ment had been reconnoitering when suddenly attacked by the natives, and so closely were they beset that there was no opportunity for transmitting to the headquarters at Mogador either the news of their predicament or the loca-tion of the place where they were fight-ing.

When the detachment failed to return to headquarters on time, Lieutenant Do Hu, an aviator, was sent out to ascertain their exact position and report to the column moving out for relief. Do Hu, in less than half an hour, had located the French force and made his report to the main body, giving the disposition of the Moora, together with their strength, with the result that General Brulard, the commandant of the relief force, was able to surprise and rout his opponents with the first assault.

Rheumatism Affects Lungs

Pneumonia, Bronchitis, Phthi sis, Asthma and Anemia Often Directly the Result of Rheumatic Blood.

If you have a persistent, nagging bron-chial cough beware of cough remedies. They are merely local in action, and if they do relieve it is the narcotics that do it. What you require is a blood puri-fier, a searching antidote that removes from the circulation the acid poisons that by their reflexes attack all weakness, susceptible spots and thus create local symptoms. The very best remedy known is Swift's Sure Specific. You will find it on sale in any drug store at \$1.00 per bottle. It goes straight into the blood, becomes an internal blood bath, wonderfully increases the red corruscing cures. fully increases the red corpuscies, cures all the local fever spots and irritations, increases appetite, you take on fiesh and feel a wonderful sense of renewed strength. Hundreds of people worried beyond control at cough, pains in the chest, sore throat and constant expectora-tion of thick mucous have experienced the most wonderful change after using S. S. All doubt and apprehension is gone, those peculiar pains and aches van-ish, there follows a period of most in-tense rejoicing to find that worst fears were based entirely upon a mistaken no-tion that cough and chest pains come from the lungs. These are rheumatic conditions, and you will quickly realize it after using S. S. S. for a few days. Get a bottle of S. S. S. to-day at the drug store and then say good by to all those pains that have worried you. Write to The Swift Specific Co., 127
