

CLEAN UP SALE

We have been calling your attention for the past few days to the Great Special Sale scheduled here for Friday. We told you that it was worth waiting for—it is. We have gone through the entire stock from end to end, taken out every odd piece of furniture, every odd rug, every odd pair of curtains, every remnant of carpet, linoleum and drapery goods and marked them for Friday's Sale at half price and oftentimes less.

Go through your home, room by room and take an inventory of your needs—bring them to this store—you will find that you will be able to fill every want at 50c on the dollar. We're going to lose money on this sale but we are glad to do it, for we need the room these goods occupy for the trainloads of new goods now en route from the East.

This is by all odds the most important sale of Home Furnishings ever held in this city and you simply can't afford to miss it and ignore the savings. This store wants your business and is going to leave no stone unturned—will spare no efforts to attain it. Come bright and early today and share in the savings.
