ing with combinations. Pointing to the fact that the Government was un-able to secure a temporary injunction restraining the exportation of 920,000 bags of coffee, said to be stored in New York City under the valorization scheme, the Attorney-General recom-mends the enactment of an amendment to the Wilson law, authorizing the selsure by the Government in the state of entry of merchandise imported for the purposes of unlawful combination. At present such commodities must be in the course of interstate transporta-tion to justify selsure. The voluntary dissolution of the Na-tional Packing Company, following the
