McCredie Wants Colts to Return His 1912 Shortstop to Beavers.

CATCHER ALSO IS SOUGHT

Hellmann Slated to Go to Nick Williams' Team and Cunningham Also May Be Let Go—Chadbourne to Go Back Into Outfield.

Manager McCredie, of the Portland Coast League, says he is through tinkering with his roster.

Chadbourne will go back into left field Tuesday against Sacramento; Kores will begin a regular tenure at shortstop and the only prospective changes in the Portland lineup have to do with the insertion of Fitzgerald in the outfield.

McCredie sent Bancroft to the Colts on the understanding that he be subject to instant recall. Now he is during on shipping young Hellmann to Nick Williams for third base duty in exchange for the crack infielder.

McCredie says he is through tinkering with his roster. Chadbourne will go back into left field Tuesday against Sacramento; Kores will begin a regular tenure at shortstop and the only prospective changes in the Portland lineup have to do with the insertion of Fitzgerald in the outfield.

These youngsters, Cunningham and Hellmann, are going to be great players some day, but I'm afraid neither one will be of much use to me now, through inexperience. He should have far Cunningham played a good game today, but as a matter of fact he was about as much use as a one-legged man because he didn't know how to play the batters.

"Hellmann, too, will be a star some day, but he isn't quite classy enough for AA leagues yet. He should have pitched in Gill's grounds in the seventh inning, and that would have stopped all the furore."

Mac says if his outfield had been hitting up to the standard he would have looked just as good as it did in San Francisco. At any rate, Chadbourne, one of the most popular and efficient men in the league, will return to left field and happy-go-lucky Cunningham to his knothole-warming duties. McCormick's legs are bothering him and he will have a three-day rest, during which time Kores will have ample opportunity to show whether he is the goods or not at short.

Krause's participation in the Sunday game means that Hagerman will open the series tomorrow against Sacramento.

FANS LIKE THE ANGEL TEAM

Prospects for Their Being Pennant Contenders Are Bright.

If the Los Angeles Coast League continues playing as they have the past week against Portland, rival first divisioners, beware!

While Manager McCredie, of Portland, does not think Dillon's club stronger than one year ago, most Portland fans believe the Angels are out to make a bid for the pennant.

While the Angels have a magnificent outfield last year in Daley, Heilmuller and Lober, the present trio, Ellis, Maggart and Howard, is, if anything, superior. It is the fastest combination that has appeared here in years, and looks like a hard-hitting bunch.

The Angel outfield tops Portland for speed and appears superior also to Venice.

The Angels will miss Berger, without question, and Dillon at first, if Gill played up to form last week; but the addition of Charles Moore as a regular and in good health, plus the bolstering of the pitching corps, will more than offset these discrepancies.

If the Angels are weak anywhere it is in the pitching ranks, and the flingers, to date, have been coming through valiantly. Ryan's comeback has been one of the great surprises. He was named by Denver as a regular and has won four games already for Dillon.

In the five games with Portland the Angels stole ten bases, which brings their total for three weeks to a magnificent total of 51. Portland, in sharp contrast, has stolen only 15 bases this season. The Angels also lead the league in hitting with a grand average close to .300, and in home runs with seven.

Maggart, in centerfield, is one of those in a great measure responsible for the Angels' showing. He is practically on a par with Daley, whom he superceded, and local fans are wondering why Philadelphia let him slip back to the minors.

"I wouldn't play with Connie Mack again. That's the main reason I came to the coast," is Maggart's explanation. The majors do not have transportation facilities from the East, and it would cost me a month's salary for railroad fare alone. I have always lived on the coast; my wife and children are here, and I want to play west of the Rockies."

Maggart picks Washington to win the American League title.

REGINA WINS AT GAME ALBANY

Athletics Hit Well, but Not as Time-ly as Canadians.

ALBANY, Or., April 20.—(Special)—The Regina team of the Western Canada League, now training at Albany, defeated the Albany Athletics in a fast, well-played game before a big crowd here this afternoon, 3 to 1. Albany out-hit Regina but the Canadians handled the ball better, especially in throwing, and they better work was also a factor in their victory.

Regina scored first in the second, when Jack Hargreaves reached first on an error, stole second and reached home on Cook's well-placed single over short. The second score came in the fourth in exactly the same manner, except that this time Hargreaves walked and reached second on an out at first, scoring on Cook's second single over short. In the fifth inning Jewett singled, was sacrificed to second by Wecker and scored on Hill's hit.

