

SIGNAL VICTORY IS LISTER'S ON ROADS

Washington Solons Give Up to Governor.

SENATE ASKS \$40,000,000

Despite Warning Upper House Favors Big Bond Issue.

MORE VETOS EXPECTED

Executive Expected to Turn Down All of Monday's Appropriation Bills Except That for Panama-Pacific Fair.

LEGISLATORS, LOCKED IN, ARE HARD AT WORK.

OLYMPIA, Wash., March 10.—(Special)—Locking the doors to the legislative chambers so that no member could escape, the House and Senate buckled down to hard work tonight. The total of 700 bills which were still undispensed of when today's session began, was cut down to about 540 in the unprecedented speed which was developed. The House in its rush passed eight bills all on one roll call, all relating to a new system of reporting monthly remittances of departments. In summing up the day's work when the rush was over, it was found that the House had passed 34 measures and the Senate 25.

OLYMPIA, Wash., March 10.—(Special)—

The war between Governor Lister and the control of the Washington Legislature over road legislation came to a peaceful termination today, when the Legislature, unable to override the Governor's veto of the \$1,500,000 road levy bill, surrendered, and put through a bill for a \$1,250,000 levy, as suggested and fought for by the Governor.

The passage of the measure in both houses marks a signal victory for the Chief Executive and brings to an end a fight which had threatened for more than a week to result in a deadlock with no road legislation.

Action Despite Warning.

This action came in spite of the fact that the Governor showed in his message to date by both houses, that appropriations to date by both houses, and appropriations already exceeded the tax levy limit. The appropriations passed were \$300,000 for the starting of the initiative and referendum; \$200,000 for the Panama-Pacific Exposition; \$50,000 for a state publicity fund, and \$100,000 for the completion of surveys for the Quincy Valley irrigation project. \$15,000 to send all Gettysburg veterans in the Washington Veterans' Home to the Gettysburg anniversary in July; \$5000 for a commission to investigate proposed improvements on the upper Columbia River; \$15,000 for agricultural and industrial extension work; \$125,000 for state training school for girls.

MAYOR'S WIFE REGISTERS

Mrs. Rushlight Gives Occupation as Housewife and Age 26.

Mayor Rushlight now seems certain of getting the vote of at least one woman in the Republican Majoralty primary. Yesterday afternoon Agnes Rushlight, aged 26, Republican, of 400 Karl street, registered at the Courthouse. She is the woman who recently became the wife of the city's chief executive. Mrs. Rushlight gave her occupation as housewife.

LEVY MAY BE 4.75 MILLS

Probability Is State Requirement Can Be Reduced to 4.2.

SALEM, Or., March 10.—(Special)—Possibility of the state tax levy being as high as 4.75 mills is seen in the amount of appropriations that must be met by the state for the year 1914, but it is probable that the levy will be reduced to about 4.2 mills.

Settlement Is Surprised.

The settlement of the road levy fight came as a surprise at the afternoon session. The House and Senate control held out until the last minute in hope of getting a sufficient number of votes to pass the \$1,500,000 bill over the Governor's head. When they counted votes and found that they would fall 11 short they "threw up their hands" and the Governor won a fight which he has been engaged in for more than three weeks.

LANE OFFERS TEAL POST AS ASSISTANT

PORTLAND MAN DECLINES BUT IS ASKED TO RECONSIDER.

Interior Department Head Eager to Have Aid of Oregon Expert on Rate and Land Problems.

OREGONIAN NEWS BUREAU, Washington, March 10.—Appointment as Assistant Secretary of the Interior has been tendered Joseph N. Teal, of Portland, by Secretary Lane, with the consent of the President. Mr. Teal has declined the offer, but it is understood pressure is being brought to bear to induce Mr. Teal to reconsider. His familiarity with land and irrigation law and with Western conditions make him a desirable man for this position and Secretary Lane would be glad to have him accept, as he and Teal are old friends.

Will R. King, Oregon National committee man, today admitted that Democratic leaders from Washington, Idaho, Montana and California had united in recommending him for appointment as Commissioner of the General Land Office, but because of the salary he said he was not sure he would accept the office if tendered. It is admitted Mr. King's chances will largely depend upon whether or not Mr. Teal accepts the assistant secretaryship. If Mr. Teal should accept it is not probable that the commissionership will be given Oregon.

