ARE YOU FIT TO MARRY?

Most People Are Not-So Eminent Scientists Say.

Do not marry if you are nervous and irritable. Do not marry if you are weak and despondent. Do not marry if you suffer from indigestion, constipation, sleeplessness or any liver trouble. More than half the divorces and two-thirds of the failures in life can be traced to indigestion and constipation, for they are the parents of nervousness, sleeplessness and general debility.

GERVAIS. Or., Jan. 14.—(Special.)—
Albert Armstrong, 5-year-old son of W. A. Armstrong, living four miles southeast of this place, was accidentally shot in the head yesterday about 5 P. M., while sitting at the supper table with the family, the bullet coming through the glass door. Dr. Kettle was called and found that the bullet had ledged in the child's brain, and little hopes of his recovery are entertained. Morris Gleason, son of L. P. Gleason, of Gervais, says he was out hunting resterday and was on the Armstrong place about 5 o'clock. When within 200 yards of the house in the field some owls flew up and he fired about 13 shots from his 22-caliber rifle, and then started for home. When nearly home he was notified that the Armstrong boy had been shot, by a farmer who got the news by telephone.

SLAYER ENDS OWN LIFE

NEWBERG, Or., Jan. 14.—(Special.)

Never before in Newberg has a city election excited so much interest as that of today, when J. D. Gordon was re-elected Mayor. As soon as the polls were open voters put in an appearance. Among the first to come were women, evidently as the result of a general agreement among themselves and they kept going to the polls until late in the afternoon. One of these has reached the mature age of \$7, the mother of Mrs. E. Crede.

In front of the polls a large group of men discussed the situation. "Uncle Josiah" Nelson, who located here in 1845, was an interested spectator. He said: "I never saw such a mix-up, with women at an election in all my born days before." But he was not finding fault with the changed order of things. The 1:10 P. M. train was held a short time in order that five women might be given a chance to vote.

W. W. Nelson was re-elected Recorder; W. S. Wharton won the Treasurership and Henry Craw, John Huizen and Henry Morris were chosen Councilmen. Abraham Makes Highest Score in band, Donald, at the dinner table at her

"Mrs. Jadwin," he continued, "has been living with her mother, Mrs. Van Bergen, at 2612 Pacific avenue, for about ten days. Heaviness of the Stomach from Uni gested Food Quickly Relieved by a Stuart's Dyspepsia Tablet.

When you take food into a stomach that is tired and over-taxed, the gastric juices do not form fast enough to digest it properly. So the food becomes sour and at once begins to throw off gases. Your stomach becomes inflated just as surely as if you attached a toy balloon to a gas jet. Then the gases and foul odors issue forth and pollute your breath. Your tongue quickly becomes coated and you can taste the foulness that is within you.

Now all this condition is changed almost instantly by a Stuart's Deypepsia Tablet. This little digester gets busy at once—supplies all the digestive elements that were lacking—digests the food in a liffy and sweetens and refreshes the mucous lining of the stomach and bowels and restores peace and content.