Portland Nine Strikes Snag at Walla Walla and Loses, 14 to 0.

WALLA WALLA, Wash., April 20.—(Special)—The Harriman special ball-players, from Portland, were wrecked this afternoon by the Walla Walla Bears, the leaguers winning 14 to 0.

Portland started out like a record-breaker, Yoss, the first man up, getting a single. Croll walking and Gavin singling. Then a fast double play was pulled off and a strikeout followed and the Harrimans ceased being contenders. Walla Walla sent nine men over in the first two innings. The leaguers got a two-base hit, two three-baggers and a home run. Hinkle, the Harriman left fielder, led his team at bat, getting two good hits. The score: R. H. E. Walla W... 14 15 2 Harriman... 0 0 0 Batteries—Snoddy, Garber and Brown; Williams and McAllen.

McMinnville 13, Cornelius 6.

McMinnville, Or., April 20.—(Special)—By a score of 13 to 6, McMinnville defeated Cornelius here today. Foster, for McMinnville, struck out seven men and allowed three hits, while

Carsten, for Cornelius, struck out three men and allowed nine hits. Up to the sixth inning the score stood 4 to 0. Cornelius came with a crippled team.

Maccabees Victims of Soldiers. VANCOUVER BARRACKS, Wash., April 20.—(Special)—The Soldiers here today defeated the Maccabees, of Portland, 16 to 5.

Vancouver 12, Astoria 5.

ASTORIA, Or., April 20.—(Special)—Astoria lost to Vancouver this afternoon 12 to 5.

Reds Hard for Pirates. Pittsburgh has devoted its principal attention to Cincinnati. It found the Reds a hard club to beat, but got away with three completed games.

Chicago could do no better than break even with St. Louis, but had the edge in the series with Pittsburgh.

Brooklyn has been doing little effective batting, while their fielding "bobble" has been costly. Cincinnati's last game here, however, by close scores, The Boston, while fighting bravely, seemed outclassed in their recent games with the Giants. St. Louis still may be put down as an uncertain quantity.

Again the remarkable struggle between Philadelphia and Boston featured the week in the American League.

Seasoners Breeze Through Week. The Washingtons breezed through the week without a defeat, won the only three games they played and hold the undisputed lead in their league. Cleveland is showing all-around strength, and acquitted itself well in the series with Detroit and Chicago. St. Louis and Detroit both have been playing uneven ball. Chicago, next to Cleveland, has shown best of the western teams, and finding St. Louis easy, though troubled with Birmingham's club.

New York's lone victory was scored at the expense of Boston. Frank Chance's crimples so far have found the Washingtons unsteady opponents.

Uncertainties still hover about two of the most distinguished present-day exponents of the game—one in each league. Tyra Cobb still is a holdout, but there have been recent intimations that the breach between the speedy player and the Detroit club might be healed. The case of Hans Wagner also excited wide interest.

Chicago 3, Cincinnati 2. CINCINNATI, April 20.—Making each of their three hits count when they were needed, Chicago won from Cincinnati today, 3 to 2. Cheney was fairly hard on Cincinnati, but did nothing with Lavender. Bates' home run scored one for Cincinnati. Chicago Archer's single in the fifth, while Cincinnati also got one in that inning, when Becher singled and Zimmerman three Tinker's grounder wild. Chicago scored two more runs in the sixth. Egan fumbled Mitchell's grounder, and Zimmerman's triple brought him home. Zimmerman scored on Saler's out.

R. H. E. R. H. E. Chicago... 3 3 Cincinnati... 2 7 1 Batteries—Cheney, Lavender and Archer; Benton, Suggs and Clark.

Pittsburg 5, St. Louis 4. ST. LOUIS, April 20.—Pittsburg took advantage of errors by the local team and won the first game of the series by 5 to 4. St. Louis scored its runs when, with bases full, Magee drove the ball for a home run.

In the fifth inning Pittsburg scored two runs on O'Toole's single, Carey's steal of second, and Wingo's error. Archer's single in this inning, Pittsburg tied the score in the eighth inning on Carey's single and Miller's three-base hit to left field. Salter then relieved Harmon. After Konetsky dropped Wilson's foul, the Pittsburg scored Miller with the winning run.

R. H. E. R. H. E. Pittsburg... 5 9 St. Louis... 4 6 4 Batteries—O'Toole, Robinson and Gibson; Keller; Harmon, Salter and Wingo.

