BY ROSCOE FAWCETT. Decks have been cleared for the big game of the football year in the Northest, Saturday, on Multnomah Field. Coach Gilmour Dobie, of the four-time University of Washington champions, arrived in Portland last night with formidable array of college huskies. The Oregon Agricultural College as-pirants will register in today at 5:30 P. M., both teams quartering at the Oregon Hotel. Doble will unlimber his champs in a sharp signal drill prior to the interscholastic game today, but Coach Dolan will give his men a rest. "Washington stands a greater chance

washington stands a greater chance of losing to the Oregon Aggles Saturday than at any time in the past two years," was the emphatic declaration of Coach Dobie. "I don't think there is any difference at all in weight to speak of, and I candidly believe the Corvallis boys to be two or three touchdowns stronger than Washington State, in spite of the 10-9 score. Hauser's incapacitation at the last moment certainly upset all the backfield rhythm, and since then May, last year's captain, has returned to tackle, and Evenden, last year's fullback, has gone back to Hauser's job. That's no weak arrange-
