### COSSACKS ARE CALLED OUT

#### Turks Now Fear Russian Aggression in Asia Minor.

CHICAGO, Oct. 22.—In spite of official denials, says a cable dispatch to the Chicago Daily News from St. Petersburg, it is a fact that the Russian reserves in the Northern Caucasus, including Cossacks, and also those in Trans-Caucasia, have been called out for service.

Another dispatch to the same paper, from Constantinople, declares that the Ottoman Government is closely watching the various moves of the Russian government in Asia Minor. The Turks know, says the dispatch, that they cannot bring all of their large army in Asia to European Turkey without grave danger of precipitating Russian aggression in Asia Minor.

Turkey, the dispatch continues, realizes that the disposition of its troops does not depend upon the Balkan affair so much as upon the attitude of Russia in Asia. It is said that hereafter the secret of the retreat along the extended lines of war.

A dispatch from Sofia to the News says that the protection of the non-combatant parts of the population occupies the minds of the authorities in spite of their absorption in the struggle with Turkey. The government has bought all the available wheat supply direct from the peasants and has sent it to millers for conversion into flour. The flour is being sold to the baker and private consumers at cost. It is said this has prevented the millers and bakers from increasing prices. To make the matter sure, the dispatch says, the government issued a decree forbidding any increase in the price of bread.

### TURKS REPORTED RETREATING

#### News Received in Sofia, but Confirmation is Lacking.

SOFIA, Bulgaria, Oct. 22.—The newspapers report that the Bulgarians have captured several important positions around Adrianople and Djumala after severe fighting, but official confirmation is lacking. Those accounts report that the Bulgarians are retreating from the three forts adjacent to Adrianople.

A Bulgarian force attacked the Turks retreating from Djumala, which is due south of Sofia, on the Struma river. Many Turks were killed, hundreds were taken prisoners and three gatling guns were captured.

Throughout today a Turkish squadron has been cruising off Cape Kail Akra, in the Black Sea, north of Varna. The ships fired a few shells, which did no damage.

### BULGARIANS ROUTED BY TURKS

#### Sultan's Army Inflicts Heavy Loss on Enemy at Tundja.

CONSTANTINOPLE, Oct. 22.—According to official information, orders were given this morning to the eastern army, concentrated at Kir-Kiliseh, to advance east to the village of Tundja. The Bulgarians encountered the enemy in force and heavy fighting ensued. The Bulgarians finally gave way before the Turkish assault. Their loss was heavy.

A second Turkish column came into contact with the Bulgarians west of Kalamanda and was equally successful. The fight continued until night-fall and the Turkish advance was irresistible.

### TURKS MASSACRE CHRISTIANS

#### Soldiers Slay People on Being Driven Out by Servians.

BELGRADE, Oct. 22.—The first column of the second Serbian army has captured the town of Kotschana, 46 miles east of Uskup. One report has it that before retreating the Turks massacred many Christian inhabitants. The first Serbian army began an attack today on Kumanova, 10 miles north of Uskup, and expects to capture it without great difficulty.

### NEW PLAN TRAINS LEADERS

#### Innovation in Playground Work Starts at Washington High.

Under the auspices of the Board of Education and the City Park Board the formal opening of the Playground and Recreation Training School was

held in the Washington High School gymnasium last night. This is the first organization of its kind ever formed in this state. Its purpose is the training of leaders for municipal playgrounds and the training of the teachers in the public schools for play leadership.

H. Weir, field secretary of the Playground and Recreation Association of America, gave an explanatory talk on the course of study and the aims and objects of the training school. This was supplemented by an address by Mr. Weir in which he discussed the "Playground Movement in Germany and Great Britain," and showed its relation to the playground and recreation movement in the United States.

Professor H. H. Herdman, Jr., principal of the Washington High School and assistant director of the training school, presided at last night's meeting, which recorded a total registration of 30. Of those registering, only two were men. Professor Herdman said last night that more men should enroll in the school, in view of the fact that 20 additional employees will be required for municipal playground work in this city next year. Any person over 18 years of age and possessing a high school certificate is eligible to register in the training school.

### BRITISH TITLE SPURNED

#### "SOO" PRESIDENT WOULD NOT BE LORD MUNCASTER.

#### Edmund Pennington Says He Will Remain American, Though Right to Estates Is Clear.

MINNEAPOLIS, Oct. 22.—That if he chooses, some day he may inherit the estate and title of Lord Muncaster, master of an English estate, was the subject today of Edmund Pennington, president of the "Soo" line, and well known throughout the Northwest. The same telegram said, however, that he would not attempt to obtain the title, but would remain an American.

