

EXPERIMENTAL YACHTSMAN TO SAIL OFF UNDER CAPTAIN W. F. STONE SELECTED TO COMMAND SAN FRANCISCO ENTRY.

BOATS OF WORLD STUDIED SYNDICATE ORGANIZING TO PREPARE TO MEET LIPTON CHALLENGE AT BIG RACE AT EXPOSITION—MODELS WILL ALL BE INVESTIGATED.

SAN FRANCISCO, Dec. 4.—(Special.)—Captain W. F. Stone, the shipbuilder and yachtsman, is to sail the San Francisco entry in the contest for the Lipton trophy for 23-meter boats during the exposition year. He will go East and, if necessary, to Europe, to follow the races for this call of yachtsmen of the world. Incidentally he will be an effective promoter for the big race itself.

Miller Organizing Syndicate. Thomas L. Miller, who accepted the challenge of Sir Thomas Lipton within a few hours after Sir Thomas had said he was out for a race, is devoting much time to the preliminaries for building the yacht and the organizing of a syndicate.

Yacht Will Not Be Copied. "No one who will be copied, because condition race, is canoeing at yet sail. We are getting the designs of all the successful 23-meter boats and they are to be studied.

The preliminary work of this sort will require perhaps six months. It is something that must be hurried. "When Captain Stone returns from his trip next summer he will unquestionably be in a position to give us the latest wrinkles in yacht-building and these will be submitted to the designer. "I must say that I have never seen people more willing to help in any project than has been the case with the people of San Francisco regarding the construction of this racing yacht. The response to the announcement that Sir Thomas' challenge was being accepted has been spontaneous and evidences what can be done in the community when we all get together and work."

GIBBONS IS BADLY BEATEN McGoorty Outpoints St. Paul Fighter in Every Round.

NEW YORK, Dec. 4.—Eddie McGoorty, of Oshkosh, outpointed Mike Gibbons, of St. Paul, in every round of a ten-round bout at Madison-Square Garden tonight. The fight was a disappointment to many. Gibbons' followers evidently expected too much of him, while the McGoorty adherents looked to their man to score a knockout.

Both men were clever, Gibbons particularly with his remarkable exhibition of defensive work. He was so evasive that McGoorty could not get in his deadly left swing although he punished Gibbons almost constantly with his short arms hooks and uppercuts. Gibbons' blocking at times was perfect. He led off with a right and left to the neck, but McGoorty returned a hard left to the body. The Paul man ducked a straight left, but took a left hook and McGoorty was forcing him with lefts to face and body at the bell. During the second round Gibbons seemed frightened, but managed a left to the chin and two straight lefts to the face. McGoorty followed with lefts and rights to the head, a left upper cut to the face, a hard right to the body and a hard left to the jaw at the bell.

OREGON'S NEED TO KEEP THE CHILDREN'S BOWELS CLEAN NOW. If Tongue Is Coated, Stomach Sour, Breath Feverish, Bowels Clogged, Give "Syrup of Figs."

Children dearly love to take delicious "Syrup of Figs" and nothing else cleans and regulates their tender little stomachs, liver and 30 feet of bowels so promptly and thoroughly.

Children get constipated just like grown-ups. Then they get sick, the tongue is coated, stomach sour, breath bad; they don't eat or rest well; they become irritable and cross and don't want to play. Listen, Mothers—for your child's sake don't force the little one to swallow nauseating castor oil, violent calomel or harsh irritants like Cathartic pills. A teaspoonful of Syrup of Figs will have your child smiling and happy again in just a few hours. Syrup of Figs will clean the constipated matter, the sour bile, the foul, clogged-up waste and poisons, without causing cramps or griping.
