

LOMBARD DENIES BAKER'S CHARGES

Republican Candidate Says He Is Non-Resident Member of Olympic Club.

AUTO IS PURCHASED HERE

Machine, Bought in Portland, Traded in San Francisco, Is Explanation of What is Called "Absurd and False Statement."

Addressing a large crowd of men and women in the Portsmouth Theater in Portsmouth last night, Gay Lombard, Republican candidate for Mayor, took occasion to deny some of the statements that have been made concerning him by his political opponents, among the things charged being that he is a resident of San Francisco; that he has reaped a fortune from a bonding company that does business with Portland, and that he is disqualified from being Mayor under the proposed charter, and that he is fighting it for that reason.

"George L. Baker, a member of the City Council and member of the commission which drew up the proposed charter, has charged me with being a resident of San Francisco," said Mr. Lombard, "and, while this seems a trivial matter and it is almost an insult to an intelligent audience to mention it, I am going to do so simply because I am being made the target for all manner of attacks from the ring which has this city its grasp at the present time because I have seen fit to come out and oppose their little charter.

"Now in the first place Mr. Baker is a candidate for commissioner under the proposed charter, should it carry, and therefore he is working for it with might and main. In trying to draw attention from its defects he has seen fit to attack me, and in so doing, has publicly charged me with being a resident of San Francisco.

Club Not Exclusive.

"He said I am a member of the exclusive Olympic Club of that city and that one of its strictest rules is that its members must be bona fide residents of San Francisco. The facts are, I lived in San Francisco many years ago; I have been a member of the said club for 20 years; I have been and still am a non-resident member, as my membership card shows. I have it here and will show it to you so you can see for yourselves. This club is not exclusive; any more than is the Multnomah Amateur Club of Portland, it being the same kind of a club.

"I do not own a dollar's worth of property in California, but I have always had friends in various places there. Like other men, Mr. Baker also charged that I bought an automobile in San Francisco and that this likewise proved me to be a resident here. I traded an automobile which I purchased here in Portland for a new machine while I was in San Francisco last year. So much for this latest yarn, spun by a man who is boasting that he is a commissioner at \$5000 a year. They probably will circulate other equally absurd and false statements regarding me, as a new crop springs up almost daily, but I want to say to you that these stories are circulated to fool you people of Portland and various places against me because the ring which you control the city fears it will lose its grip if I become Mayor of Portland and because they want to put over their 'joker' on you people of Portland."

Audience Sees Card.

Mr. Lombard had the Olympic Club non-resident membership card circulated through the crowd while he spoke.

"I have no hesitation in denouncing this proposed charter as the product of city officials, with the Mayor at the head as chairman, who have not been able to manage the city's departments capably, as has been disclosed and as is admitted by the administration," said Mr. Lombard.

At the close of the meeting, Mr. Lombard was asked as to his views on how to stop white slavery in Portland.

"I would appoint a real Chief of Police, with power to direct every man who lives on the earnings of fallen women," he replied, "and I would make it so hot for this class of men that they would not care to live here; if they did not leave, I would have them sent to the rock pile or jailed. I would devote much time to this problem."

NOTED ACTOR WHO WILL BE SEEN AT THE HELIG TONIGHT.

NAT C. GOODWIN.

"Oliver Twist," with Nat. C. Goodwin in the role of Fagin, will be seen at the Helig Theater, Eleventh and Morrison, three nights, beginning tonight, with a special price matinee on Saturday.

When Mr. Goodwin met with an accident about eight months ago, it was feared that he would never be able to take up his professional work on the stage again. He has returned rejuvenated and in good health, however, and will portray Fagin, which, by the way, has been pronounced the greatest of all the roles he has played during the history of his luminous and interesting career as an actor. The part offers exceptional opportunities to display his ability.

North Yakima Is Preparing Many Special Entertainments for Portland Guests.

Not only Rosarians, but also many business men of Portland who are not members of the Rosarian organization are taking part in the trip to North Yakima. A general invitation has been extended to business men of the city to participate in the excursion and late reservations will be received all day today at the Commercial Club in the promotion department.

PORTLAND MUSICIAN TO APPEAR IN VAUDEVILLE

Miss Carmel Sullivan, Talented Harpist, Contracts for 22 Performances at Empress Theater Commencing Next Monday Matinee.

MISS CARMEL SULLIVAN, daughter of Mr. and Mrs. F. Sullivan, of the musical department of the Portland girl to take a flyer in vaudeville. H. W. Plerong, manager of the Empress Theater, engaged Miss Sullivan yesterday to appear for 22 performances at the Empress, commencing with the matinee next Monday. Miss Sullivan is a talented harpist and is the only girl musician of the Portland Symphony Orchestra, numbering 55 men, with which organization she has been affiliated from the beginning as harpist. She is the youngest girl harpist appearing before the public on the Pacific Coast.

Miss Sullivan is a graduate of St. Mary's Academy of this city and it was there that she developed her talent for harp playing. When but a little girl she expressed ambition to become an expert on the old-time musical instrument, and after years of constant study and practice she was graduated from the musical department of the Portland institution with high honor. She attended St. Mary's Academy with Miss Florence Considine, now Mrs. T. Conson, and was honor musician for the daughter of the theater magnate in the Conlon-Considine wedding ceremony, recently performed at Seattle.

When Madame Schumann-Heink visited Portland last year the sisters at St. Mary's Academy gave a concert in honor of the renowned singer and Miss Sullivan shone on the programme as harpist. Madame Schumann-Heink complimented Miss Sullivan highly for her artistic execution on the ancient stringed instrument and predicted a great future for her. Madame Schumann-Heink was so taken with the melody that Miss Sullivan wood from the harp that she rushed to the musician when the last note had been sounded and embraced her, exclaiming, "You are a dear little artist."

Miss Sullivan's vaudeville repertoire at the Empress will include the ma-

UGH! HOW CHILDREN HATE CASTOR OIL

To Clean the Little One's Stomach, Liver and Waste-Clogged Bowels, Give Gentle "Syrup of Figs."

Look back at your childhood days. Remember the physic that mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it is different. The day of harsh physic is over. We don't force the liver and 30 feet of bowels now; we coax them. We have no dread after effects. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their little stomachs and tender bowels are injured by them.

If your child is fretful, peevish, half sick, stomach sour, breath feverish and little system full of cold; has diarrhoea, sore throat, stomach-ache; doesn't eat or rest well—remember—look at the tongue, if coated, give a spoonful of Syrup of Figs; then don't worry, because you surely will have a well smiling child in a few hours.

Syrup of Figs being composed entirely of luscious figs, senna and aromatics simply cannot be harmful. It sweetens the stomach, makes the liver active and thoroughly cleanses the little one's waste-clogged bowels. In a few hours all sour bile, undigested fermenting food and constipated waste matter gently moves on and out of the system without griping or nausea.

Directions for children of all ages, also for grown-ups, plainly printed on the package.

By all means get the genuine. Ask your druggist for the full name "Syrup of Figs and Elixir of Senna" prepared by the California Fig Syrup Co. Accept nothing else.
