

BLACKS ONCE MORE DEFEAT PORTLAND

In Fast 55-Minute Session at Porterville Beavers See Negroes Win, 5-0.

CHAD'S WORK IS BRILLIANT

Manager McCredie Declares That He Is Not Disappointed in Result of Series and Says He Will Beat Sox.

BY ROSCOE LAWRETT

PORTERVILLE, Cal., March 17.—(Special.)—Upwards of 500 Porterville fans saw the American Giants (negroes) defeat the Portland Coast Leaguers here today, 5 to 0, in a snappy, beautiful game.

It required but 55 minutes to finish the nine innings, a period that will perhaps last the year for Pacific Coast baseball. The result was the exception of two or three innings, this same fate was meted to the blacks.

The two first basemen enjoyed a busy afternoon under the boiling sun. The Beavers secured four hits, but the negro right-hander Friday, but he had them subjugated today, in other than the batting department, the Coast Leaguers lived up to advance notices.

Korea played beautiful ball at shortstop and laced out one sting drive. Mac showed in riotous, the San Francisco boy, behind the bat, in the fifth inning and he caught Carson's shoots like a veteran. He fanned on his only trip to the plate.

Chadbourne performed sensationally in left. His work in the gardens has been a feature of the series. McCredie says he will keep Klondike until the club goes north April 15, at least. Loan today was awarded to Nick Williams, but will remain in the local camp until the boys go to Stockton, when waivers will be made.

Mac Is Optimistic. "Portland is liable to be quincunx after four defeats by the blacks," remarked Walter McCredie following the game today, "but for me, I'm not badly disappointed and I expect we will beat the White Sox tomorrow. This negro team belongs to a league back East and I learned today that it has met three big league clubs within the past two weeks. The St. Louis Cardinals walloped the Cincinnati Nationals three games in four and beat the New York Americans 4 to 1 at New York. The Cubs have beaten the Boston Braves the last 1 to 0, after winning the championship in 1909. That's the class of the team we have been going up against and Foster's men are in great shape."

The squad will return to Visalia late tonight, making the 25 miles by automobile. Only 11 men came over. The team will play the White Sox tomorrow against the Sox.

Table with 2 columns: Player Name and Statistics (Runs, Hits, Errors, etc.)

Runs—Nine, Parks 2, Lindsay, Peatway. Four runs, three hits off Stanley in 5 innings. Two-base hit—Peters, Parks, Lindsay and Hutchinson. Double plays—McCredie, Holliman and Deneck. Struck out—Stanley 1, by Carson 2, by Lindsay 4, Umphrey—Oatwood.

WOLVES TROUNCE SOX NO. 2. Stroud's Pitching Responsible for Victory of Coasters.

MARTYSVILLE, Cal., March 17.—The electric pitching of Ralph Stroud enabled the Sacramento Coast Leaguers to put over a 5-to-1 victory on the Chicago White Sox squad No. 2 here today. The game was called at the end of the eighth on account of rain. The last two innings were played in a steady downpour.

RED SOX BEATEN BY PIRATES. Bedient Pitches Three Innings and Allows No Hits.

HOT SPRINGS, Ark., March 17.—Rainy weather and a large crowd greeted the opening of the Boston American and Pittsburg National series of nine games here today. Pittsburg won 4 to 3.

SEALS TAKE WELCOME REST. Rain Comes and Boys Are Allowed Luxury of Layoff.

BOYES SPRINGS, Cal., March 17.—(Special.)—The Seal ballplayers are satisfied and the camp following is contented. The rain of today, the first in two months, brought about the contentment.

For three weeks the Seals have been grinding away steadily without laying off a day. Manager Howard had the boys out in the park morning and afternoon and the rest today was welcome.

Manager Del Howard was perhaps the only busy person of the outfield. The Seal pitcher has been receiving a number of mysterious messages and he does not deny that it is relative to

TWO OF THE BIGGEST MEMBERS OF THE PORTLAND BEAVER SQUAD.

BILL JAMES, THE 6-FOOT 5-INCH TWYLER, AT LEFT, AND MANAGER WALTER MCCREDIE, A 6-FOOTER, WHO WEIGHS WELL OVER 200 POUNDS.

