SAN ANTONIO, Tex., Feb. 14. dispatch from Mexico City says: "Heavy connounding was heard at 10 o'clock tonight and it is believed the Federals again are advancing."

MEXICO CITY, Feb. 14.-The resignation of Francisco L Madero from the Presidency is believed to be in the A number of Anderson's friends have hands of the Mexican Ministers. It was authoritatively declared that Madero a portion had agreed to resign if the Senate so it might be transplanted upon the The Senate was called into patient. session about S o'clock tonight to take action on this important phase of the

At the British legation, where Senor De la Barra took refuge Thursday, it was said that Madero's resignation practically had been arranged for, and that De la Barra probably would succeed him in the Presidency.

Intervention Is Dreaded.

Later, Senor De la Barra, while pro ceeding through the streets in an automobile, stopped and made a brief address, assuring the crowds that a peace settlement was certain and probably cers "flitted about Washington in Govwould be reached before morning. De ernment automobiles" was "scandal la Barra seemed to be in consultation ous" when the Army appropriation bill with both Madero and Diaz regarding came up today, and offered an amendquick settlement in order to avoid ment to limit Army vehicles here to intervention.

At 6 o'clock tonight General Huerta, Mule-drawn carriage, he thought, the federal commander, gave the order to cease firing. Soon detachments of Federals were seen marching from their why the Kansas Senator did not limit positions to the government base near it to oxen. The Senate, however, voted the palace, their guns slung on their

To those watching the battle it was ne surprise to hear the bugles sound SHIP TO WATCH FOR BERGS the order for the federals to cease firing. The tired soldiers obeyed with alacrity, but the effect on the rebel lines of Huerta's order was different. The small arm fire increased in volume, as if the besieged were expressing defiance. Ten minutes later all firing along the federal lines ceased but that from the rebels continued, though in diminishing measure, a cannon now and then sending a shell first to one side and then to the other as if marking time.

The rebels were not reinforced today, but the federals had received additions to their ranks and the claim was made by the government that it had no fewer than 6000 men available. The rebels numbered 3000, including several hundred men who deserted to them today. The federal forces were increased stallation. by 700 brought by General Blanquet from Toluca early in the afternoon

SUFFRAGISTS REACH TRENTON

Lawrenceville Students Give "Army" Reception.

"CORPORAL" SHOWS PLUCK

Army' Praises One of Number Who. With Feet Painfuly Blistcred, Hobbles Ten Miles, Refusing Auto Ride.

TRENTON, N. J., Feb. 14 .- "General" Rosalie J. Jones is awaiting an answer rom President-elect Wilson to a for mal request which she made today for an audience with him on the arrival of her marching "army" of suffragists at the National capital on March I of shortly afterward. The request was made in a letter which one of the general's aides, Mrs. John Boldt, deliv ered at Governor Wilson's home before the "army" left Princeton this morn-

Governor Wilson had gone to Philadelphia, Mrs. Boldt was told, but pron ise was given that the letter would be delivered to him. The letter, which delivered to him. The letter, which was signed just "Rosalie Gardiner Jones," without any title of any kind,

"My dear Mr. Wilson: a small band of votes for women pilgrims from the states of New York, New Jersey, Pennsylvania, Delaware, Maryland. Virginia and Ohlo earnestly request of you an audience for not more than two minutes in Washington as soon after your arrival as possible. They desire to present a message to you."

Pligrims Attend Theater.

The "army" tonight joined with suffrage advocates in demonstration in favor of the propos woman's suffrage amendment to th constitution of New Jersey. The measure comes up for hearing before Legislature next week and tonight the en attended a theater prformance as the guests of the Trenton Civic and Suffrage Club, at which 15 minutes between each act was allowed them to make speeches in favor of the measure. Miss Elizabeth Freeman and "Colonel" Ida Craft spoke as representatives of suffrage amendment is about 30,000 the "army." Earlier in the evening the heavier than before, decided to open pligrims were toasted at a banquet the books in time to give voters 60 given by the local workers.

strongly into the question. By those who profess to know it is said there is Dwelt in Parmony, Built Good Roads and Also Had Airships to Move About In.

