

CITY WOULD SAVE MONEY, SAYS MAYOR

Commissioner Favored by Rushlight on Grounds Chiefly of Economy.

RESPONSIBILITY IS FIXED

Public Affairs Could Be Conducted as Private Concern Would Do Business and With Proper Departmental System.

"Under the commission charter, to be voted November 5, it is clearly seen where the taxpayers may be saved a vast sum of money every year," said Mayor Rushlight yesterday.

A. G. Rushlight, Mayor of Portland, Who Recommends Proposed Commission Charter.

Responsibility Chief Feature.

"I consider the opportunity afforded by the proposed charter for saving money by placing responsibility on a few shoulders as the most important feature. It will be easy for the commissioners to meet frequently, to devote all the time necessary to problems and they can watch the markets and take advantage of it by purchasing supplies when prices are right.

"There are many other good features to the proposed charter," the Mayor continued, "but the large sums of money that may be saved by close co-operation and care by the commissioners, it seems to me, is, to the average taxpayer, a very important thing.

Salaries Are Reasonable.

"I regard the salaries as provided for in the proposed charter reasonable, in view of the fact that the commissioners will have to give all of their time to the city business. They should do so, for, unless they do, it is neglected. At present, where the Councilmen draw but \$25 a month, the city is forced to devote all of their time to the city business. Consequently, many problems are left to the different departments for solution and many times they are not solved. I am not condemning any individual, but the system that prevails, in order that the people may know the facts and remedy conditions if they deem it wise to make the change.

"I may cite as an instance of where co-operation can save money, a case recently coming to my attention. One department wanted to advertise for a lot of pipe. I said that another department might have just what was wanted and held up the action. Sure enough, the pipe was obtained from another department, which had dug it up and replaced new because the older stock no longer served the purpose, but was just as good for the other department's purposes.

ANDERSON AWARDED \$5000

Employee Recovers for Injuries Sustained While at Work.

Sigvald Anderson yesterday was given judgment in the Circuit court for \$5000 against the Meier & Frank Company. He sued for several times this amount, alleging that a pile of boxes fell on him in the basement of a store, injuring him seriously and permanently. The jury was out from 10 o'clock Thursday morning until 11 o'clock Thursday night, returning a sealed verdict which was opened and read yesterday morning.

The defense produced several witnesses who testified to having seen Anderson without his crutches in the garden, climbing stairs and performing other feats which would be impossible if the allegations of his complaint were true.

Mayor Hicks and Councilman Simpson, of Eureka, Cal., were brought here to testify that Anderson had resigned from the police force that day under fire and had made an unsuccessful attempt to collect damages from the city, contending that he had ridden a bicycle into a hole in a street. He also said that Anderson managed to gain an extremely unsavory reputation in Eureka. The verdict was signed by only nine jurors, the law of Oregon permitting a three-fourths verdict in civil cases.

"CASCARETS" FOR SICK HEADACHE

It's Your Inactive Liver and Bowels—You Need Cascarets Sure. You're bilious, you have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean and ill-tempered. Your system is full of bile and not properly passed off, and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, and don't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver and intestines can be quickly cured by morning with gentle, thorough Cascarets—they work while you sleep. A 10-cent box from your druggist will keep your liver and bowels clean, stomach sweet and your head clear for months. Children love to take Cascarets, because they taste good and never gripe or sicken.
