wale serges and English finish whipcords, and these of Wm. Read & Sons are particularly handsome and durable.

Made of long, clean combed, hard spun Australian wool—in all the new Fall shades, solid colors and attractive two-toned colorings. 50 to 56 inches wide. Priced at, yard, **\$1.50 to \$3**

Read's Famous Lansdown

Read's beautiful Lansdown needs no introduction to Portland women, since for years and years it has been one of the favored fabrics for afternoon and street costumes. Rich, soft weave, combining the lustrousness of silk and the wearing qualities of wool.

Every color is here for your choice. Read's Lansdown is priced, yard **\$1.25**

Read's Cream Wool Serges

Known by women everywhere for their beauty of texture, perfection of weaving and unequalled wearing qualities are the elegant Cream Serges of the famous Read make.

The most stunning of dresses, suits, coats, etc., are fashioned from them. From 44 to 56 inches wide. From \$1 up to **\$2**

New Illuminated Cheviots

Of excellent quality are these medium-weight illuminated Cheviots. Splendid for street costumes or for tailored gowns. Women who wish the cheviot weave will do well to choose the finely woven weaves from the Wm. F. Read & Son's factory.

Complete array of staple shades. Full 46 inches wide. Special at, yard, only **\$1.50**
