

Naco Also Will Be Attacked and Move Then Made Against Guaymas.

OBREGON HEADS COLUMN

Federal Commander Beset by Prob lem of Preventing Desertions Across Border -- Rebels Are Well Equipped.

NOGALES, Ariz, March 11 .- Feigning intrusion of federal forces from Guayamas, the California gulf port in Southern Sonora, officials of the in-mirgent state decided today to hasten the campaign against Naco and Can-the campaign against Naco and Can-lanea, the only remaining federal gar-rison in the north. After crushing Gen-tral Ojeda at Naco, on the Arizona border, and Colonel Moreno at Can-a sharp drop in temperature. rder, and Colonel Moreno at Cananea, an American mining town below the border, all available state troops will be rushed against Guaymas.

The report today that 4000 troops are being hurried by transport from Pacific Coast points to Guaymas, where 1000 federals already are placed, will

being hurried by transport from Pa-pific Coast points to Guaymas, where topof federals already are placed, will occasion great haste in completing the northern campaign. State Troops Mobilized. While neither Naco or Cananea now contains more than 350 federals, nearly 1500 state troops mobilized today at Del Rio, midway between Cananea and the border. General Obregon, head of all state forces, was in personal com-mand of the column, which moved on three trains with ample supplies of three trains with ample supplies of force had been ordered on duty until further notice and every precaution was being taken to prevent possible

Leaving Ojeda temporarliy to his in-ternal problem of preventing desertions over the border into Arizona, it was decided first to attack Cananea, re-turning immediately by rail to Naco. Frontier Must Be Guarded.

Already state troops are mobilizing along the Sonora Railway, just north of Guhymas, to prevent any sudden sally of the federals against Hermosillo, the state capital. But not until the northern campaign is completed can a force be organized to oppose any formidable advance of Huerta troops. Also the state authorities must guard the Chihuahua frontier. While General Rabago cannot save of Guaymas, to prevent any sudden

While General Rabago cannot save the vicinity of Chinushua City, because of activity of constitutionalists to the JOLIET, Ill., March 31 .- This city was south of him, it is feared that other cut off from the world for seven er-insurrecto leaders will follow Anduring today's storm. The Alton and Santa Fe roads have many miles of wire and poles down. Stoppages of business, it is estimated, cost more than onlo Rojas, who has entered Western

## GOVERNOR GONZALES SHOT \$200,000

Member of Firing Squad Tells of Enforcement of Old Law.

EL PASO, Tex., March 21 .- Mexicans

arriving at Juarez from the South today declared that they were part of a firing squad which executed Abraham Gonzales, Governor of Chikashua, un-der the Madero Governmenz, a fort-night ago. Gonzales was kfiled under the notorious "fugitive law," the Mex-

feans declare. The Chihuahua Governor, his selfproclaimed executioners say, was killed before arriving at Torreon, while on his way from Chihuahua City to Mexico City, where he was to have been placed on trial for an alleged revolu-

tionary plot. At Jiminez the ex-Governor was

A cold wave following the storm added to the suffering, as many homes had been unroofed and windows broken. The temperature dropped to 20 above zero. The wind attained record velocity at some points. At Detroit it reached \$5 miles an hour, \$4 miles at Toledo, \$5 miles at Buffalo, 64 miles at Memphis and at Louisville 52 miles.

Cold weather is trailing the storm.

SUFFERING FOLLOWS CYCLONE Storm Appears in Varied Forms in

Different Parts of South. LOUISVILLE, Ky., March 21 .- Re-

ports coming from the center of popu-intion of the South by crippled teleation of the South by crippied cate graph and telephone wires and by couriers tonight indicate that the death list as the result of last night's storm would be about 50. Many sections known to have suffered have not been

known to have suffered have not been heard from. In Mississippi today the Government was authorized to borrow \$0,000 for the relief of sufferers. Today's reports bear testimony as to the various forms of storms. Usually it was electrical and accompanied by high winds, which at Louisville for a moment reached a maximum of ... miles an hour. Texas experienced a tor-nado and elsewhere deluging rains gen-erally accompanied the hurricane. In the course of the storm were many places which had not recovered from the similar upheaval of ten days ago. the similar upheaval of ten days ago

"There is a vast difference between being worked — that's slavory — and in working—that's freedom." With such crisp, thought-packed sen-tences as these, Booker T, Washington, of Tuskegee, Ala, where negroes are taught to think and work and be use-ful, held an audience that filled the big auditorium and the galleries of the Linceln High School for two hours last DETROIT BUILDINGS UNROOFED

the sake of knowing, but of prepara-tion for the business of living. Prejudice Against Work Gone. "To be free and to be educated," said Dr. Washington, "meant just one thing to the negroes – release from labor. But I think I can safely say that we have reached that point in our development as a people where virtu-ally every lota of the old prejudice against work has been cradicated." A note of comparison between his race and the while crept into Dr. Wash-ington's address, and he declared that he sometimes thought that it was a privilegre to belong to a race like his, a new, young race, with its future be-fore it. Three Dead in Ohio COLUMBUS, O., March 21 .- Three perfor "My race has but little past," he said. "Some of the other races remind me of the old negro woman that I mer on the road one morning near Tuskegee. "'Where are you going, Aunt Mary?' I asked

"Quick as a flash she answered, 'Mis-tah Wash'n'ton, I'se" done been where I'se gwine. Miles of Poles and Wires Down.
