Mail Orders Filled

Hundreds of people from every state west of the Rocky Mountains order Underwear, Socks and Overshirts through our mail order department. The fact that the same people order year after year proves it's good to order from us.

This year we need the business, and just at the time men most need warm underwear and all the things necessary to keep themselves warm we offer a rousing sale in both our Woolen Mill Stores of underwear, hosiery, woolen shirts, sweater coats, and in fact dozens of articles made from fine wool. This sale does not happen by chance. We plan for the entire year to give our friends big bargains in our October Woolen Goods Sale; it's premeditated, and the mills at Brownsville, Salem and Eugene, Oregon, are guilty with us inasmuch as they save for us all small lots and ends of lines that they discontinue to make, and we close them out now at about half price.

Men's \$1.25, \$1.50, \$1.75, \$2.00 **95c**
Wool Underwear, the Garment

A startling reduction made possible by the fact that we are discontinuing to handle, in our regular stock, a half dozen or more styles, because we cannot fill in sizes on account of the mills stopping the making of them. A speedy disposition of those on hand is desired, hence we have grouped the entire lot on a separate table, where you can help yourself, as long as they last, at this mammoth reduction. Values up to \$2 for only **95c**

Closing Out All Blankets
