

SHIEK IN TURKEY ORDERS HOLY WAR

Ulemas and Hodkas In- cited to Action.

DANGER UNITES ALL PARTIES

Enemy Said to Have Priests in Ranks of Army.

CONTINUE WAR, IS CRY

Ottoman Newspapers Perfidious Continuance of Conflict—Ad- vancing Bulgars May Be Held at Bay, Is Belief.

LONDON, Nov. 8.—A dispatch to a news agency from Sofia says the Bulgarians have captured two of the principal forts commanding Adrianople.

SOPIA, Nov. 8.—It is reported here that the Bulgarian army has reached Derkas, situated on the northern end of the Tebanis line and about two and a half miles from the shores of the Black Sea.

CONSTANTINOPLE, Nov. 8.—The Sheik-ul Islam, head of the hierarchy in Turkey, issued today the following appeal for a holy war in a manifesto addressed to the Ulemas and Hodkas: "With a view to exciting and encouraging the soldiers of the enemies who surround us, their priests, cross in hand, are working in the ranks of the army. It is not fitting that our Ulemas should neglect the accomplishment of a similar duty.

"In order that victory and glory, promised by the almighty prophet, may be granted without delay to the Ottoman army, it is necessary that the venerable Ulemas organize Jihad. Such a holy war has, moreover, become an obligation if the condition of the Ottoman soldiers, who are all heroes, is to be strengthened.

People Demand War.

"Ulemas who feel that they possess the attitude and strength to participate in this important task are invited to present themselves immediately at the Sheik-ul Islam, which will send those selected to the army."

There have been rumors for a day or two that the Ministry was unstable, owing to its refusal to mediate in the European powers, but the newspapers say this situation has given way to the demand of the army and of public opinion that the war be continued. The common danger seems to have united all parties.

This is shown by the perfidious outbursts of the newspapers of all political shades, urging a fight to a finish. The explanation of this new-born unanimity may be found in the suggestion by a high government official that if it is found impossible to hold the lines at Tchatala, other defenses are possible before the enemy can reach this city. Every male who has reached the age of 19 years will be expected to perform his share in the duty of protecting the capital.

Bulgarians Burn Villages.

Mahmud Shekret Pasha, ex-Minister of War, saw Khalil Pasha, the Grand Vizier, today. It is reported that Shekret would be appointed Inspector-General of the army.

According to Turkish official reports, Mussulman villages in the Palas and Kirdjare districts have been burned by Bulgarian troops, and Doud and Topuk and surrounding villages also were destroyed.

An official dispatch received from the Wall of Saloniki, dated today, says two squadrons of Bulgarian cavalry attacked on Thursday the troops guarding the railway station at Orlu, three hours' journey from Adrianople, but that the Bulgars were repulsed.

BULGARS TO ENTER CAPITAL

Intention Is Not to Remain, but to Make Victory Complete.

LONDON, Nov. 8.—Bulgaria has no intention of remaining in Constantinople, according to one official at the Bulgarian Legation here, Bulgarian troops, however, will go to the Turkish capital. The official in the course of an interview said: "Even had other circumstances not rendered such a course necessary, the tacit action of Naxim Pasha, the Turkish commander-in-chief, in informing the Turkish Grand Vizier that his army is desirous to continue the war, compels Bulgaria to enter the Ottoman capital.

"Bulgaria desires to insure a stable and lasting peace. This is impossible so long as any portion of the Turkish army is able to declare it is willing to continue the war; therefore it is necessary to place beyond all doubt the absolute defeat of the Ottoman army and to prove to the world who is the conqueror by the entry of the Bulgarian troops into Constantinople."

Famine menaces the inhabitants of the Turkish fortress of Janina, in the extreme western part of the Balkan Peninsula, according to a news agency dispatch from Athens. It is reported that indescribable atrocities have been committed there by the Turkish authorities.

JUTE GRAIN BAGS DOOMED

Tri-State Meeting of Farmers Unions Decides on Cotton.

