These bonds bear date of July 1, 1913, and will bear interest at the rate of 5 per cent per annum, payable semi-annually, principal and interest payable in United States gold coin at the fiscal agency of the state of Oregon in the city and state of New York, and will mature on the 1st day of July, 1933.

A copy of said transcript has been forwarded to Story, Thorndike, Palmer & Dodge, 735 Exchange building, Boston, Mass., who have been employed by Dalles City to render their opinion as to the regularity of all proceedings on the part of the city in the issuance of these bonds, and as to the validity and legality of the bonds, and the city's power to levy and collect sufficient taxes to pay the principal and interest thereof at maturity, and as to whether there is any local law or regulation of taxation and exemption within Dalles City or the county in which said city is situated which affects or impairs the city's right to levy a sufficient tax for the payment of the principal and interest of said bonds at maturity.

All bids may be subject to the unconditional and unqualified opinion of said attorneys upon all matters submitted to them, and no bidder will be held bound by his bid unless and until said attorneys have rendered their unqualified and unconditional opinion in favor of the regularity, validity and legality of said bonds, and as to all other matters submitted to them as above mentioned. In all other respects the bids must be unconditional.

The bonds will be furnished by Dalles City and will be prepared under the supervision and direction of the said attorneys and approved by them as to their form, regularity and validity.
