

INDIANS PLAYED FOR PAY SAYS BENDER

Pullman Coach Charges That Houser Was With Harrisburg, Pa., Nine.

CORVALLIS MAN DENIES ALL

Pullback for "Aggies" Declares He Signed, but Never Reported for Play, Saying He Is Being Confused With Brother.

With pockets bulging with letters and other mysterious documents bearing on the Emil Houser eligibility tangle, Coach Johnny Bender, of the Washington State College football squad, stayed in Portland yesterday long enough to file a charge of professional baseball playing at the Oregon "Aggies" Indian fullback star.

"I haven't any official evidence from J. H. Farrell, of the Minor League association," declared Bender, who was here en route home with his team from Eugene, where they beat Oregon Saturday, 7-0, "but I have stated positively that Houser played baseball with Harrisburg in the Tri-State League in 1908 and with Webb City and Muskogee, in the Missouri Valley League, in 1905."

Houser Makes Denial.

J. F. Bohler, Pullman athletic director, accompanied the team. Mr. Bohler visited Corvallis yesterday and consulted both with Houser and Athletic Director J. J. Stewart.

"Houser says he has never played professional ball," said Bohler. "He admits signing, but says he never reported and was suspended. I have information, though, that he was a professional catcher in the Missouri Valley League, and while there once umpired Ed Hauer, the Coast League umpire. Emil Hauer says we have him confused with his brother Pete, but I don't think so."

Coach Bender Has a Letter from Glenn Warner, coach of the Carlisle Indians, who says:

"Emil came to Carlisle in the Fall of 1907 and played upon the team in 1907 and 1908. He coached the scrub team in 1910 and left soon afterwards."

Bender insists that both Emil and his older brother, Pete, played with the Haskell Indians of the Coast League in Kansas City when he was wearing a Cornhuskers' uniform in 1904. The doughy little center, however, admits that the Pacific Northwestern eligibility rules do not prohibit either Haskell or Carlisle students from playing immediately upon entering school here. Consequently, he will concentrate his efforts to proving Houser a professional.

Oregon Said to Be Weaker.

Telegrams were sent to the office of the Minor League secretary last night by Bohler, Stewart and The Oregonian. Speaking of the Pullman defeat of Oregon, Mr. Bohler said it was merely a question of getting the jump on the lemon-yellow.

"I think our team will be about as strong as last year's, but Oregon's is weaker," said he. "The team appears to be the squeeze again."

COLUMBUS WINS BY END RUNS

McLoughlin Club Meets Defeat by 6-to-3 Score.

An end run over the goal from the 30-yard line by Clampton of the Columbus Club, yesterday won from the McLoughlin Club, 6 to 3, in the first ten minutes of play. The star of the star minutes of the opposing force, secured a placekick. The game was played on Columbus Club Field. Mumford made his score on a beautiful punt beyond the 25-yard line in the last few minutes of the first half, the only chance McLoughlin had to score.

Ed McMahon, of the Columbus Club, played a star game at right end. On one occasion O'Hare, of the McLoughlin team, was in a fair position to score, having run open field beyond the 25-yard line, but he was unable to stop him.

Mumford, Elvers and O'Hare, all members of the McLoughlin backfield, played the best game for the losers.

The lineups:

Columbus Club—L. O'Connell, D. O'Connell, J. W. Hamilton, J. P. Patton, L. G. Carr, L. DeBour, C. P. Dierber, Weber Burns, G. M. Hamilton, G. D. Driscoll, W. Flaherty, W. Elvers, E. McMahon, B. E. Kennedy, B. E. Kennedy, O'Hare, Sherry, C. M. Mumford.	McLoughlin Club—L. O'Connell, D. O'Connell, J. W. Hamilton, J. P. Patton, L. G. Carr, L. DeBour, C. P. Dierber, Weber Burns, G. M. Hamilton, G. Minor Football.