WAR RUMORS ARE SERIOUS

British Minister Denies Readiness to Land Troops in France.

LONDON, March 11.—The alarming development of European armaments and the open references of the German press to the possibility of a French war of revenge creates a feeling of anxiety in Great Britain and the London morning papers express disappointment at the King's speech at the opening of Parliament, for not showing the government's intentions with regard to further defense measures to meet the growth of Continental armaments.

The Prime Minister suddenly jumped up and said: "I ought to say at once, that that is not true." This explicit denial was received with loud cheers.

MRS. WILSON ENTERTAINS

Wives of Cabinet Members Enjoy Tea at White House.

WASHINGTON, March 10.—Mrs. Wilson gave today her first tea in the White House, with Mrs. Marshall, the wife of the Vice-President, and the wives of the Cabinet members as her guests. The first lady in the land presided at the tea table and practically every woman in the Cabinet circle dropped in during the afternoon.

Tea was served in the President's study on the second floor of the White House, instead of in the red room, where Mrs. Taft and Mrs. Roosevelt held similar functions. Miss Belle Hagner, social secretary to Mrs. Wilson, was the only woman outside the Cabinet circle invited, and, according to gossip in Washington tonight, the social programme of the new Administration was discussed at length over the teacups.

CONGRESS MAY ACT ON CURRENCY BILL

Leaders Loath to Discuss Tariff Only.

HEIFNER PLEADS FOR ALASKA

Wilson Faces Hard Task in Limiting Special Session.

COUSIN MAY GET PLACE

President Urged to Appoint Captain Alfred Wilson, of Portland, Or., as Member Philippine Commission—Senators' Claims Heard.

WASHINGTON, March 10.—President Wilson may find a harder task before him than Democratic leaders expected, to carry out their plan to restrict Congress to the consideration of the tariff alone at the special session announced for April 1. Although the special session still is three weeks away, the President heard urgent pleas today in behalf of two subjects which Democrats of influence believe should be taken up and disposed of as soon as possible.

Representative Glass, prospective chairman of the House committee on banking and currency, urged the necessity for immediate consideration of currency reform and former state Chairman Heifner, of Washington, asked the President to consider a recommendation for the immediate enactment of legislation looking to the development of Alaska.

Introduction Thought Likely.

Mr. Glass left the White House convinced a currency measure might be introduced and partly perfected at the special session, though it hardly was likely to be passed.

Mr. Heifner was assured of a further hearing at which Senators and members of the House interested in Alaska would have an extended hearing. Their efforts will be directed toward having the President support a plan proposed by the Alaskan Railways Commission for the construction of several railroads designed to open the coal fields of that territory.

Bull Moose May Aid Democrats.

Progressive Republicans, not approached as yet by Democratic leaders, are expected to fall in line with the dominant party and aid in tariff revision.

MISS GARDINER DESERTED

Woman Who Won Man From Wife and Baby Back From Orient.

SAN FRANCISCO, March 10.—(Special)—Miss Carol Gardiner, who was said to have won Raymond McMurray from his wife and baby in Portland, returned today from the Orient, deserted by him.

MILITANTS CHARGE ON ROYAL COACH

Women Brandish Ribboned Petitions.

DISTURBERS HUSTLED TO JAIL

Jeering Crowd Threatens to Duck Suffragettes.

KING MAINTAINS SILENCE

Monarch's Message to Parliament Contains No Reference to Suffrage and More Militancy Is Advised by Leaders.

LONDON, March 10.—Fears lest the militant suffragettes might annoy King George and Queen Mary and create a disturbance made the royal opening of Parliament today, and the procession thereto from the palace, an occasion charged with nervousness. Nor were such anticipations groundless.

Five women attempted to break through the cordon of troops while the royal procession was traversing St. James' Park, with the intention of throwing petitions into the state coach. They carried the petitions in rolls tied with the suffragette colors and brandished them enthusiastically.

Women Quickly Arrested.

It is doubted, however, if the King and Queen saw the performance. The police pounced upon the women quickly, before they could get through the line of soldiers, and led them to jail, an enormous jeering crowd following in their wake.

In their petition to his majesty the suffragettes declare that law and order cannot be re-established in the realm unless women are given the vote.

Intent to Insult Denied.

Mrs. Emmeline Pankhurst, addressing a large meeting of militant suffragettes tonight, said it was not the intention of the women to insult the King, but that they intended to use their constitutional right of petitioning his majesty.

