

is not speculative or conjectural, neither in the fire inits and from is to the init in the principle hypothecated. "Te shall know the truth and the truth shall make you free." In truth we are free moral agents, having absolute liberty, but in error we find nothing but obstruction and disappointment. As men lose their fear they will gain their freedom. If you are depending upon the body for life, or health, or strength, or happiness, then you have another god besides the one God; you are putting dependence where there is no dependence. Physical health is a belier of health in the body and is a failure, and is, therefore, a poor kind of health.
No Beliefs, Says Spenker.

called science of physics has no part with the science of metaphysics. Begin-ning with matter all is matter, there is no mind: beginning with mind all is mind, there is no matter. There is nothing that mind does not evolve, govern, and control. Mind is spirit, and everything that spirit creates is like itself, spiritual and not material. To spirit there is no matter, all is spirit. Nothing that he has made can ever he lost. From the spire of grass that tare consummation and combination of all his handiwork, all, each, in their trace spiritual being have their places in the infinite mind. Spirit never mingles with matter. Any we cease to depend upon matter and learn to depend upon spirit we become more and more harmonious, for we livy where our thoughts are, and reflect an harmonious body. Christian Science is not speculative or consectural, neith er is the principle hypothecated. "Ye shall know the truth, and the truth shall make you free." In truth we are free moral agents, having absolute lib.

No Beliefs, Says Speaker.

Science admits of no personal opinion. Science all opinion; it is founded upon the rock of self-evident, demonstrable truth, and can never be shaken. There are no beliefs in science; beliefs all vanish when the undrestanding ap-pears. "With all thy getting get un-dorstanding."

values when the undrestanding appears. "With all thy setting get un-derstanding." Mrs. Eddy believed there was a set-entific law underlying and controlling the health of man; she searched, she found, she demonstrated, she no longer believed—ahe knew.

believed-she know. The science of being does not contra-dict the Bible, but it may contradict somebody's ideas of the Bible. It would not be science if it did not con-tradict some person's beliefs of the Bible.

Sin, sickness, sorrow, pain and death are discords and not the truth of be-

prompts the action, hence no reality; and that which is unreal is false and is therefore nothing. It is a mistaken be-lief that must be destroyed through suffering, or science. The overt act is not the greater wrong—It is for the thought that prompts the deed that we must pay the debt. Mortality alone must die, for it is a child of the devil, who "was a murderer from the beginning and abode not in him."

is life. Everything that the devil makes or advises is just like himself; it seems to be, but is not.

No Mortality, Is Claim.

Mortality is a myth; there is no mor-