The F. E. Watkins and the South Portland teams of the Archer & Wiggins Football League played one of the best games yet seen in the league yesterday on the "bottoms." Neither eleven scored. The Watkins team approached within 10 yards of the goal in the first quarter and made an attempt at a placekick in the second period. The South Portland team could get no closer than 35 yards from the Watkins goal. The Moscow brothers, keeping the South Portland team, while Plackinger played well for the Watkins team.

Another no-score game occurred in the same league when the Mohawks and Lents teams played. Forward passes were tried to no avail. The Mohawks got to the Lents' 20-yard line, where they tried a forward pass, which was intercepted by Barbagelata, captain of the Lents team, on his own three-yard line.

McLoughlin whipped Stephens yesterday 13 to 0. McKown and Toomey made the most of the league yesterday. Stephens never got near the goal of the McLoughlin club, the line plunging of the McLoughlin boys keeping the team on the defensive all the time.

The Eagles defeated the Sioux yesterday on the East Twelfth and Davis street field, 8 to 0. The score was the nature of a "fluke," the muddy ball in rolling into the crowd which skirted the field, where Stember, of the Eagles, picked it up and dashed for the goal, 29 yards away. Clarke and Hall starred for the losers, while Stember and Kilgore did the best work for the Eagles.

BUILDER OF SEATTLE WINNING TEAMS NOW TEACHES LINCOLN HUSKIES.

Vincent Borleske.

Lincoln High School was known to have a very green squad this fall. Nevertheless, followers of the game expect a near champion team, at least, from the band, with Vincent Borleske as the moulder.

Borleske is remembered by Portland as the star of the game between the Seattle Athletic Club and Multnomah Club last winter. Since a boy at high school he has been a star. His first playing was done with the Spokane High School in 1903 and 1904. A year later he played with the Blair Business College, one of the principal factors in Spokane scholastic football circles.

In 1908 he went to Whitman College and played four years as a half back in Washington. He met four times, defeated once, and tied twice, going under before it the other time. Idaho was defeated by the team in four years in which it was met. Borleske made the All-Northwest team several years in succession and was named one of the greatest backfield men the Northwest has produced.

Saturday afternoon, Dickson winning one up at the 39th hole.

Sporting Sparks

THERE will apparently be no holler in the Middle West this year about classic teams that the East can boast of. Princeton University defeated Syracuse University a week ago 62 to 0, yet Syracuse turns around and wallops the University of Michigan 18 to 17.

The University of Montana, after much correspondence, has agreed to play its scheduled game with Gonzaga College at Spokane on November 23. A fortnight ago it was announced, after the death of Coach Cary, that scheduled games with Gonzaga, Idaho, Washington State and Willamette University would be played. Willamette is still up in the air concerning the Thanksgiving date.

Muggsy McGraw, New York manager, has made two suggestions for changes in rules governing future world's baseball championship series. In one of the games at Boston the Giants fell upon Wood for six runs in the first inning, and the entire team was on the anxious seat for fear rain would interfere before the regulation five innings had been played. He recommends that in case of stoppage of future world's series games, play be resumed the following day exactly as it left off. McGraw also suggests that in case of playoffs the spectators who attend the ties be admitted free upon presentation of their seat checks.

OAKS PENNANT WINNERS FOR FIRST TIME.

Los Angeles has won more Pacific Coast League pennants than any other single club since the organization in 1903. Portland has three, Tacoma, San Francisco and Oakland one apiece. Championship winners, with their finishing percentages, are as follows:

1905—Los Angeles590
1904—Tacoma589
1905—Tacoma (first half)583
Los Angeles (2nd half)504
1906—Portland507
1907—Los Angeles505
1908—Los Angeles505
1909—San Francisco523
1910—Portland507
1911—Portland589
1912—Oakland591

"In the play-off Los Angeles won."

Pennsylvania trainer, Tom Connett, the runner who was recently drowned in the Philippines, could have been the holder of every record from three-quarters of a mile up to 19 miles had he had the present form in 1895. Under Murphy's training Connett set the mile mark of 1 minutes 15 3/4 seconds, which stood until John Paul Jones clipped a third of a second off at Harvard in May, 1911. Murphy says it was nothing unusual for Connett to do a mile in 4 minutes 15 seconds training.

