Taft Reluctantly Accepts Resignation.

Tokio Post Given Up Because of Ill Health, Says Mr. Bryan in Illinois Home.

WASHINGTON, Nov. 12.—Charles Page Bryan, United States Ambassador to Japan, Monday tendered his resignation to President Taft, who reluctantly accepted it. Bryan gave ill health, brought on by a carriage accident in Japan, as the reason for his resignation. He is now at home in Elmhurst, Ill., receiving medical attention.

Although a general change in the personnel of the Ambassadors of the United States was expected as a sequence to the recent election, Ambassador Bryan is the first of the diplomatic corps formally to tender his resignation to President Taft. Mr. Bryan left Tokio on leave of absence in September. He had previously arranged to absent himself from the post, but was prevented by the death of the Emperor of Japan.

Mr. Bryan is a native of Chicago. After completing his education at the University of Virginia and the Columbia College Law School, he practiced law in Colorado. He entered the diplomatic service in 1897, and before going to Tokio in 1911 he had served as Minister to China, Brazil, Switzerland, Portugal and Belgium.

FOUR MORE CHARGES PLACED AGAINST JOHNSON.

Federal Grand Jury Holds Pupil for Alleged Violation of Mann Act.

CHICAGO, Nov. 12.—The Federal grand jury late yesterday returned four additional indictments against Jack Johnson, champion pugilist, on further charges of violations of the Mann act against interstate transportation of women for immoral purposes.

The indictments charged Johnson with taking Belle Schreiber from Milwaukee, Wis., to Chicago; from Indianapolis, Ind., to Chicago; from Detroit, Mich., to Chicago; and from Chicago to Milwaukee, Wis. The name of Lucile Cameron, of Minneapolis, does not figure in any of the indictments.

Several witnesses who appeared before the jury last week were recalled today. Among these were Mrs. Kathleen Cameron, at whose home Lucile Cameron, of Minneapolis, resided at the time she met Johnson.

WASHINGTON, Nov. 12.—Jack Johnson, world champion heavy-weight pugilist, through his attorney, Benjamin C. Bachrach, today filed a motion in the Supreme Court of the United States, asking to be permitted to give his bond in lieu of bail.

The United States District Court in Chicago on an indictment charging a violation of the white slave traffic act. In support of the motion it was said the District Judge demanded \$30,000 bail, which was declared to be excessive, and had refused to accept a check of deposit for \$20,000 in lieu of bail. It is also set out that the District Judge had stated he would not accept a surety company on the bond. The attorney claimed that the white slave act was unconstitutional.

As a final reason why Johnson should be admitted to bail, by the Supreme Court, the attorney stated, that for several weeks Chicago newspapers had been publishing false reports concerning him whereby he had been prejudiced in the eyes of the public to such an extent that he was unable to induce real estate owners to become surety for him upon his bond unless they were indemnified and that the District Judge had stated he would not accept real estate sureties if they were indemnified.

NEW DIVORCE LAW FRAMED

English Royal Commission Reports Findings of Inquiries.

LONDON, Nov. 12.—The royal commission on divorce has made public the result of its inquiries. The majority report recommended that the two sexes be placed on an equality before the law with regard to the grounds for divorce which shall be adultery, desertion for three years, incurable insanity after five years, incurable confinement, incurable drunkenness, found to be incurable after three years.

The report says that the evidence taken during the investigations showed that the proposed extension of the grounds for divorce, far from tending to lower the standard of morality, had had a contrary effect and that the present stringent restrictions and complexity of divorce are productive of immorality and illicit relations, particularly among the poorer classes.