CONCLUSIONS PROF. HALLOCK DRAWS AS TO CAIN'S EARLY RESIDENCE IN OREGON.

People were nomadic until Cain built Enoch, located by archaeolo-gists near Klamath, Or., then the terminal of the ancient trans-Pa-cific route from the since submerged continent of Tula.

Actual discoveries on Pacific Coast consist of stone, bone and a few metal tools at various levels. There are also traces of airships. were used in that day, Gold was probably the agates found in great quantities even today."

North America was the "ultima

Thule" of the autedituvian Cain himself was born outside garden, which was in Eden, after the

Eden was located in a "continental porhood and scattered in a wide ring region" to the castward of where Adam and Evo were born, the Noachian deluge having obliterated trace of it. Professor Hallock says the peaks of Polynesia indicate that continent of Tula was in the Pa rick Courtney. Detectives rushed up and Webb was clubbed into submis-

mants of that continent. The sinking of the continent of Tuis caused all the southern portion

ulge from the ocean. Missouri became a center of popu lation before the climax of the gla After the Orisis of this period people moved north, as the ground became bare, reoccupying th region of the Great Lakes, which had been populous in the inter-glacial

BOSTON, Feb. 14 .- (Special.) -The report of Dr. Charles Hallock, the famous archaeologist, who concludes from re-Women more than 31 years old, men founded a city before the flood at the changed their residence since that time to the Peabody Museum, of Harvard, where it has been filed. Dr. Hallock The registration office has been fitted makes a number of highly interesting lows here, is vague as to authorities therefor.

BY CHARLES HALLOCK, PH. D. North America (the Biblical Land of Nod, lying to the "eastward of Eden") was a comparatively old country when Cain was evicted and migrated thither after his unfortunate escapade his younger brother, Abel, though its to the City Hall from his residence in population was presumably sparse and scattered, being chiefly nomadic, pastoral and agricultural, inasmuch sweeping his sidewalk. The dust cov-cred the Mayor's clothes and made until Cain built Enoch, "the first city" (Genesis iv. 17). There he took a wife, Settlement Located in Oregon.

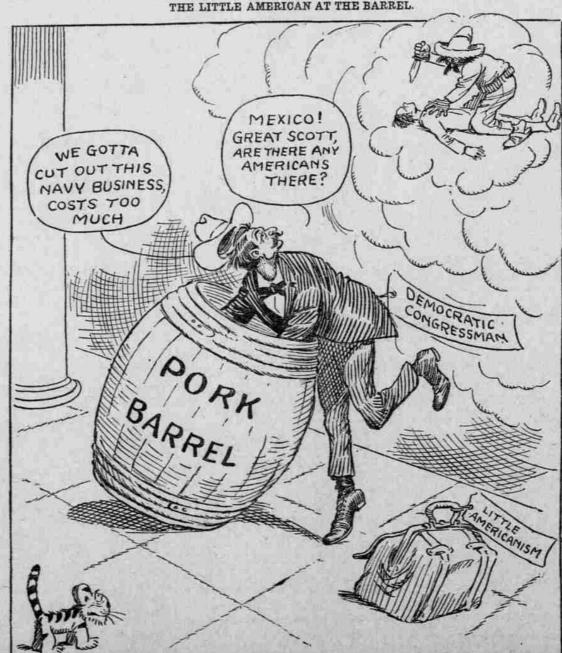

This particular settlement is cated by Biblical archaeologists in Oregon, near Klamath, the terminal of Mayor, kept on sweeping, if anything the ancient trans-Pacific route from Tuba (the submerged continent in mains have been traced and identified. Wherever it was, it was inferentially the original birthplace of allegorical Adam "from whence he was taken" (Genesis iii:33) when the Lord established him in the Garden of Eden in

Many of the residents of Enoch were presumably refugees from Tula at the time of the Noachian deluge. The region round about Enoch was known through tradition as the Land of Peace, or the Happy Nation, which was a communal wife, Zillah, and sister of Tubal-cain, metals had not come into use in many parts of the world.