Two other suffragettes were arrested in the vicinity of Marlborough House and escaped rough handling only through the energetic efforts of the police. Shots of "duck them!" "into the lake with them!" brought together a mob of 3000, all bent on taking the women from the hands of the police.

"The presentation of a petition to the King and Queen was no disrespect to their majesties. The aim was to call by him.

SERUM IS PROVING GOOD, SAYS DOCTOR

PATIENTS FIRST TREATED ARE REPORTED BETTER.

Dr. Landesman Finds Friedmann "Cure" Has Alleviated Pains in Chests and Lessened Cough.

NEW YORK, March 10.—The first patients in America to receive treatment for tuberculosis by Dr. Friedrich Franks Friedmann, of Berlin, already have begun to improve in health, according to Dr. Max Landesman, managing director of the People's Hospital, where the Berlin physician demonstrated his treatment last week.

Dr. Landesman said the pains in the patients' chests have been alleviated greatly and their coughing nearly had stopped. He referred to the treatment as remarkable.

Dr. Friedmann left tonight for Canada, where he plans to give demonstrations of his treatment. He probably will administer his serum tomorrow to patients under the auspices of the Royal Edward Institute, in Montreal. He will attend a tuberculosis convention in Ottawa Wednesday and will demonstrate his vaccine there. He will treat 100 patients at the King Edward Institute at Toronto Thursday.

Meanwhile the Government officials who are investigating the treatment will gather more patients, upon whom they will ask Dr. Friedmann to demonstrate when he returns here Friday.

Dr. S. S. Coldwater, superintendent of Mount Sinai Hospital, said tonight that the directors of the Government hygienic laboratory at Washington have requested the Mount Sinai officials to aid in the investigation.

\$10,000 IN OPIUM SEIZED

Tacoma Inspector Makes Clever Catch, First on Japanese.

TACOMA, March 10.—What was declared by customs officers to be the largest seizure of opium on Puget Sound in a number of years and the first ever made on a Japanese took place today when Deputy Customs Inspector Adams arrested K. Takaki, chief steward of the Mexico Maru, now in port. Takaki, who was entering an automobile to go up town, was found to have 18 tins of opium under his raincoat, and later, when his room on the Mexico Maru was searched, 230 more tins were found, making 248 in all, valued at \$10,000.

It is said here that other arrests are probable, opium having been disposed of, according to customs officials, both at Seattle and Vancouver. B. C. Ten days ago the same inspector arrested a Chinese leaving the British steamer Orteric with ten tins in his possession.

\$450,000 DEAL IS PENDING

Southern Pacific Believed Prospective Buyer of Henry Building.

Negotiations are under way for the purchase of the C. K. Henry building, situated at the southwest corner of Fourth and Oak streets. It is believed that the Southern Pacific is the prospective purchaser.

"No, the building has not been sold as yet," said Mr. Henry last night, "but I may have something definite to announce before the end of the week."

The building covers a quarter block and is six stories in height. It is valued at approximately \$450,000.

Another important deal that has just been closed involves the quarter block at the southeast corner of Eleventh and Alder streets. This property was purchased from J. W. Cook by P. A. Kribbs for \$200,000.

VESSELS GO TO AID SHIP

Despite Heavy Seas Captain and Crew Remain Aboard Lugano.

KEY WEST, Fla., March 10.—Every available vessel in the local harbor has gone to the assistance of the British steamer Lugano, ashore on Ajax reef with a cargo of silks, wines and general merchandise, estimated to be worth \$1,000,000.

Reports received tonight are that the holds of the steamer were flooded. The wind is high and heavy seas threatened to pound the steamer to pieces. Despite the precarious condition of the vessel, Captain Penwill and the crew remained aboard. Relief tugs were standing by at a late hour, ready to take off the officers and crew.

PRINCESS OBJECTS TO FEE

Widow of Czar Alexander II Brings Action Against New York Man.

NEW YORK, March 10.—Princess Youliowsky of Paris, widow of Czar Alexander II, who was killed by nihilists in 1881, made application in the state courts here today for an order directing Victor E. Gartz, a New York lawyer, to pay her \$2900. She alleges that he retained \$2900 as a fee for collecting \$25,000 and she considered \$1000 ample.

The Princess now is 69 years old. She was the second wife of Alexander II, whom she married, morganatically, in 1880.