BEAVERS VICTIMS OF STRIKE

Waitresses Quit and Athletes Are Forced to Go to Cafeteria. PORTERVILLE, Cal., March 17.—(Special.)—Manager McCredie announced today that he would train his Coast Leaguers at Visalia again in 1914.

"But," said he, "I'll have my own dormitory for the men and will bring my own culinary experts along." This remark was likely inspired by a waitress strike now in progress at the hotel in Visalia, where the Beavers are quartered. Not a girl appeared for work yesterday, and the ball athletes had either to suffer from gastronomic emptiness or do the cafeteria act. The latter alternative was resorted to by a rising vote.

Bill Rodgers, captain, and Irve Higginbotham, pitcher, had a slight run-in during Manager McCredie's absence at Stockton early in the week. Rodgers told Hig to go in the outfield and Hig told Rodgers to go in the outfield. Finally, without argument, he took his station, say unlookers who heard the fireworks.

Stockton is a vastly different town from Visalia. The dedication of the stadium declares gambling is flourishing there, with everything wide open. The Beavers will be quartered at the Stockton hotel, which is said to be one of the best in the state.

"I will pitch a good game," said Pitcher Bill James right to the initial affair with the colored barnstormers from Chicago. "I'm good on a dark day."

If one were to pick the individual player working under most adverse conditions, one would have to hand the label to young Loan, the Philadelphia high school kid, who is trying out for a backstopping job. Loan is just a boy and is several thousand miles away from home among a bunch of total strangers. He is a quiet lad and for that reason is well liked by the veterans, who wear by him.

Nick Williams says Bill James reminds him of Hal Danzig, the Sacramento first sacker. Both are aerial giants.

Orvie Overall will pitch for Bakersfield in the San Joaquin Valley League. His home is in Visalia and his father is authority for the assertion that Orvie wants to get back into the big league badly, as he figures his arm is better than ever, but his hatred for C. W. Murphy, of the Chicago Cubs, keeps him on the shelf. Murphy refuses to sell him.

If smallpox breaks out in camp the accusing finger will be pointed Walter McCredie's while at Stockton. Tom Hackett piloted Mac through the insane asylum. As they roamed down a long aisle, in an isolated wing, several inmates motioned frantically for them to go away. Hackett and McCredie figured them to be "nuts" and were startled out of a year's growth a moment later when they perceived quarantined signs tacked about on the walls. They beat hasty retreats to the fumigation officials.

Tom Hackett told McCredie that Southpaw Krause, in his opinion, was the best in the business today. He predicts that Krause will win 500 per cent of his games in the Coast League this year.

Thirty outside teams are expected at the Vancouver bowling tournament of March 17. Seattle expects to send 10 teams, three from the Seattle Athletic Club. Portland is charged with four.

COLTS AT SCENE OF DOING WORK OUT

Williams Will Have 30 Men on Staff and Soon Will Begin Weeding Out. RUBIE WILL JOIN GIANTS SOON. Pitcher Says Wife Is Eager to Give Up Stage to Be With Him.

ADVENT MARKED BY RAIN

Team Will Play Seals Friday, Saturday and Sunday and Sox Will Be Met March 26, According to Announcement.

SANTA ROSA, Cal., March 17.—(Special.)—Nick Williams and about 20 of his men of the Portland Northwest League baseball team arrived here on the camp wagon to train this morning. They will do their Spring training here for a couple of weeks, and get in condition for the strenuous season which they expect to have.

Williams and his men visited Recreation Park baseball grounds this afternoon, and the manager pronounced them faster than the diamond at Boyes Springs, and the best training grounds which had ever been provided for him and his team. More men arrived on the evening train and others will join the training grounds on Tuesday and Wednesday.

Williams will have 30 men on his staff and the practice has been well developed will begin the weeding out process. He has some splendid youthful material from which he expects to land some diamond stars.

At the manomet pavilion on A street, headquarters for the Colts will be established. Shower baths have been installed and two rooms arranged for the rubbing down process. In ample proportions afford abundant space for indoor practice.