CONTEST IS A LIVELY ONE

In 150-Bird Event Winter Breaks 107 Plates in Succession—Mullen Is High Amateur in the Day's Shooting.

Extremely long runs of unbroken shooting by Frank Reihl, of Tacoma, marked the first of the monthly handicap shoots which the Portland Gun Club has inaugurated for the winter. In the 150-bird shoot Reihl broke 107 plates before he was out, and the 100-bird defense of the Chingren medal he broke 91 in succession.

Twelve platebreakers started the tournament for the Chingren trophy, but the honors still rest with Reihl, who successfully defended the medal yesterday by making a total of 98 out of 107.

The open tournament for the \$100 added money, was attended from all the principal shooting centers of the Northwest, and not as many were present as the Portland officials expected. This was due partly to the good duck hunting which prevails on the lakes and sloughs in the vicinity of Portland at present.

Owing to the success of this shoot, plans were immediately formulated for another shoot to be held on a date which will be selected at a meeting of the Gun Club the latter part of this week.

The scores: Professionals, 150-bird; Frank Reihl, 107; Carl Wagner, 98; Portland, 143; Lea Barkley, Seattle, 141; P. Holahan, Portland, 140; H. E. Poston, Seattle, 134. Amateur: Fred Stallen, Eugene, 127; Carl Wagner, 143; Charles Wagner, Portland, 143; W. W. Caldwell, Portland, 143; Harry Ellis, Portland, 142; E. P. Froeh, Vancouver, 142; M. Abraham, Portland, 140; E. M. Troeh, Vancouver, 140; Cullison, Portland, 139; Fisher, Seattle, 139; A. Blair, Portland, 138; J. B. Troeh, Vancouver, 136; P. X. Johnson, Portland, 135; W. E. Carter, Vancouver, 135; J. A. Troeh, Vancouver, 131; H. Cofford, Portland, 128; Fred Peterson, Portland, 124; F. S. Johnson, Portland, 123; Carl Wagner, Hubbard, 119; J. Bawle, Portland, 104 and A. Rico, Portland, 100.

Challenge trophy shoot: 100 birds, (E. J. Chingren trophy.) Frank Reihl, 98; P. Holahan, 97; Carl Wagner, 94; Charles Wagner, 94; W. A. Hills, 94; M. Abraham, 93; J. Cullison, 92; Ellis, 92; Mullen, 92; C. Seacy, Eugene, 90; W. W. Caldwell, 86.

GOUGHAM AGGIES' GOAL

EVERY BASKETBALL PLAYER EAGER TO MAKE LONG TOUR.

Schedule of Agricultural College Team Will Include Games in Washington and New York.

OREGON AGRICULTURAL COLLEGE, Corvallis, October 27.—(Special).—With the football season at its height and the attention of the college world centered on this sport, the basketball athletes, it seems possibly a little early in the year for the basketball artists to begin grooming themselves and preparing to take the stage. But this is exactly the state of affairs at Oregon Agricultural College, and although the basketball men are talking football in public, they are planning basketball in private. In fact, no greater pre-season interest in the great indoor game could be imagined than exists on the O. A. C. campus at the present time.

There is no double cause for such basketball enthusiasm at O. A. C. this year. It is based on the record of Dr. Stewart, the president, who has been on the prospective Eastern trip which now seems assured to the men who make this year's quintet. Every man in college who has ever played basketball, and every man who thinks that he ought to be able to play the game has dreams of making the five weeks' trip, which is now being planned by the college across the continent and permit the representatives of Oregon Agricultural College to make their debut in Gotham at the Coliseum with the College of New York City.

The long vacation jaunt, as originally outlined, was to take the Oregonians no farther than the Middle West, thus enabling the athletes to apply for jobs in the state of Oregon, and to the leading teams representing the larger institutions of Minnesota, Wisconsin, Kansas, Nebraska, Iowa, Illinois, Indiana and Ohio. The management, however, was so much encouraged by the support with which the project met that it was decided to schedule enough games to make the trip a practical proposition, from the 193 Seventeenth street. The body is at the Holman undertaking establishment.

