

LIPTON CHALLENGE FOR RACE REFUSED

New York Yacht Club Declines to Defend America's Cup Under Rules Proposed.

DEED OF GIFT ADHERED TO

Requirement That Defender Be of 75 Feet Water Line Results in Action—Briton Said to Be Willing to Send Craft.

NEW YORK, March 12.—Sir Thomas Lipton's challenge for another race for the America's cup, the premier trophy of the yachting world, was declined by the New York Yacht Club tonight. This action was taken, the club announced, because the challenge did not comply with conditions of the deed of gift which governs all contests for the cup.

The declaration of the present challenge, however, it was said by members, did not necessarily mean that no America's cup race was in prospect, as the club expects an unresisted challenge for the cup from a British gentleman other than Sir Thomas Lipton.

Water Line Length Is Issue.

The club's official statement related to the reason for the declaration of the Lipton challenge, which was forwarded by the Royal Ulster Yacht Club for Sir Thomas. The statement read: "The New York Yacht Club has declined this challenge because it imposes as a condition that the defending vessel shall not exceed 75 feet length on the water line and thereby deprives the defending club of the right given it by the deed of gift to select a vessel of such size as it pleases, provided she be not less than 65 nor more than 90 feet on the water line."

"The club has cabled its reply to the Royal Ulster Yacht Club. 'As it would be improper to make this reply public until the same has been received by the Royal Ulster Yacht Club, it cannot be given to the press until tomorrow evening.'"

All Votes Against Acceptance.

The club's action tonight was taken at a meeting attended by more than 200 members. Only boat owners were entitled to vote on the question of the challenge. Forty votes were cast and all were against acceptance. The refusal was a repudiation of the club's action upon the Lipton challenge in 1907, which likewise stipulated for craft under the 90-foot mark as challenger and defender.

Sir Thomas sent the three Shamrocks to this side of the water in a vain quest of the cup against 90-foot defenders and has contended that a yacht of the 90-foot type cannot be constructed on the other side and brought across with safety to the crew without a sacrifice of some of her racing qualities to the strength of construction necessary for an ocean voyage.

In his present challenge Sir Thomas, through the secretary of the Royal Ulster Club, had specifically stipulated the length of his yacht on load water line as "75 feet" and her type as "cutter." He had purposed following up the line of Shamrocks by naming the prospective challenger "Shamrock IV."

Lipton Makes Conditions.

In forwarding this challenge, Secretary Patterson, of the Royal Ulster Yacht Club, wrote: "I am desired by the committee to say that it is sent on condition that the cup will be defended by a yacht with a length on load water line not exceeding 75 feet."

The challenge stipulated the same regulations "as governed the same contests (in 1903) and which proved to be satisfactory, namely—the best three out of five races on the same course, with like starts and other details."

The dates picked were September 10, September 12 and September 15, 1914, with further races to be sailed on each following Thursday, Saturday and Tuesday until finished.

The America's cup committee which has had the challenge under consideration is comprised of:

Commodore, Lewis E. Ledyard; E. D. Morgan, Cornelius Vanderbilt, Henry Walters, C. Ledyard Blair and J. P. Morgan, Jr., rear commodore.

MCCORMICK SURE TO LAND

Rodgers and Chadbourne Declare There's No Chance of Losing Him.

VIRALIA, Cal., March 12.—(Special.)—That Mike McCormick will be as staunch an infielder as there is in the Pacific Coast League by the time the season opens April 1, is the opinion coincided in by two Portland teammates, Bill Rodgers and Chester Chadbourne.

Both Beaver veterans have played against the scrappy Irishman and know his style thoroughly. Rodgers in the Connecticut League and Chadbourne in the American Association in 1910.

"McCormick was managing the Holyoke Club and I was playing with him at Holyoke, having been sent over there by Buffalo," said Rodgers. "He played shortstop and sure could send them up and hit the ball. He covers an immense lot of territory and you can't keep him off this team. That's all there is to it."

While McCormick comes from the Toledo and St. Paul Clubs labeled as only a .250 or .260 hitter, Chadbourne predicts that he will club .300 in 1913.

"St. Paul had two bad hitters in 1912. Butcher and McCormick," Chadbourne said. "No. Butcher was not the man Portland had last year, but McCormick is the same now with us. Whenever Indianapolis played St. Paul in Lexington Park, St. Paul used to station myself away back near the fence for McCormick and Lexington Park is no band-box, either. McCormick hits the ball awfully hard."

