For Sale—Farms.

ELEGANT FARM IN NEWBERG.
20½ acres all in a high state of cultivation, a fine bearing orchard of mixed varieties and in fine condition; a modern 2-story residence and good barn, with other outbuildings; 6 acres of the finest berries to be seen; it is only a short distance from the center of Newberg and is practically adjacent to land that is selling for more than $800 per acre; this farm has free city water in the house, lawn and buildings, which alone adds several thousand dollars to its value; the above farm stocked and equipped can be had for $10,000; might consider a small farm in the Willamette Valley up to $2000 or $3000 with some cash and time on the balance; the above is something choice. For further information write to or call on Donald M. Wall, Newberg, Or.

AROUND NEWBERG.
Newberg is located 26 miles from Portland; the Southern Pacific Railway is being electrified from Portland to and through Newberg and the Oregon Electric is now laying its tracks there; it is one of the best residence towns in the State of Oregon, having high schools, colleges and the best of public schools; it has no saloons and cannot have any, the city charter forbidding it; the territory around Newberg is particularly attractive and cannot be excelled in fertility. If you want a small or large farm in or around Newberg, write me and let me know what you want; I can supply your needs. Donald M. Wall, Newberg, Or.