Lid Lifted, Arrests Made.

For lifting the "lid" ever so slightly, Al Wohlers, who conducts a saloon at Fourth and Burnside streets, was arrested yesterday by policemen Miller, Jones and Sherwood, who witnessed the violation of the ordinance prohibiting Sunday sales of liquor. He was observed to meet a friend near his place of business, shake hands and exchange a few words. The friend passed on, and Wohlers entered his saloon. He reappeared a few moments later, and the policeman, who was followed by the friend, saw him enter a nearby place, where a pint bottle containing whisky changed hands twice, once from Wohlers to his friend, and again, almost immediately, to the friend, one of the policemen. At the police station Wohlers' friend gave his name as Thomas West, laborer. He was held as a witness, and the lid was lifted also the accompanying wet-goods man.

VOTE RIGHT, SAYS PASTOR

Rev. Hinson Favors Evans and Word: Good People Should Unite.

"Don't hand the police department over into the grasp of little politicians," said Rev. W. B. Hinson at the White Temple in his pulpit on "How to Vote," before his sermon last night. "Keep it where it is—in the civil service."

"In this coming election," he said at the beginning of his address, "we will be called upon to vote between men rather than between masses and politicians. It behooves every voter to ascertain what are the real associations, who are his friends, and of whom he has made enemies. When you find the elements of lawlessness uniformly opposed to a candidate, you would do well to support that man."

"Pay no attention to the little fool who attempts to divide the class hatred. On behalf of thousands of honest workmen in the City of Portland, I resent the claim that the workmen as a class are opposed to the enforcement of existing laws."

"Let it be said that I have dealt in generalities tonight and have not come from the ranks of the workers as to you, Vote for Evans and vote for Word, men who have records and whose friends are worthy of them, and who are the only men who are close investigation and inspection."

"Above all things, vote," he said in the conclusion of his address. "Always stand by the man who has the most to offer if it can. The evil element is banded together unquestionably. Let the good people band together and cast their votes for the man who will do the most for the welfare of our City of Portland."

LAND SHOW OFFICE MOVES

Exhibitors Will Be Given Access to Building After November 10.

Offices of the Pacific Northwest Land Show will be moved from the Commercial Club building to the exhibit hall at East Morrison and East First streets November 3, and the following day exhibitors will be given access to the building to prepare their entries for the opening of the show November 18.

Distribution of space to exhibitors has progressed rapidly and all of the available room will probably be exhausted in a few days. The rental of concession space, outside of the regular exhibits, has been cut down to 100 cents per foot, and is being taken in full, according to Manager G. E. A. Bond.

The silver cup of the Northern Pacific Railway Company is the latest addition to the prizes which although other specials may be offered. This cup is offered to corn growers of Oregon, Washington, Idaho and other states of the Northwest. The best bushel of Dent corn grown along any of the lines controlled by that company.

F. W. Power, secretary of the Oregon Horticultural Society, under auspices of which the land show is to be given, yesterday predicted an exceptionally fine general agricultural show for the Northwest, and intimated that the apple exhibits will lose nothing, either in size or excellence, by being entered in a general agricultural show which has superseded the annual apple show of the past years.

CHURCH IS GROWING

Twentieth Anniversary Appropriately Observed—New Building, Now Under Construction, Will Be Occupied Next Year.

Westminster Presbyterian Church, East Tenth and Welder streets, yesterday celebrated its 20th anniversary, the services morning and night being appropriate to the occasion. The church was filled to capacity at all services of the day. At the morning hour Rev. Henry Marquette, the pastor, was in charge. Several infants were baptized, which was followed by the reception of a number of new members into the church.

Dr. Marquette spoke on the subject, "Witnesses for Christ." In the course of his sermon he lauded pioneer members who had passed away—members