AMERICAN LEAGUE. Detroit 3, St. Louis 4. DETROIT, April 20.—Bush's single in the eleventh inning enabled Detroit to defeat St. Louis, 3 to 2, today in a thrilling game. Detroit's first run was scored on double steal. St. Louis' initial tally came in the second, when Austin singled, advanced on Wallace's bunt and scored on Agnew's drive to

center. In the eighth, Veach, by a magnificent throw, caught Pratt at the plate, but McKee dropped the ball after the umpire had waved the runner out, tying the score. R. H. E. St. Louis... 2 7 Detroit... 3 11 3 Batteries—Baumgartner and Agnew; Mullin and McKee.

Cleveland 2, Chicago 1. CHICAGO, April 20.—Cleveland bunched hits off Walsh today and won the final game of the series from Chicago, 2 to 1. Cicotte, who relieved Walsh, allowed the visitors but one hit and struck out six men. Score: R. H. E. Cleveland... 2 7 Chicago... 1 9 2 Batteries—Greg and Karsch; Walsh, Cicotte and Schalk.

COBB CASE GOES TO CONGRESS. House to Investigate Whether Peonage Law is Violated.

WASHINGTON, April 20.—The controversy between Ty Cobb and the American League baseball club management over the signing of Cobb's contract for this season may result in an investigation by Congress to ascertain whether the system of players' contracts of the baseball leagues violate the Sherman anti-trust law or the law against peonage.

Representative Hardwick, of Georgia, representing in Congress the district in which Cobb lives, said he was working on a resolution for such an investigation and would introduce it in the House this week.

George Philbrook, of Georgia, who declared Ty Cobb is one of the South's most prominent citizens, telegraphed to Cobb in Georgia asking him to forward to Washington a copy of his contract and information regarding the conditions under which the players sign.

DETROIT, April 20.—Ty Cobb will be in Detroit early this week to "talk business" with President Navin, of Detroit American League baseball club. Navin declined to discuss the matter, but it is learned on excellent authority that Cobb will come here "knowing what salary he can get" for playing ball this season.

Chicago, Cal.—A new interscholastic shotput record for the Pacific Coast was established by De Ruchie, of Gridley High School, who tossed the 12-pound shot 52 feet 1 inch in the 10th annual track and field meet of the Northern California High School League. The previous record was made April 5 at Berkeley by Caughey, of Ukiah.

New York.—Frankie Fleming, featherweight champion of Canada, knocked out Teddy Hubbs, of Pittsburg, in the ninth round of a scheduled 10-round bout here. A right and left to the jaw ended the contest after Hubbs had twice taken the count of nine.

Denver, Governor Ammons signed the state boxing bill, which permits contests under supervision of a boxing commission when held under the auspices of a recognized athletic club.

The Brooklyn Athletic Club Grays defeated the Oswego Giants, 5 to 3, yesterday on the latter's grounds. Wise and Regner, the Brooklyn batteries, proved a puzzle to the Oswego batters and 15 errors were committed by the team for Brooklyn was notable.

Archie Duncan, who coached the Jefferson High school football team last year, which had great success, will now interfere with the players and for this reason Coach Duncan has high hopes for his team. The Jefferson student body presented Duncan with a handsome gold watch for his appreciation of his services.

Piedmont Juniors baseball team defeated the Concordia Club nine Saturday, 14 to 13. Heavy hitting by Prescott, who occupied the mound for the victors, was a feature of the contest. He rapped out a three-bagger in the fourth inning which was timely, besides gathering two singles.

In a close baseball game yesterday the Columbia University team of the Portland Interscholastic League, defeated the Knights of Columbus aggregation, 2 to 1. Hughes, of the humbled team, pitched superb ball, striking out nine of the Columbia sluggers.

Joe Celestine, Lincoln High track man, injured his leg last week during a friendly scuffle in the gymnasium and may be unable to compete for the Martin Hawkins, the famous Olympic star.

Weighting over 200 pounds and standing 6 feet 2 1/2 inches tall, Philbrook will be a wonderful addition to the winged "M" football team next Fall. He is rated as one of the greatest tackles in the country.

"I expect to take 12 men with me to Eugene Saturday," said Manager Schmitt last night. "I expect first places in the 100-yard dash, high and low hurdles, broad jump, discus throw and pole vault will go to Multnomah."

