And Its Retail Price at Ellers Music House

Of the Old Reliable Smith & Barnes Make

A few years ago the old-reliable Smith & Barnes piano was sold by another house. Then the price was \$425 for the medium size. It was heralded as a great value.

Seven of these beautiful instruments in elegant, rich, mottled mahogany cases, in burr walnut and in dappled quarter-sawn oak cases, are now on display at Ellers Music House.

able style \$425 would have to be paid herebefore an actual saving of \$140. The reduced price, \$285, for this \$425 value is the cash price at any of the 40 Ellers stores.

Where could better evidence of the results made possible by modern methods and the well-known little-profit-per-plan policy of the Ellers institution be shown than in this instance?

Beautiful sample pianos for only \$285, for which same make and of less desirable
