

MISS GOULD NAMES DAY FOR WEDDING

Small Gathering of Relatives and Old Neighbors Will Attend Ceremony.

MUSIC TO BE ELABORATE

Date Is to Be January 22, and Place Bride's Country Home in Tarrytown—Y. M. C. A. Branches Plan Sending Gifts.

NEW YORK, Jan. 12.—(Special.)—It is authoritatively declared that Miss Helen Gould's wedding was fixed Wednesday, January 22, as the date of her marriage to Finley J. Shepard.

The ceremony will take place at Miss Gould's country place in Tarrytown, and will be witnessed by a small gathering of relatives and intimate friends, including some of her old neighbors in Tarrytown and Irvington.

Although the wedding will be simple as possible, there will be an elaborate musical programme by Nahau Franke's orchestra of 40 pieces. Some of the music was decided on today by Mr. Shepard, who himself is an amateur musician.

Members of the Railroad Men's Young Men's Christian Association, sailors of the North Atlantic squadron and soldiers of the Army Post are being sent to the country, where there are Y. M. C. A. branches, are planning to give Miss Gould wedding presents to express regard for her who has done much to make her lives pleasant.

Y. M. C. A. Branches Join in Gift. It was on her trip of inspection in last March, of the Gould lines and Y. M. C. A. branches she has built, that she fell in love with the man she will marry.

Just who is responsible for the idea of giving Miss Gould wedding presents from the Y. M. C. A. is not known. It appears to have occurred spontaneously in the minds of men in different branches. Each railroadman contributed 10 cents, so Miss Gould need not feel as they are somewhat afraid she will, that she should not receive as imposing a gift as it is in the power of the thousands of railroad men to give her, even with such a small individual contribution.

In the Navy, the sailors are contributing each one dollar, more than \$2000 has been placed in the hands of Paymaster Venable, of the Delaware, now living at the Brooklyn Navy Yard.

Niece of Susan B. Anthony Is Visitor at Home of Organizer of Vanities of Women's Federated Clubs.

LOS ANGELES, Jan. 12.—(Special.)—The benediction of 93 years rested graciously yesterday upon the silvered head of Mrs. Caroline M. Severance, who was surrounded by the members of her immediate family, today, received the city's tribute of respect and affection on the occasion of that milestone in her life.

James Seymour Severance, of San Francisco, and Mary Sibley Severance, of San Bernardino, the surviving sons of the "mother of American Women's Clubs," passed the day with her, as did Miss C. M. Seymour, a niece.

Mrs. Severance was too feeble to do more than to extend a brief greeting to each visiting delegation, which collectively represented most of the city's women's organizations. One of the visitors today was Miss Jessie Anthony, a niece of Susan B. Anthony.

Mrs. Severance was the organizer, in 1858, of the New England Women's Club, the parent organization of the National Federation of Women's Clubs. She has always been an ardent suffragist and her friends say she was the first woman to address a meeting of men on a political issue.
