Mr. Clark, whose address closed the Mr. Clark, whose address closed the programme which followed the iuncheon, reiterated his confidence in the stability of Portland's growth and his confidence in her future, and pointed out several phases of the financial conditions of the country in relation to development movements, which he applied to local conditions. While on the Pacific Coast at the present time, he said, that a full is to be noted in the business activities in comparison to what they have been for several years, intense activity is felt in the East, and he predicted that this wave of huminess activity and prosper-ity will be felt in Portland and the Northwest within about six months. Baker to Lead Work and towing the schooner Oakland over the towing the schooner Oakland over the Slusiaw bar that narrowly escaped be-ing disastrous in its result. The Oak-land, loaded with lumber from the Tidewater Mill, was towed down the river by the Roscoe, and instead of letting out the hawser when ready to cross out over the bar, the tugboat kept the schooner alongside, and she got into shallow water and finally ran aground on the sand spit. By quick i work on the part of the tugboat she tide turned and towed out to sea. From the shore it seemed that the Oakland I had lost her rudder and was leaking. and it is probable that she will put in a Coos Bay for repairs before going on to San Francisco. George L. Have Been Restored to Health By Lydia E. Pinkham's Vegetable Compound.

There is no doubt about this fact. Why I during the last 30 years we have published in the newspapers of this country volumes of letters from women who have been relieved of all their suffering by the timely aid of this grand old medicine. Letters like the following, true, genuine and honest expressions of gratitude coming from grateful hearts. Surely you can believe these women.

Mrs. L. S. BRENNER, Hudson, Mich., says: -

Mrs. L. S. BRENNER, Hudson, Mich., says: --"Sometime ago I was taken with a terrible pain in my right side, such sharp pains just like a knife sticking me. I tried hot applications but that did no good. I went to our family doctor (we were living in Fayette, Ohio, at that time) and he said it was organic inflammation. I doctored with him a while but kept getting worse. The pain was so terrible I could hardly stand on my feet. I would have that sharp pain in my right side, and a dull heavy pain the whole length of my limb. I realized that something had to be done quickly, so I looked up all of your advertisements I could find, and saw several that described my case. I got a bottle of Lydia E. Pinkham's Vegetable Compound and it helped me from the first dose, and when I had taken two bottles my trouble was gone. Your medicine has done so much for me that I am willing you should publish this letter for the sake of other suffering women."-Mrs. L S. BRENNER, Hudson, Michigan.

Mrs. L. E. BOWERS, Girard, Pa., says :-

"I take pleasure in informing you of what Lydia E. Pinkham's Vegetable Compound has done for me." I had a sick spell last February, and for some months after that I was not regular and had many bad feelings. I was tired all the time, had dull headaches, not much appetite, and also what the doctor called organic inflammation. Your Vegetable Compound has entirely cured me and I feel that too much cannot be said in its praise as I am now able to do my own work. You are perfectly welcome to use has I am now able to do my own work. You are perfectly welcome to use my testimonial for the benefit of others."-Mrs. L. E. Bowess, R.F.D. No. 1, Girard, Pa.

Mrs. ELIZABETH GENTILCORE, Buffalo, N.Y., says: -

MPS. ELIZABETTI GENTILCORE, BUILLON, N.Y., Says:-"I feel that I must write to you about your wonderful remedies. About ten years ago I was troubled with female weakness and was all run down. I was tired all the time and could hardly walk without feeling dizzy. I heard about Lydia E. Pinkham's Vegetable Compound, took it, and also used the Sanative Wash. I got stronger, and have not had those dizzy spells since. I feel that I owe my health to you, and hope your remedies will help others as they have me. I tried most everything I heard of, and yours are the best medicines for women's aliments."-Mrs. ELIZABETH GEN-rencome 26 Glor Street. Buffalo. New York. TLCOBE, 26 Glor Street, Buffalo, New York.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for fe-male ills. No one sick with woman's ailments does justice to herself if she does not try this fa-mous medicine made from roots and herbs, it has restored so many suffering women to health.