He is short and built like a racing machine. He is not a Spring chicken by any means, having played in the big leagues long before Rodgers first saw him in 1909.

GUS AHRENS AND CHITRY WIN

Score of 1313 Pins Made in Ragtime Tournament on Oregon Alleys.

Gus Ahrens and Chitry carried off premier honors in the Sunday ragtime bowling tournament on the Oregon alleys, scoring 1313 pins for a prize of \$25. Al Arens and Tom O'Donnell were second with 1263, and Al Arens and Bechtel third, 1242.

Varsity Sophomores Win.

UNIVERSITY OF OREGON, Eugene, March 11.—(Special.)—The University of Oregon sophomores yesterday defeated the freshmen by a score of 3 to 2 in the first baseball game of the

inter-class series. Higbee brought in the winning run with a two-bagger in the fifth and last inning. The batteries: Sophomores, Dorris and Miller; freshmen, Cornell and Thatcher.

"Tub" Spencer Gets Off Wagon.

BOYES SPRINGS, Cal., March 12.—(Special.)—When the first squadron of Seals arrive in San Francisco tomorrow morning to get ready for the second series with the Chicago White Sox, "Tub" Spencer, counted on for first catcher, may be among those listed as "missing." The robust backstop has been missing from the ball park ever since the team returned to camp and Manager Del Howard is thoroughly disgusted with the big fellow's action. The trouble is that this year's model of water carts are built too close to the ground and travel at too slow a pace. It has given "Tub" a chance to step off and so it is that he is in the "in bad" club. Already Howard is dickering for another receiver.

La Grande After Wilkins.

CENTRALIA, Wash., March 12.—(Special.)—Joe Wilkins, operating a poolroom in Centralia and who managed the Hiram State League team last year, yesterday received an offer to manage the La Grande team, in the Tri-State League. Wilkins has not yet decided whether or not he will accept.

MT. ANGEL QUINT WINS

COLLEGE JUNIORS DEFEAT JEWISH BOYS, 20 TO 19.

Sensational Field Basket Scored by Visiting Team—500 Enthusiastic Fans Witness Fast Conflict.

The Mount Angel College juniors won the 145-pound basketball championship of Oregon last night from the Jewish Boys' Athletic Club five, 20-19, on the Y. M. C. A. floor, resulting from persistent fouling by the Portland team and a sensational field basket scored by Center Ryan, of the collegians, in the last two minutes of play.

Each team scored 19 field goals, but the Jewish boys fouled 19 times, eight of which were converted into goals, while the Mount Angel boys fouled only ten times, Goldstone converting three tries into seven baskets.

A crowd of 500 enthusiastic fans witnessed the contest, partisan feeling running high. Sensational plays were the rule rather than the exception, with Goldstone and Schwartz, of the losers, and Kronberg, Ryan and Gnos, of the winners, the stars of the game. At the end of the first half the score was 10-9 in favor of Mount Angel, thanks to the fouling of the Jewish boys.

The Jewish boys' second team defeated the Brooklyn Athletic Club five, 14-13, for the 125-pound city championship in a curtain-raiser. The score at the end of the first half was 12-7, the Brooklyn boys came back strong in the second period and would have won had the affair gone many more minutes.

KINETOPHONE IS HERE

ORPHEUM THEATER GETS EDISON MACHINE SOON.

Charles Schlatter, New York Expert, Comes North to Install Latest Moving Picture Invention.

Charles Schlatter, an expert from New York, has arrived in Portland and begun setting up the Edison kinetophone which will become a feature of the programmes at the Orpheum Theater and will be first featured probably in the show opening a week from Monday.

Mr. Schlatter is one of ten experts that were started out from New York several weeks ago to come westward through the cities on the Orpheum circuit, setting up the machine and leaving behind them, as an exclusive feature in these theaters in each city, the first instruments whereby the public is given the privilege of seeing pictures that not only move, but also talk and reproduce faithfully all of the sounds that accompany the action of their drama.

"Sixteen pictures are whirled through the machine every second to produce the effect of motion," says Mr. Schlatter. "This means that the photograph attachment which produces the accompanying sounds and speech must be synchronized perfectly within one sixteenth of a second. This is what Mr. Edison has accomplished in the kinetophone and the result is a perfect reproduction of the play of the moving picture, with all the sounds that should accompany it."

