FACTS ARE DISTORTED

STORIES OF Y. M. C. A. PRINTED IN EAST EXAGGERATED.

From All Parts of Country Letters Expressing Confidence in Association Received.

Not only from local organizations, societies, clubs and prominent citizens, but also from cities and states all over the country are arriving daily telegrams and letters for the secretary of the Y. M. C. A. All express unlimited confidence in the institution and deplore the attack on such an organization by the Daily News.

Nashville, Kansas City and San Francisco were heard from yesterday morning in addition to a score of other places, while in the afternoon came a letter from Dayton, Ohio, inclosing a copy of a local paper. This showed the way in which facts, handed about from mouth to mouth, become exaggerated and distorted, for after declaring that one man had committed suicide from taking carbolic acid in the Y. M. C. A., the Dayton paper went on to quote H. W. Stone at length, when in fact he has never made an announcement on any of the matters mentioned. It then gave a long list of names and ended by deploring the awful condition of Portland.

The Social Hygiene Society replied to the attacks upon the association at a meeting held by the executive committee of the society. Talks were made in support of the Y. M. C. A. and in condemnation of the attempt to connect it in an unfavorable way with prosecutions in which its only part was to help the authorities to detect the guilty persons.

The meeting was attended by the following members of the executive

GENERAL MEETING OF COMMITTEES CALLED.

The committee of the Y. M. C. A. at whose request committees have been appointed by various clubs and organizations of the city hereby calls a general meeting of all the men named on said committees and any others named by organizations which may desire to be represented; such meeting to be held at the Commercial Club at 3 P. M. Sunday, November 24; the purpose thereof being to consider:

- 1. The true facts relating to existing vice conditions in Portland.
2. The attitude of the press thereto.
3. Co-operation with and support of proper officials to support the law.

committee: Dr. W. T. Foster, Rabbi Jonah B. Wise, A. F. Flegel, Dr. G. Norman Pease, Rev. W. G. Elliot, Jr., J. C. English, Dr. L. W. Hyde, Boudnot Seelye, Dr. Andrew C. Smith and Adolphe Wolfe. The resolutions, which were signed by a committee composed of Dr. Foster, Rabbi Wise and Mr. Flegel, follow:

The executive committee of 21 of the Social Hygiene Society of Portland, Or., having met weekly for 12 months at the central building of the Young Men's Christian Association, and having intimate acquaintance with the officers and the conduct of the association, discussed the charges against the management of the Young Men's Christian Association and expressed their highest confidence in that management and

their unqualified condemnation of the baseless attacks that have been made upon the institution.

"A committee of three was appointed to draw up resolutions, and the committee thinks the sentiments of the society, thus expressed, candidly placed before the public, is the best form of resolution they can adopt."

CARMEN OPERA TOMORROW

Tarquini and Lombardi Company Close Engagement Sunday.

Biaz's opera "Carmen" which will be given at the Hellig tomorrow afternoon at 2:15 o'clock, is the farewell bill of the Lombardi Pacific Coast Opera Company on this visit, with Madame Tarquini Tarquini in the title role of the Spanish girl-employee in a cigarette factory. As Carmen, Tarquini has to portray one of the most dashingly reckless, yet interesting characters known to the opera stage today.

One of the greatest stars who ever sang Carmen into fame and great popularity, is Zelle de Lussan who played it with the intensity and abandon of a whirlwind. Tarquini has her own interpretation of the part, and it is said to be fully equal to that of De Lussan. Agostini, tenor, is the Don Jose, and Giovinetti, the favorite baritone, will sing the music allotted to the tenor, among the numbers being the famous "Toreador" song. Madame Charibou, soprano, will be the Michakis.

Newport Politics Warm.

NEWPORT, Or., Nov. 22.-(Special.)-More than ordinary interest is being taken this year in the annual city election, which takes place on December 2. A larger number of candidates than usual is in the field. The women are exhibiting keen interest and it is expected they will have a candidate out for Mayor.

Body of Drowned Man Found.

WEDDERBURN, Or., Nov. 22.-(Special.)-The body of L. F. Parker, who was drowned in Rogue River near the Illinois, with his 10-year-old son, last May, while the father was taking the boys across the river on a raft, to school, was found five miles above here near the Tom Smith ranch last Saturday. The body had evidently been covered up in the sand until the recent floods had washed it out. The Smith boys found the body floating near the bank, and sent word to Coroner Walker, who went up Saturday in

Wesley Miller's launch, and identified the body as that of Parker's by the shoes, and two missing teeth. No inquest was held and as Mrs. Parker had left the country and no relatives are here, the bones were interred on the river bank near where they were found. The body of the boy has not been discovered.

An electric railway is planned to run between the City of Mexico, Puebla and to the rim of the sleeping volcano of Popocatepetl, which is 15,500 feet high.