The Colts' arrival was marked by the hardest rain storm of the entire season. Williams and his cohorts have been subjected to considerable joshing for having produced such a splendid rainfall, just what was needed most by the Sonoma County ranchers.

Friday of this week the team will play the Seals in this city, Saturday and Sunday. Teams play at Boyes Springs on Sunday. The second team of the Colts will play the Santa Rosa team, while on Wednesday, March 26, the Portland Colts will play the White Sox here.

KORES STRONG IN GYMNASIUM

Portland Shortstop Has Record of Years Among German Societies. VISALIA, Cal., March 17.—(Special.)—Ar Kores is not only a mighty good class AA shortstop prospect, but he is also one of the best all-around gymnastic experts in the country when in condition.

The shifty German took part in gymnastic drills in the various turn verins in and around Milwaukee for years. He was one of the competitors at the St. Louis World's Fair in 1904 and had a chance to go to Paris.

Kores has specialized on the horizontal bar, parallel bars, the horse and vault and on tumbling. The giant swing around the bar is mere play for him. When in practice he is able to stop at the handstand in the giant swing and reverse on the death-swing, finishing with a cutoff somersault.

The club gymnasium here, where the Beavers are training, boasts of an impressive horizontal bar, and while Kores has not done any indoor work for months, he occasionally turns off a few twisters that startle his teammates.

He is half the ball player that he is a gymnast, I'll be tickled," declared McCredie, after one of the exercises. Kores is a hard worker and his position like Roger Peckinpugh or Ivan Olson, but he has been clouting the ball a lot oftener and harder.

ADMINISTRATION HALL TAKES TRACK MEET HONORS. Coliseum Athletes Are Second and Day Scholars Third in Interhall Meet at Columbia "U."

The Administration Hall carried away first honors in the first annual Columbia University interhall indoor track and field meet yesterday at Columbia. The day scholars were second and the Coliseum athletes were third.

The athletes grew tired towards the end of the meet and poor time was the result. The Columbia University alumni donated a silver cup to the team which won the meet. The following were the winners of the events:

McCann, will be made Saturday and Sunday next when a series of motorcycle races will be the attraction, with some of the fastest professionals in the country riding in the various events, which will be six in number each day.

DOG SHOW ENTRIES LARGE

Annual Bench Event Will Be Four-Point Exhibition Is Belief. Unprecedented early activity in filing entries is a criterion of results. Portland's 14th annual bench show, scheduled for April 2-5, will be a four-point exhibition, with more than 300 canines competing for the various prizes.

Man Who Got Damages for Taxicab Accident Knocks Out Britisher. LONDON, March 17.—Harry Lewis, an American welterweight, knocked out Jack Harrison, middleweight champion of England, in the third round tonight of a 20-round contest at the National Sporting Club.

Harry Lewis obtained an award of \$250 damages last February in a suit against a motor cab company because of injuries he had sustained in a taxicab accident, which his counsel argued, had impaired his nerve, vitality and his ability to fight.

EX-PUGILIST PETTY DIES

FORMER HEAVYWEIGHT COAST CHAMPION SUCCEUMS. Man Who Knocked Charles Mitchell Down in Portland Passes Away in New York. OREGON CITY, March 17.—(Special.)—James Petty, of this city, received a telegram today announcing the death of his brother, Joseph Petty, at the home for incurables in New York City. Mr. Petty was paralyzed about 16 years ago and has lived at the home ever since.

He was born and reared in Oregon and 23 years ago was the champion heavyweight pugilist of the Pacific Coast. He won distinction in the ring by knocking down Charles Mitchell, the English champion, in an exhibition contest in Portland and subsequently went to San Francisco where he had phenomenal success.

Mr. Petty was a circus performer for many years. He was one of the few men on the coast who could turn a trick, and was famous for his work over the backs of horses and elephants. He lived in Portland a number of years.

Soon after he was stricken Mr. Petty inherited about \$100,000 from an uncle in New York City. The funeral will be held in New York.

BUD'S MOTHER IS WORRIED

Woman Says Son's Being in Ring Is Severe Trial for Her. VANCOUVER, Wash., March 17.—(Special.)—Mrs. Charles Anderson, the mother of Bud Anderson, the pugilist, is worried about her son and is hoping he will soon go to the top and retire.