"I am afraid that Holdman, who won first for us in the pole vault competition at the Columbia University meet, recently may be unable to represent us as he is out of town, but I expect Sam Bellah to be on hand."

The following is a list of the athletes of the team and the events each is entered in: Philbrook, shotput, discus, high jump; Wolff, shotput, discus; Hummell, 100-yard dash, high hurdles; Trace, 220-yard dash, 440-yard run, relay; Bryant, 220-yard dash, 440-yard run, relay; McGinty, half mile and mile runs; Sharpe, half mile run; Bibeck, high hurdles; Jackson, 200-low hurdles; Bellah, pole vault, broad jump, javelin throw; Hawkins, high hurdles, low hurdles, broad jump.

Paul Wilson and Robert Krohn, members of the Washington High championship track and field team last season, who are now attending Stanford University, made a remarkable showing for their team against Berkeley in the annual dual meet Saturday. Wilson, who broke the Coast record for the mile run, broke the Coast record for this distance. His time was 4:26 3/4, beating his Oregon State record of 4:25 seconds. Robert Krohn, champion Portland Interscholastic pole vaulter, although suffering under the weather, tied first place in the pole vault competition, crossing the bar at 17 feet 1 1/2 inches.

BOXING BILL PREPARED

SIX BOUTS SCHEDULED BY COLUMBUS CLUB. Effort Being Made to Have Hill of Brooklyn and "Cyclone" Calhoun of Multnomah Meet.

Columbia Club's April boxing programme will be staged tomorrow night in the East Side gymnasium, the promoters offering seven bouts, with Columbus Club boys defending in six of them.

Oscar Carlson, the tow-headed lightweight; "Skeeter" Heffernan, the lanky 115-pounder, and Underwood, the fast coming 125-pounder, will be the principal Columbus Club representatives if Ralph Gruman, city champion, is not matched with McIrwinn, of the St. James Club of Vancouver.

One good number which Manager Kohler and boxing instructor McDonald are attempting to land is between Hill, the Brooklyn, 115-pounder, and "Cyclone" Calhoun, former Alberta boy, who is now with Multnomah Club. Barring Williams and McNeil, these youngsters are the best in the city.

Manager Kohler is making an effort to secure the services of Bud Anderson, the prominent lightweight, to referee a few of the bouts. Bud arrives in Portland tomorrow, but Vancouver friends are planning a big reception in his honor for Tuesday night and the scheme will hardly go through.

The following is a tentative lineup of the boxers for the smoker: 105 pounds—O. Carlson, Columbus Club, vs. Donovan, St. James Club. 115 pounds—Hill, Brooklyn Club, vs. Calhoun, Multnomah Club. 125 pounds—Underwood, Columbus Club, vs. Brennan, unattached. 135 pounds—Allen, Columbus Club, vs. Driscoll, Brooklyn Club. 145 pounds—Davis, Columbus Club, vs. Colvin, unattached. 155 pounds—Heffernan, Columbus Club, vs. Belmont, Multnomah Club.

In addition to this sextet one heavyweight will be arranged or Gruman matched with one of the best boys in the section.

Sporting Sparks

WYNN NOYES cut his studies short at Northwestern University and joined the Boston Braves before the season opened. The Spokane pitcher couldn't stick away.

First Baseman Hohnhurst, of the Toledo club, has been sold to Montgomery, of the Southern League. This means that Harvey Blinn has landed the job. Derriek was permitted to come to Portland because of the plethora of first sackers. He has been sick ever since the opening of the season and has not showed the class he displayed in the training camp.

The big leagues are tired of this annual holdout business in the Spring. Hereafter the contracts will read "For seven months" instead of "For the season," thus forcing players to report for training or stand salary cuts.

Ad Wolgast's defeat by Tommy Murphy caused little surprise among those who saw the match February 22. Murphy beat the tar out of the Dutchman at that occasion, but, with one of the San Francisco promoters refereeing, a draw and a return bout followed as natural conclusions.

Billy Orr, the Sacramento kid shortstop, has clinched the utility job for the Philadelphia Athletics. Carl Flick was sent to Chattanooga the other day.

Four to one are the odds that the Cubs will not win the National League pennant. The others are as follows: Boston, 3 to 1; Philadelphia, 5 to 1; New York, 10 to 1; Brooklyn, 15 to 1; Pittsburg, 4 to 1; St. Louis, 15 to 1; and Cincinnati, 6 to 1.
