A Spring Day for Every Woman Being a Sale of the Newest Suits Four Distinctly New Models \$38.50 Each Representing the Best in Tailored Garments

The model illustrated comes in a soft, light tan only. The jacket fastens in front with one button and the back shows a straight back with an inverted pleat down the center. In fact, the lines in the back of the jacket are the main feature, and will make the largest figure appear slender. In the front is a small vest of plain broadcloth.

The second model is of a fine quality hairline striped serge in black and navy blue. The jacket is slightly cut away in the front, fastening with four buttons. The skirt is plain gored.

The third model is a novelty style, also of a fine quality serge in plain black, white and shepherd checked cloth. The jacket has a three-button front, straight cutaway shape with a slight dip in the back. The skirt is a half tunic style, draped on one side and trimmed to match the jacket.

The fourth model is particularly suitable for small women, and we will state right here that we cater especially to women of small stature, having suits made to our order. This model is of navy serge and black and checked material. Has a double-breasted jacket, silk piped and trimmed. Peau de Cygne lined. The skirt is gored.

400 New Trimmed Hats \$5.00

The throngs which crowded our Millinery Department last Saturday spurred us on to greater effort. Every woman who saw our special \$5 Hats last week was instantly delighted at their distinctive beauty and irreproachable style—and were more than surprised to see such lovely hats sold at such a low price.

Our milliners were more than enthusiastic when asked to make 400 more—and to make them prettier than the last lot. Each one tried to outdo the others, with the result that they have created the loveliest hats that we have ever been privileged to present at \$5.

We have taken no notice of the cost in producing these Hats. You may be able to duplicate them elsewhere, but the price will most likely be \$8.00 or \$10.00.

CONVICT IS TORTURED

PARDONED PRISONER TELLS OF INHUMAN METHODS.

Strait Jacket and Water Cure Declared in Use at San Quentin. Joint Inquiry Arranged.

SACRAMENTO, March 14.—The straight jacket is never idle at San Quentin. E. E. Duncanson said today to the Assembly committee on prisons and reformatories. Duncanson was released last August, after having served two years of a life sentence of which he was pardoned by Governor Johnson, and appeared today to complain of the cruel and inhuman treatment to which he says he was subjected there, almost at the cost of his life.

Duncanson amazed the committee by the statement that men had been tortured to death in an abandoned mill in the prison yard, where, he said, the straight jacket and the water cure were applied to prisoners marked for punishment. He also said he had seen two prisoners with wrists cut to the bone come from the mill. One of them told him that he had been hung up by his

handcuffed wrists from morning until night for 62 consecutive days. Chairman Ellis, of Riverside, interrupted Duncanson's story to arrange for a joint hearing Monday with the Senate committee.

Fredericks Says He Will Not Move for Dismissal of Indictment.

LOS ANGELES, March 14.—District Attorney Fredericks said emphatically today that he would not move for the dismissal of the indictment against Clarence S. Darrow for the alleged bribery of Robert Bain, a McNamara juror, whose trial on that charge recently resulted in a disagreement of the jury.

So far as he was concerned, the District Attorney said, the new trial would be begun on March 21, the date set by Judge Conley, who presided at the last trial.

500 LINEMEN WALK OUT

BRITISH COLUMBIA TELEPHONE COMPANY TIED UP.

Without Warning Electrical Workers Strike for Increased Wages and Improved Working Conditions.

VANCOUVER, B. C., March 14.—Giving the officials of the company no warning, nearly 500 linemen and electrical workers employed by the British Columbia Telephone Company throughout British Columbia, went on strike this afternoon. In Vancouver nearly 100 men are affected by the strike.

Arrangements had been made by unions at Victoria, Nelson, Greenwood and New Westminster to quit work simultaneously with the Vancouver workers. This took place this afternoon at 5 o'clock and so closely had the men guarded the secret of their plan that it was not until the night men failed to turn up that the officials of the company realized that they had gone on strike.

Recognition of the union, increased wages and improved working conditions are demanded by the men. There is no complaint as regards hours.

JOB HUNTERS ORIGINAL

Applications Bounded in Morocco and Concealed in Head of Cane Take Usual Route.

WASHINGTON, March 14.—(Special.)—California job hunters are using unique methods to draw the attention of President Wilson to their thirst for Federal jobs.

R. M. De Witt, of Yreka, has the most original application that has been seen to date. De Witt wants to be appointed Collector of Customs at San Francisco. With his application he sent several thousand indorsements, from Democrats of prominence in California, down to Almermen. The indorsements were bound in a loose-leaf Morocco leather cover, six inches thick and reading in gold letters on the cover: "Indorsements of E. M. De Witt for Collector of Customs at San Francisco, Cal."

The volume went to the White House, followed the usual route to Secretary of the Treasury McAdoo, then to As-

"CASCARETS" BEST BOWEL CLEANSER

Headache, Sour Stomach, Bilioussness and Bad Taste Gone by Morning.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.