Mr. Schlatter came to Portland from San Francisco, where he installed the machine in the Orpheum Theater and the Orpheum there last week, featuring in the varied list of pictures reproduced is Mr. Edison himself, who appears as a lecture upon the principles and working of the new invention.

JAEGER MADE PRESIDENT

Retail Merchants' Association Elects at Annual Meeting.

E. J. Jaeger was elected president of the Retail Merchants' Association at the annual meeting in the Portland Hotel last night. Other officers elected were: First vice-president, C. F. Berg; second vice-president, J. P. Piagamanni; secretary, F. G. Buffum; assistant secretary, W. B. Shively; treasurer, Wilfrid P. Jones.

The occasion was made additionally enjoyable by an informal dinner and an orchestra concert. Three interesting short talks were given as follows: "The Science of Salesmanship in a Retail Business," Don C. Sheldon, assistant manager Sheldon School; "What is a Retail Clerk Selling?" M. W. Hard, sales manager J. K. Gill & Company, and "Sales Management," by J. Fred Larson of the Understock-Larson Company.

The affair was in charge of a committee consisting of W. A. Knight, Wilfrid P. Jones, F. L. Case and W. B. Shively.

FEATURE BOUT AT BROOKLYN DRAW

Judges Unable to Pick Winner in Driscoll-Owens Four-Round Battle.

THORNSNESS JARS STEVENS

Boatwright and Moorey Mix All Over Ring, Collide With Referee and Provide Fun for Fans. Powers Defeats Larin.

BY FRANK HOCHFELD.

The question of supremacy between Driscoll, of Brooklyn Athletic Club, and Owens, of Columbus Club, is unsettled. The two lightweights battled for four strenuous rounds at the Brooklyn Athletic Club smoker last night and the officials were unable to give a decision. Judge J. Morris Dunne and Fred T. Merrill passed it up to Pearl Casey, the baseball umpire, who was refereeing, but Perle, despite the rule compelling a decision, declared the affair a draw.

The boys went at it hammer and tongs from the tap of the gong. The judges were unable to agree at the end of the third round and called a fourth. This also was even and when the fighters and the spectators refused to accept the flip of a coin to decide the bout as suggested by Casey, the draw verdict followed.

Thorness Jars Opponent.

Thorness of Multnomah, in the 125-pound class, caught Stevens of Columbia, with a right cross on the point of the jaw early in the third round that jarred him so that he was unable to continue although he was on his feet. The Multnomah boxer had the better of the mill from the start and would have won easily had he not landed the telling blow. The bout between Boatwright, of Arleta, and Moorey, of Brooklyn, proved to be the vaudeville entertainment of the night. The Arleta boxer took a number of hard punches early in the first round and came back strong, rushing his opponent through the ropes several times as well as showing his skill as a wrestler. Casey experienced great trouble in separating these boxers and on several occasions was in danger of receiving a blow himself. Moorey was compelled to quit at the end of the third round contending that he had injured his arm and Boatwright received the decision.

Powers Punishes Larin.

In the fight between Powers, of Multnomah, and Larin, of Arleta, it was five and take for two rounds, after which Casey stopped the bout and awarded the decision to the Multnomah boxer. Larin, although this was one of his first fights, showed great cleverness. Powers just arrived from Victoria, where he engaged in a bout there and came out victorious, and has not had the time to train properly for the bout last night. Belmont, who was to have met Calhoun, of Arleta, became ill several hours before the fight and was unable to appear. The following are the results of last night's bouts:

140-pound class—Driscoll (Brooklyn) fought four-round draw with Owens, of Columbus.

125-pound class—Thorness (Multnomah) defeated Stevens (Columbia), three rounds.

125-pound class—Boatwright (Arleta) defeated Moorey (Brooklyn) in three rounds.

125-pound class—Powers (Multnomah) defeated Larin (Arleta) two rounds.

145-pound class—Parslow (Multnomah) defeated Greece (Brooklyn) four rounds.

Telegraphic Sport Briefs

LONDON.—The training of the rival Oxford and Cambridge eight-oared crews, which are to meet Thursday for their annual boat race, was in progress. Oxford still is the favorite but Cambridge, despite the changes made in the crew, has made rapid progress.

Albany.—A new anti-race track gambling bill which seems to overcome the recent decision of the appellate division sustaining the decision of Justice Scudder in the Shans case, has been introduced. The bill would produce betting of any kind on the race tracks.