WALLA WALLA, Wash., Nov. 8.—(Special.)—Jute bags for grain are doomed in Washington, Idaho and Oregon if the resolution adopted at the tri-state meeting of the Farmers' Union, here today, has weight.

The resolution provides that in the future the unions are to discourage the use of the jute bags, substituting instead cotton bags. These cotton bags can be secured cheaper, and it is asserted they are as practical. The adoption of this resolution followed a two days' debate on the sack question. The matter of abolishing grain bags and steel grain bins and elevators and steel grain bins was discussed. That was left to each union to decide. The tri-state representatives, of whom there were 250, took official action only on the use of cotton instead of jute bags. Co-operative banking was also discussed. The meeting ended tonight.

SPRECKELS OFFERS \$5000

California Suspects Fraud in Los Angeles Vote for Roosevelt.

NEW YORK, Nov. 8.—(Special.)—Rudolph Spreckels, of California, today gave out the following statement at Democratic National headquarters:

"The latest reports from California indicate that Roosevelt leads Wilson by 53 votes. Being familiar with the situation, I feel that a careful investigation should be promptly made concerning the slow count and unexplainable changes that have taken place in Los Angeles County. I have suggested that a \$5000 reward be offered for evidence of frauds, and Mr. Wilson gets every vote he is entitled to in California."

Mr. Spreckels left this afternoon for San Francisco.

BUSINESS NOT AFFECTED

Bradstreets Says Election Results Fall to Change Favorable Tone.

NEW YORK, Nov. 8.—Bradstreets tomorrow will state the Presidential election has come and gone with the best possible apparent effect upon trade and industry. Neither the election itself, nor its results, sweeping as they were, has changed the favorable undertone previously characterizing trade sentiment, according to one of the notable economic phenomena of recent times.

Business failures in the United States for the week ending November 7 were 299 against 257 last week.

Business failures in Canada for the week number 35, which compared with 13 for last week.

COLONEL TRUMBO IS DEAD

Once Wealthy Connoisseur Succumbs to Beating by Footpads.

SAN FRANCISCO, Nov. 8.—Colonel Isaac Trumbo, who made a fortune in Utah and lost it in San Francisco, died here today of injuries received last Saturday night when he was beaten by footpads. For many years Colonel Trumbo was one of the best-known connoisseurs of painting in the West. He had a notable collection and executed many commissions for wealthy patrons.

SALT LAKE CITY, Nov. 8.—Colonel Isaac Trumbo was a candidate for the United States Senate as a Republican before the first State Legislature in Utah, but was defeated. He came to this state from California with a fortune made in mining, and lived for time in the Gardo House, known to tourists as "Amelia's Palace."

AKELEY'S DAUGHTER ACTS

Administration of \$850,000 Estate Allowed by Widow of Lumberman.

MINNEAPOLIS, Nov. 8.—Final action in the settlement of the \$850,000 estate of the late H. C. Akeley, lumberman, came today with the announcement that Mrs. James P. Quirk, a daughter, had been named administratrix without objection by the widow, Mrs. Clara Akeley, of California.

Under the settlement, Mrs. Quirk is to receive two-thirds of the estate and the widow one-third, with a bonus of approximately \$48,000. The settlement came after three months of litigation in California and Minnesota, during which time Mrs. Akeley was charged with sending from Minnesota valuable papers belonging to the estate.

ROOSEVELT AGAIN TAKES CALIFORNIA

New Tabulation Puts Colonel in Lead

PLURALITY STANDS AT 782

Belief Now Is Remaining Pre- cincts Mean No Change.

WALLACE MUCH SCRATCHED

Disapproval of Course in Commuting Sentences of Murderers Be- lieved to Have Influenced Many of Voters.

SAN FRANCISCO, Nov. 8.—The figures on the Presidential race in California were changed at midnight by the receipt of two additional small precincts, which increased the total vote of Colonel Roosevelt by 21, making his plurality 782. No further returns are expected before tomorrow.

