Get Into the Game

ON'T stand on the sidelines all your life. Don't always be just an admirer of the man who wins, Get in and win yourself.

He wins because he keeps his eyes open, and you can win if you will keep your eyes open.

you will keep your eyes open.

The victor of this "game of life" must be a clear-thinking, hardhitting man of action, a man who is always looking for the "main chance," and who reaches out with both hands to grasp it when he sees it.

Now, you are a "winner," if you can only see it. You've got the goods all right, but you've got to deliver them. And you can find the place to deliver them right in the Help Wanted

and you can tind the place to deriver them light in the Help Walled columns of this paper. There are positions here today, begging for men of energy and ambition. And the very fact that you are looking for these positions shows that you can fill them. Turn to these Help Wanted Ads now. Read every one of them. Do this day after day and soon you will find the advertisement of the job that you actually want. And when you do find it, answer it right away, because quick, decisive action is one of the tests of your ability

And every time you answer an Ad tell the people you saw it in The Oregonian. That will show them that you are alive to your opportunities.