The story became known today on receipt of a dispatch saying that Lord Muncaster was searching for the descendants of a branch of the family which came to America many years ago and asking concerning Mr. Pennington's ancestors.

"I have known about this for years," Mr. Pennington said today. "My niece has visited the estate of Lord Muncaster, and members of my family tell me that there is no doubt that I am the legal heir to the title and estate. I am not interested in investigating the matter, in communicating with Lord Muncaster."

### "CYCLONE" DAVIS TO COME

#### Ex-Representative From Texas to Speak for Democrats November 1.

Oregon Democrats will conclude their campaign with the assistance of a "cyclone." Not that the Woodrow Wilson forces promise a violent windstorm or anything like that, but State Chairman J. L. Davis, of Texas, has been assigned to this state for two meetings at the close of the campaign. Mr. Davis is an ex-member of Congress from Texas and is rated an effective campaigner. He will speak at Dallas on the night of November 1 and at Hillsboro the following night.

The second telegram also brought the news that John H. Atwood, of Kansas, a Democratic "spellbinder," active in the campaigns of 1896 and 1900, also would be sent in Oregon for two addresses. Atwood's appointments are for Huntington, November 1, and La Grande, November 2.

Following the Marshall rally at the Gipsy Smith Auditorium tomorrow night, the next big meeting of the Democratic forces will take place at the Bungalow Theater Monday night, when the principal speaker will be George Fred Williams, of Massachusetts.

### SUICIDE ATTEMPT FUTILE

#### N. M. Mason, North La Grande, to Live With Bullet in Brain.

LA GRANDE, Or., Oct. 22.—(Special.)—His outer skull plate fractured and broken and the bullet which missed his brain by a fraction of an inch blunted and flattened by being ricocheted by the inner skull plate, N. M. Mason, a resident of North La Grande, is today on the way to recovery after an unsuccessful attempt at suicide yesterday.

The bullet, which entered the head just above the temple, was fired during a scuffle in which Mrs. Mason was strenuously struggling with her husband to prevent the act. He had already fired one bullet in an apparent suicidal attempt, but it missed his head, burying itself in the floor of the room.

### Davis Booster Club Planned.

Supporters of George N. Davis, candidate for Circuit Judge, Department No. 4, at a meeting last night, arranged tentatively for the formation of a "Davis Booster Club" in every precinct in the city. The organization of these clubs will be perfected at a later meeting, when an active plan of campaign will be provided. A score of Mr. Davis' supporters have volunteered their services and will take part in an extensive speaking campaign that will be conducted throughout the city next week.

### GIRL SHOT TO DEATH

#### Five Men Call for Her in Auto and Throw Her by Road.

### MOTIVE ENTIRE MYSTERY

#### Three of Party Arrested—Young Woman Taken Far Into Country in Connecticut, Lured From Car and Killed.

STRATFORD, Conn., Oct. 22.—Miss Rose White, of Bridgeport, Conn., was shot to death tonight several miles from here by members of a party of five men, said to be from New York. Three of the party have been arrested. The other members of the party are at large. All are said to be Italians.

The three arrested are Joe Buenna, Joseph Montes and Frank Prinsichenti. Two members of the party went tonight to a Bridgeport garage and hired an automobile with William Hall as chauffeur. The party stopped on a side street and Hall read the papers. Then the woman got in the car. After traveling several miles Hall was ordered to stop his machine and the men and the woman got out. Hall was told to turn around and come back later for the party. He had not gone far when he heard shots. Hall thereupon notified the authorities, who hurried to the scene and made the three arrests.

The woman's body was found by the roadside with five bullets in her chest. No motive for the crime has been ascertained.

### BECKER NOT ON STAND

#### (Continued From First Page.)

kept at me-day and night. When one left off the other began. Rose got a letter from the District Attorney one day and after he had read it he came to me and said, 'Jack, the District Attorney writes me that he wants to know if you are going to corroborate us. He says if you do, it will be all right; if you don't you'll be indicted.'

Promise of Money Made.