Out of a maze of uncertainty that had made the result impossible to forecast, an entire new tabulation today, based upon corrected returns from virtually all county seats, developed these facts: Roosevelt has a plurality of the popular vote over Wilson that the few recent precincts still unreported are not likely to overturn.

Not all of the Roosevelt electors, however, may have won. The name of Lieutenant-Governor Wallace, which headed his electoral ticket, was scratched by many voters, presumably because of his course in commuting the death sentences of murderers while acting Governor.

In many instances, it is said, Wallace's name was actually penciled off the ballot. Attorney-General Webb has given an opinion that such ballots were thereby invalidated.

Democrats Threaten Contest.

Acting on this opinion, the Democratic managers have announced that if the final returns leave Roosevelt still in the lead they will challenge the vote of Los Angeles County, where the Roosevelt Progressives rolled up their heaviest plurality and where Wallace ran behind the other Roosevelt electors.

Wilson and Roosevelt alternated in the lead early in the day when the distant mountain precincts began to straggle in, bringing with them many surprises in the way of reversals from expected results. Toward night Roosevelt began to draw away, his margin being augmented by several corrections of totals for county seats based upon complete and official returns. By 4 P. M. it had increased to nearly 1000 votes, and it became almost certain that the reported precincts in counties carried by the Democratic

JERSEY LILY CAN'T PLAY IN PITTSBURG

MRS. LANGTRY, BILLED IN OWN PLAY, IS BARRED.

Broadway Puzzled by Reports That Stage Manager Refuses to Let Headliner in Theater.

NEW YORK, Nov. 8.—(Special.)—Broadway was puzzled today by dispatches from Pittsburgh that Mrs. Lily Langtry, who is under contract at \$2000 a week to appear in a vaudeville playlet written by herself, is not allowed to play in that city.

Twice a day since last Tuesday she has reported at the Pittsburgh Grand Opera House, where she was announced as a "headliner" in "Helping the Cause," only to be told by the stage manager that her services were not required. She was billed for a week, but after the Monday night performance it was announced that she was forced to cancel the engagement because of ill health and was returning to New York. She did not come to New York, though, and apparently she was not ill. She kept her expensive suite at the Fort Pitt Hotel and reported promptly every afternoon and evening to be just as promptly turned down.

It is denied that adverse criticisms in the newspapers Tuesday had anything to do with the cutting short of the international star's engagement. She will not discuss her affairs.

Martin Beck, president of the Orpheum circuit, said he knew nothing of the nature of her troubles in Pittsburgh, though she is under contract with him. He is to see her representative tomorrow. He thinks there may have been a misunderstanding with the management.

While the Jersey Lily is having her troubles in Pittsburgh the management of the Abington Storage Warehouse in New York is preparing to sell a beautiful portrait of her to satisfy storage charges.

Freddie Gebhardt, Mrs. Langtry's devoted admirer when she first visited the United States, stored the picture. No storage has been paid since Mr. Gebhardt's death.

BILLS FOR BLIND SOUGHT

Affiliated Representative From Walla Walla Has Pet Measures.

SPOKANE, Wash., Nov. 8.—(Special.)—Walla Walla's blind Representative-elect, C. W. Masterson, who was elected by a big majority in the 13th district, has three laws in view. One is a bill for the relief of blind and deaf school children, another is to enable county commissioners to pension blind people who through physical inability or old age are unable to learn a trade; the third is, in case the other bills fail, to have appointed a State Commissioner to gather statistics about the blind and make recommendations.

Mr. Masterson is married and has lived in Walla Walla for 14 years. He is a piano tuner by profession. He taught for two years in the literary and musical departments of the State School for the Blind at Kansas City, and also of the Iowa State College. A happy feature of his election is that yesterday, when his election was assured, was his birthday.

THE ASSAULT THAT FAILED.

