Double Liability for Bank Stockholders Has Largest Majority. **Creation** of Hotel Inspector Most Badly Defeated.

Complete official returns from the general election of November 5, with the exception of those from Malheur the exception of those from Aniheur County, which are not available, show that the voters approved 12 of the 37 initiative and referendum measures submitted in that election and rejected the other 25. With only a few excep-tions the measures turned down by electors were defeated by decisive majorities. The result on only one of the 37

The result on only one of the 37 measures can be affected by the com-pleted count of Malheur County. It is the amendment revising the income tax statute in this state. Without Malheur, this measure has an affirma-tive majority of 182. The majority for or against each of the other measures is already sufficiently large that the result will not be changed by the Mal-heur County vote. The total vote cast in that county for United States Sen-ator was 1752.