Washington.—Harvard University and Massachusetts Agricultural College, tied with nine victories each in the Intercollegiate Rifle Shooting League matches, will meet this week to determine the championship of the East. West Virginia University, which still leads with nine straight victories, will shoot off this week for the championship of the West with Iowa University and the University of Minnesota, tied for the second place.

Pendleton, Or.—Billy Gaffney, featherweight, fought Sing Hsuan, a Chinese boxer, 15 rounds to draw. Sing in the 10th round was Irish and groggy, but Gaffney recovered and came back in the 12th, leading all the way to the finish. Sing meets Jockey Bennett at Boise, March 17.

Ithaca, N. Y.—Cornell crews went out on Cayuga Lake for the first time this season, just a week earlier than last year. The oarsmen were jubilant and showed splendid form after the long winter's grind indoors.

Toledo, O.—William King, of Cleveland, a comparatively unknown bowler, defeated the local champion, Ed. H. Jones, 15-10, in the second division.

The Portland interscholastic swimming championships, scheduled for the Multnomah Club tank, probably will be staged on Friday night, April 25, or Saturday afternoon, April 26.

The aquatic athletes are expected to complete in the championships at Eugene early in May, the Portland meet will be held prior to that date. Details will be arranged by the Portland Interscholastic Association.

Redlands, Cal.—A batting rally in the eighth inning saved the Chicago Americans from defeat as they defeated the local collegians and others. The score was 4 to 3.

Seaside Clams' Fame Spreads.

SEASIDE, March 12.—(Special.)—Seaside was always noted throughout Oregon for its sea food, especially its razor clams. Throughout the year James Peterson has shipped on an average of ten cases a day, supplying the Portland and Astoria markets. However, the fame of these clams has reached the outside, and yesterday Mr. Peterson received a telegraphic order from a fish company in Vancouver, B. C., requesting that there be shipped to them daily one case of razor clams.

The Selden Truck HAS ARRIVED

The Selden Truck is now on display at our salesroom and demonstrating appointments are in order. To see a Selden and compare it with other trucks of the same capacity is one of the best arguments we have to offer. You know Selden is the man who put "sell" in trucks. In other words, Mr. Selden was the owner of the famous Selden patent, who for years received tribute from automobile manufacturers for his knowledge of how a gas-propelled vehicle should be constructed. There is no person who is better known to the automobile fraternity, the world over. They all respect his ability. We offer the Selden truck as a finished product, and to prove our faith in the truck and YOU we will sell it

\$2150, PORTLAND, WITHOUT BODY

Could any proposition be more fair? In short, the truck will pay for itself, earn its own way, increase your business, facilitate your system of delivery and, above all, it's GUARANTEED to do the work.

CLUB FORMS LEAGUE

Multnomah Will Have Four Teams This Year.

SEASON BEGINS MARCH 30

Double-Headers Will Be Played on Every Sunday Morning—17 Persons So Far Entered for Squash Tournament.

Multnomah Amateur Athletic Club is to have a four-team baseball league and a strong representative line on the diamond this season. Lyle F. Brown, new chairman of the baseball committee, has called a meeting of enthusiasts for next Sunday noon, when a captain will be elected by the members of last year's team and plans for the season will be discussed.

Harry Fischer, Dell O'Hanlon, E. Plowden Stott and A. H. Allen have been named captain-managers of the four teams to comprise the circuit. The league will start about March 30, with schedule will start about Sunday morning. Last year the league was composed of six clubs, but the four-club scheme is preferable, with each club in action once a week.

The only game on the schedule is that with the University of Oregon on April 12, but Manager Brown is in communication with other teams and expects to have a complete schedule drafted within three weeks.

With 17 entries for the squash tournament and others scheduled to sign up before March 15, more than 25 players are expected to compete in the tournament which will start on March 20 on the club courts.

The following is the list of entries to date: A. S. Frohman, M. C. Frohman, G. J. Jones, R. S. Mackenzie, W. H. Whiting, F. A. Foster, Harold A. Wilkins, O. K. Jeffery, O. E. Fletcher, E. J. Frohman, M. Maguire, F. M. De Neffe, Sam E. Archer, R. C. Hart, L. E. Adie and H. Dosey.

L. Buch won two matches in the handicap pool tournament at Multnomah Club Tuesday night, April 23, and Sunday afternoon, April 25.

The aquatic athletes are expected to complete in the championships at Eugene early in May, the Portland meet will be held prior to that date. Details will be arranged by the Portland Interscholastic Association.
