# POLICE AGAIN ON DUTY IN CAPITAL

Ambassador Wilson Reports Return to Normal Condition in City of Mexico.

### ZAPATA IS STILL FACTOR

State Department, However, Does Not Regard Guerilla Activities as Especial Menace to Stability of Government,

WASHINGTON, Feb. 20 .- The Mexinormal conditions, according to reports of Ambassador Wilson to the State Department. Mr. Wilson's dispatches announced that quiet prevailed, that the police had resumed their duties and

Whether this peaceful condition will continue is the subject of much speculation among Government officials. There seems to be a general feeling that unless special inducements in the way of desirable offices can be held out to rebel leaders in the north, these men will refuse to recognize the new

Zupata Regarded as Factor. It generally was expected that Zapata

paign. The guerrina methods can played by the Zapatistas, while anincying, are not regarded as particularly dangerous to the stability of the civilians and 50 or 60 of Felix Diaz

government.

General Huerta informed Ambassader Wilson yesterday that Gustavo Madero had been killed by soldiers without orders. General Huerta asserted, however, that Gustavo had joined with President Madero in two attempts to assassinate him and had held him a prisoner for a whole day.

Huerta Once Under Suspicion.

This statement would seem to ex-plain the reason why Ambassador Wil-son was not permitted to confer with Huerta, except in the presence of Ma-dero himself, as it indicates that Huerta was a prisoner and under suspicion at the time Mr. Wilson's request the fussiliade.

Corvallis Business Men Subscribe for 2000 Shares.

CORVALLIS, Or., Feb. 20,—(Special.)

At an informal meeting at the Commercial Club last night 20 business men of this city subscribed for 2000 shares of Corvallis cannery stock and made possible the addition of a coldage plant and needed machinery, cannery, operated by the Benton County Growers' Association, has already contracted for more than 1,500,

Operated last season under adverse circumstances and without contracts with the farmers, the cannery made a good season's run and put up a pack that sold readily and brought contracts for this season's output. The growers are back of the cannery this year with financial support and large agreeges.

WASHINGTON, Feb. 20.—Prohibition of Juarez, where the missing general is reported by rebei agents to be. From a point 100 miles southwest of Juarez, where the missing general is reported by rebei agents to be. From cother sources it is declared that Orozco, if living, is writing his correspondence from some hiding place in the United States. Operated last season under adverse for this season's output. The growers are back of the cannery this year with financial support and large acreages

SAN FRANCISCO, Feb. 20.—(Special.)—All letter stamps used by this municipality from now on will be punched "City, S. F.," so that the people when the people were the people were the people when the people were the people when the people were the people were the people when the people were the people were the people when the people were the people were the people were the people when the people were the people w ple may know. If a taxpayer gets a letter from any city official or employe with the words and initials perforated on the stamp, he will know that if it not official correspondence it ought

On the recommendation of the Efficiency Bureau the supplies committee of the Supervisors has bought a punch for \$50.75, which will be used to designate all stamps bought by the city.

The committee announced that the object is to prevent pilfering, as well as to stop the use of the city's money for personal correspondence. The new custom is sanctioned by the Government.

rural guard, was also placed under ar-

rest on the same charge.

People Acelaim General, General Diaz came into his own late this afternoon as far as a manifestation of popular approval was concerned. Riding at the head of his troops, which for nine days withstood the attacks of the government, Diaz received such an ovation as had not been witnessed here since the triumphal entry of Madero at the close of his revolution. Crowds filled the of his revolution. Crowds filled the streets to witness the marching out of the troops from the arsenal, and the big square in front of the national palace, where the troops passed in re-view before the new President, was one great mass of humanity. In the line were the guns which had battered the palace, and squads of men without uniforms bore witness to the fact that Diar had the support of others besides the mutinous soldlers.
