

HAY NEARLY WIPES OUT RIVAL'S LEAD

Washington Returns Show Race for Governor Grows Exceedingly Close.

SOCIALIST VOTE ENORMOUS

Marx Followers Poll Three Times as Many Ballots as in 1908—Initiative and Referendum and Recall Seem to Carry.

SEATTLE, Wash., Nov. 7.—The Hay strongholds were heard from late this afternoon and for a time Lister's plurality was almost wiped out.

For Congressman at Large 137,920, Taft 82,735, Wilson 67,879, Roosevelt 52,224.

The Socialist vote in the state was probably three times that of 1908. In Spokane County Debs polled nearly 3000 votes and Anna Maley, the candidate for Governor, received more votes than either Hay or Lister.

Not many counties have reported the votes on the initiative and referendum and recall, but apparently these two amendments to the state constitution have been adopted by a large majority.

Women Heads Electors. Mrs. Helen J. Scott, of Tacoma, whose name was on the very top of the victorious Progressive ticket, probably will be chairman of the Washington electors who will elect the members of Theodore Roosevelt in the electoral college.

Warburton Holds Lead. For Congressman from the Second District, the figures show Warburton, Bull Moose, with 7248; Johnson, Republican, with 4331, and Munday, Democrat, with 2747.

Longtime, Republican candidate for County Sheriff, is running about 250 votes behind James B. Moore, and is still considered a slight chance.

Bull Moose Take Legislature. Returns thus far indicate that the port district proposal has lost in the county. Returns from the 191 precincts give 4800 votes against the plan to 3335 for.

Judge Black is leading Judge Main in the race for the third place on the Supreme Court bench, while Judge J. M. Arntson has a slight lead over Judge C. M. Easterday for Superior Court Judge.

The state legislative ticket, according to returns thus far, will be made up entirely of Bull Moose.

The single-tax amendment to the city charter was adopted at Tuesday's election by a vote of 2 to 1. Everette, the fourth city in size in the state, is the first to adopt this method of taxation.

HAY WINS CHERALS COUNTY Governor's Plurality, Is 1634—Socialist Vote Gains Heavily.

ABERDEEN, Wash., Nov. 7.—(Special.)—With 33 precincts in and four from which returns are lacking, the following is the vote in Cheshals County.

Taft 2899, Wilson 1864, Debs 1575, Governor Hay 3416, Lister 1814, Munday 1511, Hodje 1271.

Congressman, Second District—Johnson 3430, Munday 1473, Alder 1797, Warburton 1742.

Warburton ran behind the Socialist, as did also Hodje. The three precincts yet to be heard from will make no change.

HAY GOES OUT OF THE COUNTY WITH A PLURALITY OF 1634, JOHNSON WITH 1638. The vote was about 8000 out of 10,000 registered.

The entire Republican ticket, with the exception of W. D. Payne, for Treasurer, who was defeated by J. McGill-Cuddy, Democrat, was elected by a great plurality. The Socialist have made great gains. The entire Republican state ticket goes out from here with an average plurality of 1650.