LANE'S LEAD 1744 IN MULTNOMAH

Wilson Carries County by 1348 Plurality

G. N. DAVIS DEFEATS TAZWELL

Judgeship Decided by Plurality of 235 Votes.

YOUNG IS CLOSE THIRD

Final Count Gives Tom Word Lead of 2560 Votes Over Fitzgerald. Reed Has Big Plurality Over Wagon for Assessor.

Complete unofficial returns give Multnomah County to Wilson and Lane, as the earlier figures promised. Wilson has a plurality of 1348, while Lane won over both Bourne and Selling. His plurality over Bourne, who ran second, was 769 and his lead over Selling, who finished third, was 1744. Representative Lafferty was re-elected by a vote that almost equals the combined vote of his two leading opponents, McCusker and Munly.

The detailed Multnomah County vote on President was: Taft, 9433; Wilson, 14,011; Roosevelt, 12,563; Chaffin, 8952; Debs, 2680.

Davis Elected Judge.

For United States Senator Lane received 11,652 against 10,884 for Bourne and 999 for Selling. The other candidates received the following votes: Clark, Prog., 2509; Paget, Proh., 1746; Ramp, Soc., 2605.

The completed vote for Representative in Congress from this district follows: Lafferty, 16,873; McCusker, 6372; Munly, 11,532.

George N. Davis, Prog., in a contest that was closely fought from the beginning of the count, defeated Municipal Judge Tazwell, the Republican nominee, for Circuit Judge, Department No. 4, by a plurality of 235. It remained for the few remaining uncompleted precincts to determine this contest, and it was not until yesterday afternoon that the result was positively determined. Mr. Davis has too much of a lead to be wiped out by the official count.

For this place on the Circuit Court bench, Ogleby Young, Democrat, made a surprising showing and finished a close third. The vote: Davis, 10,777; Tazwell, 10,542; Young, 10,267; Lees, Ind., 2163; Ferrine, Soc., 3725.

Circuit Judge Morrow was re-elected to preside over Department No. 2 by a majority of 21,888 over his Socialist opponent. Walter H. Evans was easily elected District Attorney, defeating J. A. Jeffrey, Dem., by a plurality of 15,468.

Tom M. Word, Dem., will be Multnomah Assessor.

HOBOES ARE GUESTS AT RANCH MANSION

OWNER AWAY, CARETAKER IN- VITES TRAMPS IN.

Gregarious Superintendent of Hood River Summer Home Grows Lone- ly and Weary Willies Frollic.

HOOD RIVER, Or., Nov. 8.—(Special.)—Local citizens visiting at Mitchell's Point, six miles west of here, discovered several days ago that "Little Boy Ranch," the summer home of C. W. Parker, who with Mrs. Parker is now in Canada, had recently been made a retreat by tramps. The place was left in the charge of William Martin, the son of a homesteader who lives near by.

The young man cared for the chickens, the horses and the gardens. Deciding to take a vacation in a neighboring city, he substituted his neighbor, George Martin, in his place. The elder Martin, being of a gregarious temperament, decided that he needed company, and invited in all the tramps that came that way.

Mitchell's is the location of an old lumber camp, which, however, has since been abandoned. On account of its location on the tracks of the O-W. R. & N. Co., one of the thoroughfares of tramps moving up and down the Columbia, it is a popular place among this gentry, the old, abandoned buildings forming convenient and comfortable lodging places in rainy weather.

Martin immediately issued a general invitation to all to join him at the Parker home. "The place is yours," he would cry, with a flourish, on the arrival of each new guest. After a week the news of the novel "haven of rest" was brought from one end of the railroad line to the other, and Mr. Martin is said to have had more guests than he could accommodate. Bedrooms and living-rooms are said to have been overflowing with Weary Willies.

The rumor leaked in that Mr. Parker's friends in Hood River had information of the carousals, and the boss, after a council, decided to "beat a retreat." The party, too, had been cleaned bare—wine cellar and smokehouse were empty. Mr. Martin deemed it best not to hold the place alone, and, locking the two dogs in the residence, he departed with his guests.