"I wish it were all over," said Mrs. Anderson today. "It is a severe trial on me for I can't help worrying about my boy when he puts on the gloves and is training for a fight. He will surely win when he puts on the gloves with Mr. Brown the next time."

Mr. Brown is a better man among Anderson's friends and relatives that Bud had but a large amount of money on the outcome of the fight and when it came to the 12th round he was too eager to finish his man and consequently was almost knocked out himself.

HAYWARD MAY GET OFFER

To Coach Washington "U" Track Men Is Probability Next Year. UNIVERSITY OF WASHINGTON, Seattle, Wash., March 17.—(Special.)—There is a possibility that William "Bill" Hayward, trainer and coach at the University of Oregon, will be offered a position as coach and trainer in view of the declaration that Dr. D. C. Hall, physical trainer and coach at the University of Washington, will not coach track next year, owing to his many duties in his department.

A quiet but persistent rumor is current here that Hayward would be the most acceptable man in the Northwest to assist Gilmore Doble, football coach, and to take charge of basketball and coach track. The rumor is not likely to be up for definite decision until the close of this year, inasmuch as Dr. Hall will have charge of athletics in the track department this season.

TRAPSHOOTERS OPEN SUNDAY

Championship of State Question of Seven-Week Schedule. The Oregon Trap Shooting League, the only organization of its kind in the state, will begin operations next Sunday with eight teams, starting a seven-week schedule for the championship of the state.

The teams in the league are: Portland, Eugene, Pendleton, Wallawa, Bend, Troutdale, La Grande and Baker. The competitions, which are for a double trophy and emblem of the championship, are not to be conducted by regular teams, but the five high scores of the regular Sunday shoots, based on 25 targets, will be turned over to the records.

Ed Bean, of Eugene, who is at the head of the league, was in Portland yesterday. For a time the success of the league was in doubt, but last week two more teams signed up for the competitions and Bean announced the opening of the league. The schedule will be ready within a few days.

NEGRO TEAM MAY COME

University of Oregon Is Latest Aspirant for Game With Colts. Tentative Schedule Fixed. Although word comes from Visalia that the Chicago Giants, the colored team which closed a five-game series with the Beavers yesterday, will not come north, President McCredie, of the Portland baseball club, has not given up hope of presenting the negro team to Portland fans against Nick Williams' Colts.

"No definite offer was received by the Giants when the announcement was made," explains McCredie. "I think I can promise the Giants almost a month of exhibition in the Northwest, 15 days with Northwestern League clubs and almost as many in the Union Association cities."

The scheme is to bring the negroes to the Northwest for games commencing about April 1 and closing with a two-game series with the Colts in Portland on April 12 and 13. Then they could play Union Association teams until April 29.

The University of Oregon baseball team is the latest aspirant for a game with the Colts. This gives McCredie five prospective Oregon games for the Colts outside of the two scheduled for Portland. First comes Medford, then Grants Pass and Eugene, Albany and Corvallis. The Corvallis game is likely to be played on Friday, while two games may be scheduled for Medford, the previous Sunday and Tuesday, with a day of light practice at Medford on Monday. None of the dates has been definitely fixed.

McCredie says definite offer was made. "I think I can promise the Giants almost a month of exhibition in the Northwest, 15 days with Northwestern League clubs and almost as many in the Union Association cities."

JOHN L. TALKS FIGHT

Ring Game to "Come Back," Says Heavyweight Dean. JOHN L. SULLIVAN, at Pantages This Week, Is of Belief That McCarty Won't Do and That Jack Johnson Will Not Re-enter Ring.

John L. Sullivan, in Portland after an absence of more than two years, believes that the fight game is "coming back." The 34-year-old 285-pounder, who was once the greatest heavyweight of them all, either with bare knuckles or the padded mitts, can't see much light ahead for the public among the big chaps, but thinks that within a few years every state in the Union will legalize 10-round boxing.

"The trouble with the fighter of today is that, instead of devoting his time to advancement in ringcraft, he is engaged in counting his money and squabbling with the promoters over guarantees," said the grizzled veteran yesterday afternoon in his reception room at the Pantages Theater.

