## WOLGAST IS 2 TO FAVORITE IN FIGHT

Champion Amazes Admirers in Stiff Workout Before 3000 Spectators.

RITCHIE SUPPORT DIMMING

Ad Knocks Out Welterweight and Looks Like He Is at Top Form. Opponent Almost at Weight. Betting on Outcome Heavy.

SAN FRANCISCO. Nov. 24 .- (Spe was again the rial.)-Ad Wolgast champion lightweight of the world to-Improving 100 per cent over his showing of Saturday, the sturdy little scrapper boxed five rounds and wrestled two more and looked like the Wolgast who annexed the crown from Battling

Over 2000 fans jammed into the Seal Over 2000 fans jammed into the Seal Rock training quarters and must have puzzled over the accounts of the day before, which described how Willie Hoppe floored the champion and made nim look like a second rater. The noticeable feature about the workout today was that Wolgast did not appear tired and put a dash and vim into everything he attempted. He went through three rounds with Joe Mackey and was tearing and slashing at his sparring mate every second of the time that he was in action.

Heavy Wrestler Is Floored.

Then Charley Anslinger, a wrestler, went on for two rounds of boxing and at the close of the second round Wolgast ripped in a heavy left-hand punch to the body which dropped Anslinger, who is a welter weight. It was not who is a welfer weight. It was not such a feat to drop Ansilinger, for he is a wrestler and does not claim any honors with the padded gloves, but it did show the champion off to good advantage. Then Ad tugged and wrestled Louis Rees all over the ring in two rounds of the tough work. He finished rounds of the tough work. with the clastic pulleys and showed all

Wolgast stepped on the scales before taking his shower. He was a fraction under 133 pounds, the most he has weighed since he started boxing. The little champion says he expects to enter the ring on Thursday weighing about 130 pounds.

So far as boxing is concerned, Wol-gast declares that he has finished his training. He does not intend to do any re glove play but will confine his attention to punishing the bag and going through gymnasium exercises.

Ritchie Almost at Weight.

gymnasium at San Rafael to watch wille Ritchie go through his training stunts. Willie boxed three whirlwind rounds with each of his three sparring partners. The fans were much im-pressed at the local boy's showing. At the finish of today's training Ritchie balanced the scales at 133%. He is coming down nicely to the stipulated 123 pounds at ringside and has little to worry on that score.

worry on that score.
The betting on the Thanksgiving day bout is now down to bedrock, according to the opinion of men well posted ing to the opinion of men well posted on sporting events. Wolgast rules a 2-to-1 favorite over Ritchie. Since the wagering opened at 10 to 8, the first part of the week, the odds have been lengthening every day until now it is believed that Ritchie will go into the ring on the short end of 2 to 1. The local lightweight has declared all along that he fleured those odds and he has

## SPORTING SPARKS

If Los Angeles gets Shortstop Joe Berger again next season, it will not be until the opening of the baseball season. Berger is to train out with the Chicago White Sox, and will have to heat out Buck Weaver to stick.

Dr. G. F. Brackett, of San Fran isco, has announced these as Willie Ritchie's has announced these as Willie Rittine's official measurements: Chest 33½ inches, 25½ inches (normal); neck, 14½ inches; biceps, 12½ inches; forearm, 10½ inches; thigh, 21 inches; calf, 14 inches; shoulders, 14 inches; respiration, 18-22; pulse, 60-84; height, 5 feet 7½ inches; reach, 67% inches.

While at Seattle at the Oregon-Washington football game, Arthur Geary, of Oregon, met Zednick and Bender, of Washington and Washington State, respectively, and the three agreed to vote for December 2, 3 and 4 as the dates for the annual conference

Willis Butler's name appears on the New Orleans reserve list, and it now develops that the Pelicans are depending upon him as the regular shortstop next season. "If he keeps up the pace bridged, has served only to make both bridged, has served only to make both or the confidence of their confidence." ing upon him as the regular shortstop next season. "If he keeps up the pace he set with Nashville a few years ago, when he heat the Birds out of a pennant, he should prove the best in the Southern League," says the Picayune. Butler left the Portland Coast club suddenly in mid-season of 1912, after giving fair satisfaction. Domestic trouble caused his hasty farewell.

players sat together at the banquet the spirit between them grew friendlier, and the climax of the banishment of all past feeling came when, after the presidents of both schools had spoken in friendly vein, Coach Dolan, of the Aggies, arose to speak. The coach of the losing team had the chance to drive the last spike in the bridge over the old chasm of college hatred, and Dolan met the situation squarely.

