ROAD'S PLANS DELAYED

THROUGH SERVICE TO ST. PAUL UNLIKELY FOR YEAR.

O.-W. R. & N. Cutoff Between Portland and Spokane Must First Be Completed.

Operation of through passenger service over the O.-W. R. & N. and Milwaukee tracks between Portland and St. Paul may be delayed more than a year.

The proposed service will not be adopted until after the new O.-W. R. & N. cutoff between Portland and Spokane is completed.

Plans are now on foot for a readjustment of the schedule between Portland and Chicago that will improve the service of No. 17 and No. 18—trains which are the fast through trains—as well as on No. 5 and No. 6.

However, these two roads already work together in handling service between Portland and Chicago. The Milwaukee system carries the O.-W. R. & N. Company's trains No. 5 and No. 6 between Omaha and Chicago.

R. B. Miller, traffic manager of the O.-W. R. & N. Company, have been considering the advisability of putting on a new train between Portland and Salt Lake City to relieve somewhat the work of the through trains.

PISTOL DEALER ARRESTED

Harry Vines Denies Charge, but Says He Had Weapon Displayed.

As a consequence of the murder of Isaac Bloom by James Hammond, Wednesday evening, Harry Vines, a second-hand dealer at 70 North Third street, was arrested yesterday by Detectives Price and Mallett, on a charge of selling Hammond the weapon with which the crime was committed.

An ordinance now in effect forbids the sale of any weapon capable of being carried concealed, without a written permit from the Chief of Police, and it is under this law that Vines is charged. His case will come up in Municipal Court today.