Friends discovered the predicament several days later. The dogs were half starved and had chewed up some valuable tapestry.

SHASTA LIMITED HELD UP, ROBBED

Highwayman Is Killed by Brakeman

TWO OTHERS FLEE WITH MAIL

Three Stop Train With Torpedo North of Redding.

SHOTS SCARE PASSENGERS

Trainman on Portland Flyer Runs to Store, Grabs Rifle and Shoots Outlaw Holding Engineer and Fireman at Bay.

REDDING, Cal., Nov. 8.—(Special.)—One highwayman lying dead beside the track and two others in flight with the registered mail are the results of a holdup at 8:10 tonight of the Shasta Limited to Portland on the Southern Pacific from San Francisco.

The holdup took place at Delta, 25 miles north of Redding, and 288 miles from San Francisco. This is just four miles from Lemoine, the scene of another holdup September 2 of last year, when \$60,000 is said to have been the booty. It occurred at about the same time of night.

Torpedo Stops Train.

The Shasta Limited had just taken water at Delta and had started north. The train had moved scarcely 100 yards when the locomotive ran over a torpedo. The engineer, Frank Wentz, at once stopped the train and a masked man jumped on the footboard of the locomotive and held a revolver at the head of the engineer, ordering him to take his hands off the levers. He stood guard over the engine while two other robbers made their way to the mail car. One on each side of the car, the two began shooting. The people of Delta ran out of their houses and stores. A few passengers jumped out to see what the trouble was, but were driven back by the shooting. The messengers in the mail car, noticing the stopping of the train and not suspecting robbery, opened the doors on each side, and both of the robbers entered, seizing the registered mail.

Brakeman Kills Robber.

Meantime, Wood brakeman, Jim Yokum, dropping from the rear end of the train, ran back to the town and into Tom Norton's saloon, crying "Robbers," and demanding a gun. Norton gave him one and the brakeman returned. Finding the first robber still guarding the engineer and fireman, he went up to the robber and deliberately shot him through the throat. The robber fell off the footboard and is supposed to have died instantly.

His two companions alighted from the mail car on the river side of the train and escaped. One stayed for a while at the mail car, threatening the mail clerks, and the other ran forward calling "Frank." He hesitated a moment when he saw his dead partner, but the majority of the bondsmen are saloonkeepers.

Robbers Leave No Trail.

No trace of crew could be found when the train, carrying the body of the dead robber, was pulled out. Some commented upon his youthful appearance and others sought to recall having seen him. Presently they all went home, leaving the body lying face up, where it had fallen by the railroad track.

Sheriff Montgomery of Shasta County, who was at Whiskey Town at the time, was reached by telephone and he quickly assembled a posse. A special train has been assembled and the use of the posse will be before morning. The robbers have a good chance of escaping to the high Sierras. The dead robber is stout, well built and about 26 years of age. He has not been identified.

The train was in charge of Frank Dickey, conductor.

Throng Views Body.

The shooting drew a throng of townspeople, who collected about the body of the dead robber as the train pulled out. Some commented upon his youthful appearance and others sought to recall having seen him. Presently they all went home, leaving the body lying face up, where it had fallen by the railroad track.

Sheriff Montgomery boarded a special train here at 10 o'clock tonight and started for Delta. He believes that the bandits have taken refuge in the wooded mountains to the west of Delta.

SLIDE HALTS ROAD TRAFFIC

Northern Pacific Line Is Blocked Near Little Falls.

CHEHALIS, Wash., Nov. 8.—(Special.)—A big slide on the Northern Pacific main line near Little Falls has blocked all travel for the night.

A steam shovel must be secured from Portland to help remove the immense deposit of earth that has come down before the track can be opened. A heavy downpour all last night and today ceased tonight.

That the slide will not materially affect Portland traffic is information given out from Northern Pacific headquarters. Train No. 213, due at 10:30 last night, was delayed two hours.