"The game was hard fought, and yet it was absolutely clean," said Dolan.
"After the struggle, we have been permitted to get together at a banquet, and both teams have been permitted to see that their opponents are real men

That Frank Chance has been offered the management of the New York Americans to succeed Harry Wolverton is admitted by Chance himself in Los Angeles. At first he was peeved at the announcement that Cincinnati had secured him at the draft price, \$1500, but he has evidently been put wise to the underlying reasons, for he talks differently now.

Minor Football.

Although unable to make anything against the McLoughlin eleven in the last half of the game, the St. James team, of Vancouver, got two touchdowns in the first part of the game and defeated the Portland boys, 13 to 0, yesterday on Columbus Field. Bishop,

# BASIS FOR ACTION

With Enactment of New Bills Way Is Paved for Legislative Procedure.

RECENT VOTE IS ANALYZED

W. B. Ayer Advises Against Passage by Legislature Now of Measures for Roads, Involving State Bond Issues.

Reviewing the results of the late election as to the initiative good roads bills, W. B. Ayer, chairman of Governor West's harmony good roads commission, believes a basis has been supplied in the enactment of four of the 'harmony' measures for satisfactory but conservative legislation by the but conservative legislation by the Legislature this Winter that will give to the state a safe and definitive plan of procedure in the wholesale construction of permanent roads in every county.

Mr. Ayer, however, advises against the enactment by the Legislature at this time of any measure that will include the issue of bonds by the state.

Eighty-two Mazamas turned out for the regular Sunday transport the regula

clude the issue of bonds by the state

gone to Mount Calvary by car, "hiked" from there to Blasted Hill, where, from the United States Geological Survey tower, a fine view was obtained, as the fog was left behind. The return was made by Cornell road.

These making the mountight excurfor road building.

"The question of good roads, which has been agitating both the Legislature and the people for several years, is now in a position to be settled in a satisfactory, but conservative manner," said Mr. Ayer yesterday.

Four Bills Passed.

"Nine road measures were submitted to the people at the recent election. Four of these measures were fundamental and their passage was readed.

F. H. Bush, H. D. Gill, Elizabeth Mc-Cleiland, Rose Arnold, Marie Arnold, J. C. Bush, C. R. Thompson, Pearl Ellis, Edith Ellis, Louisa Almy, Clifford Lee, Marie Rustin, Jerry E. Brown, Marie Rustin, Mar This road measures were submitted to the people at the recent election. Four of these measures were fundamental and their passage was necessary to any future good-road legislation. Fortunately those four bills were approved by the voters. The other five measures, representing different views as to the best means of securing good roads, were all defeated.

"An analysis of the vote on these different measures shows plainly the attitude of the people upon this question. Two of the nine measures submitted were constitutional amendments, giving the state and the county the right to issue bonds for road purnings, Ruth Brightbill, J. M. Mason, H.

ments, giving the state and the county the right to issue bonds for road purposes, but limiting the amount to 2 per cent of the valuation. Both of these measures carried by substantial majorities, and I believe that the vote on these measures may be taken as an index of public sentiment regarding good-road legislation. The bill authorizing the use of state convicts on road work, and the other authorizing the ising the use of state convicts on road work, and the other authorizing the use of county prisoners on road work both carried by large majorities.

These four measures formed a basis.

"These four measures formed a basis for future legislation, and it was absolutely necessary that they should have the approval of the people in

"While it is true that the people changed the constitution and author-ized the issuance of a limited amount is preparing the list of those who desire to go. of bonds for road purposes, I believe it is not their desire that bonds should be saued at the present time, but that a CAPT. A. S. BLOWERS DIES more moderate beginning should be made and the question left to the fu-ture to determine whether bonds ture to determine w

Possible Course Shown.

"If, therefore, the Legislature would pass a bill creating a state road com-mission, composed of the Governor, Secretary of State and State Treasurer with authority to appoint a highway engineer to act in an advisory capacity to the entire state, and also transfer

to this highway commission, say three-fourths of the funds derived from the vehicle tax, it would give them approximately \$60,000 a year—enough, if applied to the employment of state convicts, to make a beginning in road work. in road work.

"The people could then observe the operations of the highway commission and the usefulness of an engineer, and later determine if they wished to increase their activities by the issuance of bonds.

"An enabling act should also be passed authorizing the counties to issue bonds, providing the majority of playing the same is the only place in the state, it was pointed out, where both teams and their rooters can come to the game on the morning of the contest and return the the bills passed at the late election. The detail of the bills should be the product of the Legislature and not of the various good-road advocates, who have been unable to agree in the past."

Wete on Bills Given. the people of the county voted in favor of doing so. These two measures are

Vote on Bills Given. Complete official returns from the various counties of the state reveal the following facts as to how the different counties voted on the road bills in the

November election:
Only four counties gave a majority against the constitutional amendment authorizing the state to issue bonds. These were Coos, Gilliam, Lake and