"Webber said to me, 'The only way you can get out is for you to do as Mr. Whitman says and swear that you saw Becker with Jack Rose and me a few hours after the murder. If you do that, you'll get out, like we will, after the trial.' If you don't, you'll be indicted and spend six months in jail. Once Webber said to me, 'God's sake say you saw Becker, as we will testify. If you want money, we will give you \$1000, and if not, when you get out, we'll go into the hotel business. I'll put in \$25,000 and we will divide the profits even. All you have to do is to lie for us. If you don't, all right; if you don't you'll go to jail.'"

To all these importunities Sullivan said he replied that he would spend six weeks in jail if he would rather swear a man's life away.

### Plitt Forged on Stand.

Louis Plitt, brother of Becker's so-called press agent, was another witness for the defense who was forced on the stand by Justice Goff after Mr. McIntyre refused to examine Plitt and again the District Attorney read into the records evidence against the state's case. Plitt testified, "That Becker didn't have anything to do with the murder. He said, 'I swear to you on my mother's grave that Becker didn't have anything to do with this. He is innocent, but I've been talking too much, and I've got to testify against him.'"

Plitt was devoted to summing up. Justice Goff will charge the jury Thursday morning.

William Shapiro, driver and part owner of the gray murder car which carried the gunmen to the Metropole and in which they made their escape after shooting Rosenthal, testified in rebuttal. He said he saw the published versions of his story, except his statement that 30 or 35 seconds elapsed after the shooting before he was able to start his car with the gunman inside in flight.

### Becker Himself Not Called.

What is said to have been an 11-hour change of mind on the part of Mr. McIntyre kept Becker from the witness stand.

"I didn't put Becker on the stand," Mr. McIntyre said, "simply because I did not care to dignify the opinion that the charge of murder had been corroborated by credible witnesses. The law says that there can be no conviction on the testimony of accomplices without corroboration. To have put Becker on the stand would have appeared to be an acknowledgment that the testimony of Hallen and Luban amounted to credible testimony, whereas it appeared before the jury that Hallen had served 12 years in state's prison and Luban was brought in shackles from the New Jersey state prison into the courtroom," Becker said.

"I wanted to go on the stand, but my counsel advised against it. I do not believe any jury would convict me on the testimony offered in this case."

#### LA FOLLETTE TO VOTE FOR NO LEADING CANDIDATE.

#### No Job for "Bull Moose," Says Senator, or Amiable, Easy-Going Man, or New Jersey-Doing.

LA CROSSE, Wis., Oct. 22.—United States Senator La Follette, in a speech here tonight said he would not vote for Roosevelt, Taft or Wilson. He compared the suppression of competition through the growth of trusts to a huge cancer, the treatment of which requires great skill.

"It is no job for a 'bull moose,'" said Senator La Follette, "and judging by what has happened in the last four years it does not seem to be a job for an amiable, easy-going man. A fellow over in New Jersey has been running a hospital with pretty good success, but he has not treated cancer."

"I propose to pursue an independent course. I will not vote for any of these three men."

Senator La Follette said he believed in a protective policy, but believes it should be gauged on the basis of the real difference between the cost of production here and abroad.

### PORTLAND WOMAN NAMED

#### Home Missionaries Choose Mrs. J. C. Luckey Second Time.

BUFFALO, N. Y., Oct. 22.—Mrs. J. C. Luckey, of Portland, Ore., was elected here today vice-president for the West of the National Woman's Home Missionary Federation. Portland contested for next year's meeting, but Kansas City, Mo., was finally selected for the convention next October.

Mrs. Luckey was elected vice-president for the district of the West for the second time, without her presence at the meeting, which she was unable to attend. Her former election to the office was last year, when the organization held its meeting in Chicago. At that time Mrs. Luckey was holding her office as president of the state body of the federation, which is a branch of the Congregational Church. Mrs. Luckey lives at 550 Elm street.

### GUNBOAT RUNS AGROUND

#### Nashville Runs on Flats to Avoid Collision—Is Refloated.

NORFOLK, Va., Oct. 22.—To keep from colliding today with a dredge off Bush Bluff light, the gunboat Nashville stuck her nose in the mud and remained aground until nearly 8 o'clock tonight, when, with the assistance of three powerful tugs from the Navy Yard, she was pulled back into deep water.

The Nashville was bound to Guantanamo with supplies for warships ordered to Mexico, and was endeavoring to make her way through a veritable network of vessels at anchor off Lambert's Point, awaiting coal.

After being hauled off the flats the gunboat went to Hampton Roads. She probably will put to sea tomorrow.

The information was telephoned to the police station but Dufur disappeared before an officer arrived.
