Municipal Conference Fights Hard for Sherk, Who Beat Harriman in Primary.

ROSE SUPPORTERS ACTIVE

Socialists Abandon Hope of Electing to Higher Offices, but See Prospect of Getting Two or More Councilmen.

LOS ANGELES, May 11.—(Special.)—When John W. Sherk returns tomorrow from Sacramento, where he went in the interest of several bills relating to Los Angeles projects, he will start out on a whirlwind campaign under the banner of the Municipal Conference, which reads "Efficiency in City Government."

At the same time the seven conference candidates for the City Council, nominated at Tuesday's primary, will throw themselves into the work of the campaign, which will be strenuous.

The conference campaign committee is confident of electing Sherk by a big majority and all of its seven candidates for Council by good margins.

The conference campaign committee is confident of electing Sherk by a big majority and all of its seven candidates for Council by good margins.

The people's campaign committee, which has in the Sherk campaign, also has endorsed the present School Board, with one exception.

The executive committee of the women's department of the Municipal Conference has decided, after a long and animated session, to conduct its campaign in a much more active way than during the ante-primary period.

The Rose campaign committee has issued the following appeal, addressed to the voters of Los Angeles:

"Realizing that a change in the policy of the city government, as well as in the personnel of the administration, and being confident that Judge H. H. Rose is qualified in every respect to respond to the urgent demand on the part of the people for a sane, wholesome, business-like and efficient Mayor, we appeal to the voters of Los Angeles to lend every effort to elect him on election June 3.

Two Elected at Primaries. To insure the election of Judge Rose, we need the co-operation of the public-spirited citizens of Los Angeles. We need your financial support as well as your personal services."

By resolution the Council has officially declared the result of the recent primary nominating election.

In view of the fact that they received the required majorities, the City Clerk has authorized to issue certificates of election to City Assessor Mallard and City Auditor Myers.

John W. Sherk received 35,662 votes; Rose, 21,183 votes; Harriman, 19,875 votes; O. Beeker, 29,711; H. Clay Needham, 711. The result of the canvass gives Rose 813 more votes than Harriman, the Socialist candidate at the primaries.

FATHERS' DAY IS SET

VANCOUVER CHURCH TO HOLD SERVICES, MAY 18.

Rev. J. H. Berringer Will Do Honor to Head of Family as Suggested by The Oregonian.

VANCOUVER, Wash., May 11.—(Special.)—"We have a Mothers' day, why not also honor father?"

This was an editorial paragraph in The Oregonian last year, and from that started a custom in the Irvington Methodist Church of holding Fathers' day services, which will be properly and elaborately carried out next Sunday evening, May 18, by Rev. J. H. Berringer.

Mr. Berringer today gave the morning hour to Mothers' day services. There was singing by the children, and the sermon was about "Mother, Her Great Place in the Home."

Fathers' day will be observed next Sunday evening, because it is found that men are busy with their work in the fall, and four girls, dressed in white, will pin them on all corners.

This will be the second annual Fathers' day service to be held here. It is believed that the Fathers' day service held here last year was the first of its kind in the United States.

TARIFF FIGHT TO BE LONG

Republicans Likely to Start Filibuster Over Motion in Senate to Have Open Hearings Before Committee.

WASHINGTON, May 11.—Congress is getting used to President Wilson's visits to Capitol Hill. His visit one day last week was his third and since he brushed aside precedents of a century when he submitted his tariff message to the House in person.

The President's known purpose to keep in active touch with legislative and political affairs, first evidenced when he virtually dictated the free wool and the sugar schedules, was further emphasized last week when, by personal endeavor, he delayed reorganization of the Democratic Congressional campaign committee and again when he submitted his tariff message to the House in person.

His participation in the Congressional campaign plans caused considerable comment. It had been planned to reorganize the Congressional committee and to elect Representative Johnson of Kentucky chairman.

Photographs of Beautiful White Women and Full Account of Tragedy, Are in Trunk of Lee Dor, Held in Opium Case.

SAN FRANCISCO, May 11.—A key to the mystery of the murder of Elsie Sigel, granddaughter of General Franz Sigel, a Civil War hero, who met a horrible death in New York's Chinatown June 18, 1909, is believed to have been found in the City of Oakland, Cal.

In searching the rooms of Lee Dor, a Chinaman who was arrested recently by the Federal authorities, charged with having opium in his possession, the officers found a complete set of press clippings describing the death of Elsie Sigel in New York four years ago, with a number of photographs of beautiful white women.

Prior to the discovery of the press clippings and photographs, Lee Dor had been released under a \$1000 bond to answer the charge of having opium in his possession. His present whereabouts is unknown.

Lee Dor tried to convince us that he had no knowledge of English, said Smith, "but it is significant that our language should so treasure the reports of a murder that took place in New York four years ago."

RECALL ON AT KLAMATH

Petition Against Judge Worden Will Not Oppose Action.

KLAMATH FALLS, Or., May 11.—(Special.)—The petition for an election to recall County Judge Worden has been filed and contains about 85 per cent of the number of votes cast for Supreme Judge of the state at the last election.

The law requires 25 per cent of such a vote, but at that time women did not vote, and a number of women have signed the petition, and it was thought that it might be necessary to have the 25 per cent of men to make the petition a legal one.

Judge Worden has announced that he will not take legal steps to prevent the election, wishing to have the contention ended.

PHYSICIANS AGREE ON INTERNAL BATHS

The most enlightened physicians, including many of the greatest specialists, are recommending and prescribing the use of the "J. B. L. Cascade," Nature's own Cure for Constipation.

It keeps the Lower Intestine sweet and clean and eliminates all poisons in the waste which it contains.

Otherwise these poisons are distributed throughout the body; this weakens the whole system, makes us dull and bilious, and even brings on serious complications.

The "J. B. L. Cascade" cleans the colon of all waste, and is shown by Woodard, Clarke & Co., Alder street at West Park, Portland.
