The Best Place to Buy a Piano

When QUALITY Is the Chief Consideration

The careless purchaser of a piano buys only for today. The intelligent purchaser has the future in view.

At The Wiley B. Allen Co.'s store THE QUALITY THOUGHT IS UP-**PERMOST**. No matter what price you pay for a piano, you are entitled to the maximum degree of quality. The tone, the grade of material, the character of workmanship are matters that the average layman cannot judge accurately. Yet they have the most important relation to the future satisfaction of the purchaser. It is a case where the seller must be trusted to know that every factor is right.

All business of The Wiley B. Allen Co. is founded upon the broad principle that no large success can be expected unless confidence is deserved and absolute satisfaction follows each individual sale.

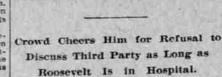

The Wiley B. Allen Co.'s line of pianos and player - pianos is not only the strongest, but one of the largest to be found anywhere. Choose your favorite instrument among these famous makes: MASON & HAMLIN, HARDMAN, PACKARD, LUDWIG, KRAKAUER, HARRINGTON, PRICE & TEEPLE, HENSEL and others. This week we offer at very low prices a large number of used pianos of celebrated makes.
