Remember the Golden Rule!

THIS "No Matter Where I Shop, I Will Shop Early" crusade gives every man, woman and child a chance to do a share in the common cause of humanity.

Everybody welcomes an opportunity **TO DO SOMETHING FOR "THE OTHER FELLOW"**—especially when it can be done without any extra expense.

Everybody, of course, spends something for Holiday presents. It may be little or much. Even though it is little, remember that it and other "littles" are responsible for a big **WHOLE** if put off until the last month.

Everybody can therefore help in this cause for humanity by lending their influence in favor of the Shop Early movement.

All the conditions are most favorable for you to join in this movement with the resolve that

"No Matter Where I Shop—I Will Shop Early!"

Makes Sewing Easy

The "Willamette" ROTARY

EVEN beginners find the "Willamette" Rotary Sewing Machine the easiest to operate, owing principally to the automatic tension, which permits the sewing of the sheerest, daintiest chiffons to the heaviest of cloth material. The old-style and most of the so-called new-style machines make this a complicated and arduous task, even where at all possible. Then, too, you cannot clog the "Willamette" Rotary. A clever device prevents such annoyance. In no other make will you find this much-desired feature. All parts of the Willamette Rotary are oiled from above. 'Tis well to remember the twisting and turning necessary in the old-style machines—what a simple matter it is to oil the "Willamette" Rotary. Many other fully as important exclusive features are found in the Willamette Rotary Sewing Machine. Ask the woman expert in our second floor section to explain the Willamette Rotary in detail. Our Binding 10-year Guarantee Accompanies Any Style of the Willamette Sewing Machine. Prices, **\$32.50, \$35.00 or \$40.00**, according to finish of case; **\$2.00** on purchase, then **\$1.00** each week. —Mail Orders Filled.