"It's, 'How much do I get, win lose, or draw' and the public is disgusted. Some of these days a young fellow weighing about 200 pounds and standing six feet 11 or 11 1/2 inches tall, will come along, act more like a boxer than a hold-up man, agree to fight for a percentage of the gate receipts, and win the confidence of the public. Then the heavyweight division will be reinstated in public favor."

John L. Sullivan is said to talk about fights and fighters—at least he so asserts—but almost every conversation winds up with more than a few words about the line. He has expressed his opinions regarding present day fighters, confessing ignorance of their merits as he has not seen them in action, but takes the word of many critic friends for it that Luther McCarty will not do.

"Jack Johnson is through; he will never fight again, so one would dare to put him in the ring in this country; the public won't stand for it," is Sullivan's expression regarding the ring swing and reverse on the death-swing. The following are the events in which Kirkland won first honors: Fifty-yard high hurdles, 50-yard low hurdles, 40-yard run, broad jump and high jump. The fact that Mulhead was unable to compete owing to an injury sustained at practice is given as the reason for the poor showing of the Day Scholars.

The athletes grew tired towards the end of the meet and poor time was the result. The Columbia University alumni donated a silver cup to the team which won the meet. The following were the winners of the events:

- 50-yard dash—Gorecky (Christie), 5-4-5 seconds.
50-yard high hurdles—Kirkland (Administration), 1-3-5 seconds.
50-yard low hurdles—Kirkland (Administration), 6-3-5 seconds.
40-yard run—Kirkland (Administration), 56-1-3 seconds.
12-pound shot put—Phillips (Scholars), 41 feet 7 1/2 inches.
One-mile run—Driscoll (Administration), 5 minutes 21-3 seconds.
Pole vault—Murphy (Scholars), 5 feet 3 inches.

Bert Houghes, the 8-pound boxer who defeated Walter Williams in Portland, wants to fight Pederson, a Vancouver lad who has defeated him in a 15-round bout. Houghes, if not a professional now, expects to be one soon, and has been stung by the many remarks about the superiority of Pederson.

Ernie Barriean, former Vancouver amateur, knocked out Sammy Good in the eighth round of a scheduled 16-round bout at Edmonds, Canada, last week. Ernie hurt his hand in delivering the knockout and was forced to cancel his bout with Danny O'Brien, at Seattle.

Jack Glenister, former sporting writer of the New York 10 years ago, is said to be the only man to swim the lower rapids at Niagara Falls. On August 18, 1892, he entered the water at a point called Maid of the Mist, and two hours later was hauled from the current at Devil's Hole. He was bleeding and faint at the mouth and had ribs and an arm broken.

Sapulpa, Okla.—Adjutant-General Cotton and a squad of National Guardsmen from Tulsa, acting under orders of Governor Crouse, stopped the scheduled ten-round fight between Carl Morris and Jim Stewart of New York.

San Francisco.—The University of California will send its eight-crew to meet the University of Washington eight on Lake Washington. It is not yet known whether the race will be May 21 or May 17.

Galveston, Tex.—With the aid of the veterans, Hogg, Lapp and Bender, the "recruit" squad of the Philadelphia American League team defeated Galveston of the Texas League 5 to 4.

Mobile, Ala.—The Cincinnati "regu-lars" defeated the Mobile team of the Southern League 4 to 6. Benton, Suggs and Tompkins pitched for Cincinnati. Mordcael Brown reported for practice today.

Nashville, Tenn.—A bill, under the provisions of which horseracing would be resumed in Tennessee with a state commission in control, was introduced in the House of Representatives. It would prohibit all but the pari-mutuel system of betting.

"The encouraging feature of the situation is that nearly all of the dogs entered to do the new ones," says McCarthy. "Only three big kennels, Kootenai and Keefe, of Butte, and Mrs. Creighton's, of Victoria, are in the list of 110 dogs. If the old fanciers respond as before there is no reason why we should not have 325 dogs."

When the dog show was inaugurated in Portland 14 years ago between 400 and 500 dogs were on exhibition. However, when certain owners discovered that their prize canines lacked merit, the number of entries creased.
